EVANGELICAL LUTHERAN CHURCH IN AMERICA

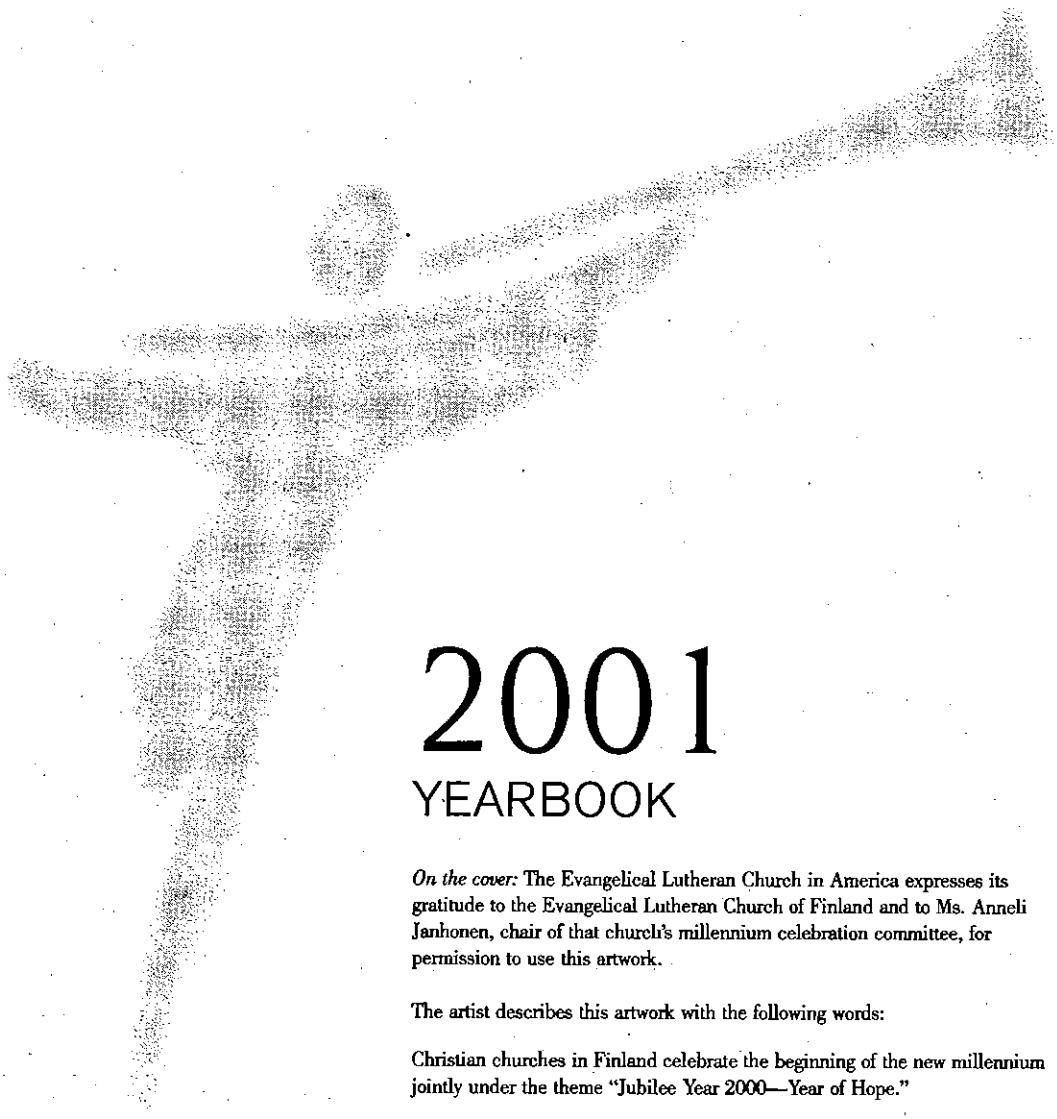
Making Christ Known: Sharing Faith in a New Century



2001 YEARBOOK

On the cover: The Evangelical Lutheran Church in America expresses its gratitude to the Evangelical Lutheran Church of Finland and to Ms. Anneli Janhonen, chair of that church's millennium celebration committee, for permission to use this artwork.

The artist describes this artwork with the following words:

Christian churches in Finland celebrate the beginning of the new millennium jointly under the theme "Jubilee Year 2000—Year of Hope."

The figure in the middle is the same as the emblem of the Jubilee Year. The emblem is designed to depict joy, rejoicing, and a look toward the future by combining the means of traditional symbolism and also of new forms. Its aim is to kindle thoughts of hope.

The figure rises above the horizon, toward the sky. It greets the onlooker by playing a fanfare on a trumpet in the year of hope and joy.

The symbolism of the figure and the event are so familiar to the onlookers that they will find their own explanation to it and experience the message of the millennium year in their own way.

EVANGELICAL LUTHERAN CHURCH IN AMERICA
2001 UNIT SPENDING ALLOCATIONS

This church shall seek to function as people of God through congregations, synods, and the churchwide organization, all of which shall be interdependent. Each part, while fully the church, recognizes that it is not the whole church, and therefore lives in a partnership relationship with the others *(ELCA Constitution, Chapter 8, provision 11).*

The Evangelical Lutheran Church in America shall have a churchwide organization that shall function interdependently with the congregations and synods of this church. The churchwide organization shall serve on behalf of and in support of this church's members, congregations, and synods in proclaiming the Gospel, reaching out in witness and service both globally and throughout the territory of this church, nurturing the members of this church in the daily life of faith, and manifesting the unity of this church with the whole Church of Jesus Christ *(ELCA Constitution, Chapter 11, provision 11).* The following proposal is being presented to the Church Council at the November 2000 meeting.

The Division for Congregational Ministries, working in partnership with congregations, synods, regions, and other units of the churchwide organization, provides support for congregations as they carry out their ministry. It also provides a financial support program for this church. To fulfill these responsibilities, the division (a) develops integrated programs and resources and provides services, in cooperation with other churchwide units, in support of congregations in such major areas as worship, education, evangelism, stewardship, congregational social ministry, congregational planning, and lay leadership; and (b) develops and delivers programs to enable members and congregations to respond financially in support of this church's ministry in congregations, synods, agencies, institutions, and the churchwide organization.

The Division for Congregational Ministries also relates to four churchwide organizations: Lutheran Youth Organization, Lutheran Men in Mission, ELCA Outdoor Ministries, and Lutheran Laity Movement for Stewardship.

LUTHERAN ASSOCIATION FOR MARITIME MINISTRY

The Lutheran Association for Maritime Ministry (LAMM) consists of Lutheran congregations, Lutheran Maritime Ministry agencies, chaplains, missionaries, pastors, and volunteers gathered for the purpose of ministry among international seafarers, American merchant mariners including military sealift command, and commercial fishers. LAMM members use a holistic approach to care for seafarers' spiritual and "far away from home" needs, and more importantly, call and empower seafarers to a life of service and ministry. LAMM has been formally recognized by the Division for Outreach of the Evangelical Lutheran Church in America.

It also distributes churchwide funding to these institutions and sponsors faculty and staff development programs. The division oversees the campus ministry program of this church at public and private institutions and initiates nationwide planning and funding for these efforts.

The Division for Church in Society helps this church to understand and respond sensitively and effectively to the needs of human beings, society, and the environment.

This division studies social issues and prepares social statements for this church's consideration and action. It coordinates this church's hunger program and its domestic disaster response. Congregations receive help from this division in providing ministry with people in need, including those with disabilities, and in developing programs that help poor persons gain economic independence. This division is responsible for domestic refugee concerns and, accordingly, relates to Lutheran Immigration and Refugee Service and other international agencies.

This division is responsible for this church's ministry of service through some 260 affiliated social ministry organizations. It grants and maintains church affiliation with these organizations and through Lutheran Services in America develops a comprehensive delivery system among social ministry organizations, congregations, and community organizations.

This division carries out this church's advocacy with national and international governmental bodies and with institutions in the private sector and coordinates its advocacy with state governments.

The department provides public relations counsel and support to the churchwide organization and, on behalf of all churchwide units, provides interpretation services and produces *Seeds for the Parish* and the *Action Packet* for congregational leaders. It coordinates marketing of the ELCA through the ELCA Identity Project (www.sharingfaith.org). The Lutheran is the periodical of the Evangelical Lutheran Church in America. Circulation is 600,000, reaching about one-half of the households of ELCA members. Published 12 times each year, the magazine tells the story of the church, its people, and the world of religion through sections titled "People and Faith," "Congregations and Community," and "Church and World." Each issue also includes "Currents," a section offering perspectives on issues in the news, and an in-depth treatment of a topic suitable for group study. News supplements are included for each synod. The Churchwide Assembly elects the editor for a four-year term, and an 11-member advisory committee, elected by the Church Council, has responsibility for the magazine.

CONFERENCE OF BISHOPS

8765 West Higgins Road
Chicago, Illinois 60631-4196
Telephone: 773/380-2553

The Conference of Bishops meets at least twice a year. Made up of the 65 synodical bishops as well as the presiding bishop and secretary of this church, the conference provides opportunities for worship, spiritual renewal, and theological enrichment for those serving in these capacities. Staff services for the Conference of Bishops are provided by the Department for Synodical Relations. The Conference of Bishops provides a first call/appointment process for candidates and support resources for rostered persons.

The conference has a special relationship with the Division for Ministry as it raviews recommendations related to ordained ministers and associates in ministry. The synodical bishops also work closely with the Department for Ecumenical Affairs in developing ecumenical documents and promoting Christian unity.

ROSTER OF CONGREGATIONS

As of September 1, 2000

The roster of congregations includes all member congregations as well as forming congregations of the Evangelical Lutheran Church in America. All changes and corrections in this roster should be reported to the office of the synod in which the congregation is located. The synod office will report the changes to the Office of the Secretary of the Evangelical Lutheran Church in America. Congregation e-mail address changes may be reported directly to the Office of the Secretary at conginfo@elca.org. Links to congregation Web sites can be found on the ELCA Web site, www.elca.org. Information about linking a congregation's Web site to the ELCA Web site is also available at www.elca.org.

Congregations under development have been included on the roster through August 1, 2000. (Refer to the listing of congregations under development on pages 295–299.) Congregations that have consolidated, merged, withdrawn, or disbanded are identified on the roster through August 1, 2000. (Refer to listing on page 301–302.)

The location of the congregation is listed on the first line with the mailing address following on the second line. If the location and mailing address are identical, the address and zip code are listed on the first line.

Membership and financial statistics are those reported by the congregations as of December 31, 1999. An asterisk (*) preceding the membership statistics of a congregation indicates that statistics for 1999 were not available and figures are those of a previous year.

The membership statistics are: **BAPT.**—baptized membership; **AV. ATT.**—average worship attendance. The financial statistics are: **CURR. EXPENSES**—current operating expenses; **BENEV.**—the sum of Mission Support, World Hunger Appeal—Disaster Response, Mission Partners, Missionary Sponsorship, specific mission support (designated gifts), vision for mission offering, synod special benevolences, local community benevolences, and other benevolences.

Each congregation's five-digit identification number is shown after the region/synod designation.

FULL COMMUNION COOPERATION

The Evangelical Lutheran Church in America has established relationships of full communion with the Presbyterian Church (U.S.A.), the Reformed Church in America, the United Church of Christ, the Moravian Church in America, and The Episcopal Church. Full communion agreements provide for the existence of federated congregations, union congregations, and the interchangeability of clergy.

Federated congregations are congregations that are formed and maintained "with the approval of both the synod in which the congregation is located and the comparable ecclesiastical entity of one or more church bodies with which a relationship of full communion has been established" (churchwide bylaw 9.91.01). Union congregations are "formed by two separate congregations that shall continue to exist as separate but cooperating entities. The separate congregations in a union congregation shall be related to their respective church bodies that have established a relationship of full communion. . ." (churchwide bylaw 9.91.02). Clergy from another church body with which this church has established a relationship of full communion serve under authorization from the appropriate synodical bishop.

ROSTER OF ORDAINED MINISTERS

As of August 1, 1999

Following is an alphabetical listing of ordained ministers on the roster of the Evangelical Lutheran Church in America as of August 1, 1999. All changes of address and corrections should be reported to the office of the synod in which the person is listed on the roster. The synod office, in turn, is to report these changes to the Rev. Lowell G. Almen, secretary of the Evangelical Lutheran Church in America. Changes in e-mail addresses may be reported directly to the Office of the Secretary at conginfo@elca.org.

Ordained ministers who have retired are identified with (RT) following name. Ordained ministers whose deaths were reported to the Office of the Secretary through August 1, 1999, and other removals, are listed on pages 543–545. Those persons are not included on this roster. An asterisk (*) following a name identifies persons under suspension.
