REPORT OF THE PRESIDING BISHOP
(Agenda I.C.; Reference: Report of the Presiding Bishop and State of the Church)

The Rev. Elizabeth A. Eaton, presiding bishop of the ELCA, provided an overview of her written report, highlighting activities related to the 500th anniversary of the Reformation, the future directions and priorities for this church identified through the Called Forward Together in Christ process, scholarships available through the Bishop Eaton’s Leadership Initiative and the ELCA Fund for Leaders, Always Being Made New: The Campaign for the ELCA and the Theological Education Advisory Committee.

The presiding bishop responded to questions and comments about the scholarship initiative and the next generation of leaders for this church.

REPORT OF THE VICE PRESIDENT
(Agenda I.D.; Reference: Report of the Vice President)

Vice President William B. Horne II referred to his written report and introduced the liaison bishops at the meeting. He talked about attending the March 2017 meeting of the Conference of Bishops and how it had focused on the priorities of leadership and vibrant congregations, which were identified through the Called Forward Together in Christ process. He reflected on the previous meeting of the Church Council and lessons he learned through that meeting to allow for discernment as well as to balance the council’s impulses to speak, administer, manage and govern. He said the retreat following this meeting of the Church Council would address the council’s governance role and structure. The vice president spoke of his work with a task force drafting a statement on interreligious relations for the ELCA and of his participation in a Martin Luther King Jr. Day event that was hosted by the Delaware-Maryland Synod’s chapter of the African American Lutheran Association.

REPORT OF THE EXECUTIVE COMMITTEE
(Agenda I.E.)

Vice President William B. Horne II noted that the Rev. Vicki T. Garber had served as ecumenical liaison to the Presbyterian Church (U.S.A.) since November 2015. At the request of that communion, the Executive Committee appointed [EC17.03.11] Pastor Garber to continue as ecumenical liaison to that church until August 2018.

Vice President Horne declared the motion was adopted.

SITE FOR THE 2019 CHURCHWIDE ASSEMBLY
(Agenda I.E.2.)
Background:
ELCA bylaw 13.41.02.h. states that the secretary of this church shall “arrange for and manage churchwide meetings, including the Churchwide Assembly.” The Rev. Wm Chris Boerger, secretary of the ELCA, told the 2016 Churchwide Assembly that the Office of the Secretary would bring a proposal for the time and place of the 2019 Churchwide Assembly to the Church Council’s Spring 2017 meeting, and the information would then be communicated through normal channels.

Church Council action:
A motion was made and seconded to designate the location and dates of the 2019 Churchwide Assembly.
Secretary Wm Chris Boerger described the ongoing negotiation process.
There being no further discussion, Vice President William B. Horne II called for the vote.

VOTED:
CC17.03.04 To designate [the Wisconsin Center, 400 W. Wisconsin Ave.] Milwaukee, Wisconsin — subject to the satisfactory completion of negotiations in the judgment of the secretary of this church — as the site for the Fifteenth Churchwide Assembly of the Evangelical Lutheran Church in America, either August 5-10, 2019, or August 12-17, 2019; and
To authorize the Executive Committee to select another venue, if negotiations are not successful.

The chair declared the motion was adopted.

REPORT OF THE TREASURER
(Agenda I.F.; Reference: Presentation of the Treasurer and Report of the Treasurer)
The Rev. Linda O. Norman, treasurer of the ELCA, reported that unaudited results for fiscal year 2016 showed the churchwide organization had total operating revenue and support of $69.0 million for the 12-month period ending Jan. 31, 2017 — $2.7 million more than expenses of $66.3 million. A Church Council transfer of $1.04 million to the mission development fund left net revenue of $1.63 million that she mentioned could be used, with council approval, to support the churchwide organization’s 2018 budget. In fiscal 2016, mission support of $45.2 million was the greatest source of income. She presented details on each of the other sources that provided a total $20.1 million of income. Contributions to ELCA World Hunger for the year totaled $21.9 million, and expenses were $21.4 million. Lutheran Disaster Response received $6.5 million, primarily in support of the response to U.S. Floods and the Middle East-Europe refugee crisis and for general undesignated programs. Always Being Made New: The Campaign for the ELCA raised
$113.4 million in revenue and commitments to date in the five-year campaign — 57.3 percent of the total goal of $198 million by Jan. 31, 2019.

**REPORT OF THE BUDGET AND FINANCE COMMITTEE**
(Agenda I.G.)

The Rev. Vicki T. Garber chair of the Budget and Finance Committee, presented the committee’s report.

**ELCA FOUNDATION GOVERNANCE AND STRUCTURE**
(Agenda I.G.1.; Reference: ELCA Foundation Task Force Report to the BFC)

*Background:*
At its November 2016 meeting, the Church Council established [CC16.11.40] “a task force to consider whether the ELCA Foundation should be separately incorporated from the churchwide organization or otherwise reorganized, and to make recommendations on governance and structure.”

The ELCA Foundation Task Force on Structure and Governance prepared a report outlining the potential structures and presented it to the ELCA Endowment Fund board of trustees at its March 16-17, 2017, meeting.

*Church Council action:*

Ms. Jackson-Skelton drew the attention of the Church Council to the written report and appendices provided by the task force. She explained the proposal that the task force made to the ELCA Endowment Fund board of trustees. She said the purpose of the transfer would be to strengthen the management of the Foundation’s assets and provide donors greater transparency for their investments.

A motion was made on behalf of the Budget and Finance Committee to affirm transferring deferred giving programs of the ELCA Foundation to the Endowment Fund.

There being no further discussion, Mr. Hans E. Becklin led the participants in prayer.

Vice President William B. Horne II called for the vote.

**VOTED:**
CC17.03.05 To affirm the direction of the ELCA Foundation Task Force on Structure and Governance to move toward a structure in which the deferred giving programs of the ELCA Foundation are transferred to the Endowment Fund of the ELCA; and

To authorize the task force and staff to lay the groundwork for that transition, including the hiring of such advisors and consultants as reasonably necessary, with the goal of bringing a complete proposal, including the necessary implementing continuing resolutions, to the Church Council at its November 2017 meeting.

The chair declared the motion was adopted.

**REPORT OF THE PROGRAM AND SERVICES COMMITTEE**
(Agenda I.H.)

Mr. Paul G. Archer, chair of the Program and Services Committee, presented the committee’s report. He provided a progress report on the development of a social statement on women and justice. He drew the attention of the Church
Council to the Corporate Social Responsibility succession plan, which the committee included in the En Bloc Items document, and to responses to two Churchwide Assembly actions that were also to be addressed en bloc regarding Campaign Zero and African descent Lutherans.

**REPORT OF THE EXECUTIVE FOR ADMINISTRATION**  
(Agenda I.I.; Reference: Report of the Executive for Administration)

Wyvetta Bullock, executive for administration, described how the comprehensive strategic plan developed through the Called Forward Together in Christ process would succeed the operational plan of the churchwide organization. She talked about how the Church Council retreat would inform implementation of the strategic plan.

**REPORT OF THE PLANNING AND EVALUATION COMMITTEE**  
(Agenda II.A.; Reference: Planning and Evaluation Committee Report)  

Deacon Christine P. Connell, chair of the Planning and Evaluation Committee, presented the committee’s report.

**2016 ELCA CHURCHWIDE ORGANIZATION OPERATIONAL PLAN REPORT**  

Deacon Christine P. Connell, chair of the Planning and Evaluation Committee, presented the committee’s recommendation regarding the report of the churchwide organization on the 2016 operational plan. The committee had discussed how best to distribute the churchwide organization report to the congregations of this church. She made a motion on behalf of the Planning and Evaluation Committee.

There being no discussion, Vice President William B. Horne II called for the vote.

**VOTED:**  
CC17.03.06 To receive the ELCA Churchwide Organization Operational Plan Report for 2016;  
and  
To thank the staff of the churchwide organization for their ongoing work.

The chair declared the motion had been adopted.

**STRATEGY TOWARD AUTHENTIC DIVERSITY WITHIN THE ELCA (MOTION B)**  
(Agenda II.A.2.)  

**Background:**  
The 2016 Churchwide Assembly action [CA16.05.25] and subsequent actions and responses are recorded in the November 2016 minutes of the Church Council.

**Response from the Domestic Mission unit (Spring 2017)**  
The director for ethnic specific multicultural ministries and the racial justice program director convened a video conference (February 2017) with the presidents of the six ELCA ethnic associations to continue visioning relative to CA16.05.25 and current initiatives that intersect the action called for by the resolution. The current leadership/representation of the ethnic associations is comprised of active leaders from six different synods and five different regions. The broad relational reach of the ethnic associations is more than sufficient to produce a team representative of all nine regions as called for by CA16.05.25.

Currently, the ethnic associations with support of the Ethnic Specific Multicultural Ministries and Racial Justice (ESMMRJ) team are engaged in updating and/or developing new strategic plans for mission and ministry relative to our
ELCA community with and among people of color. All previously adopted strategic plans will be ready for review by Church Council at its November 2018 meeting and, if needed, submitted for adoption at the 2019 Churchwide Assembly.

The racial justice program director represented the ESMMRJ team at the March 2017 Conference of Bishops to introduce the work of the team and the ethnic associations as a resource to bishops, synods and congregations for deepening capacity for racial/cross cultural engagement. At that Conference of Bishops meeting, the racial justice program director and the executive for research and evaluation made a presentation to further the work of equipping synods and congregations towards becoming a more authentically diverse church.

Following are the recommendations to Church Council from the Domestic Mission unit:

- In lieu of creating a task force, the Domestic Mission unit recommends that Church Council authorize the collaborative efforts of the ethnic associations in concert with the Domestic Mission unit Ethnic Specific Multicultural Ministries and Racial Justice Team as designated agency to develop a plan for implementation of action called for by CA16.05.25.
- The Church Council will receive a full report and further recommendations at its November 2017 meeting, including an analysis of the scope of work called for by the resolution, configuration of implementation team (pending consultation with Women of the ELCA and ecumenical partners) and projections of funds/support for implementation.

**Church Council action:**

Deacon Christine P. Connell, chair of the Planning and Evaluation Committee, made a motion on behalf of the committee.

Ms. Maren Hulden noted that the authors of the Churchwide Assembly motion expressed their appreciation for this response to the motion.

There being no further discussion, Vice President William B. Horne II called for the vote.

**VOTED:**

**CC17.03.07**

To authorize the Domestic Mission unit and representatives of the ethnic specific ministry associations, in consultation with Conference of Bishops, Women of the ELCA, and ecumenical partners, to provide recommendations of names of persons to be appointed to the task force for implementation of action CA16.05.25;

That the task force be convened by the Domestic Mission unit comprised of both association and non-association participants with attention to regional representation, lay/clergy and gender balance; and

To receive a progress report and further recommendations including analysis of scope of work called for by Motion B, names of recommended members to the task force, and a projection of funds to support implementation at the November 2017 Church Council meeting.

The chair declared the motion was adopted.

**U.S.A. NATIONAL COMMITTEE OF THE LUTHERAN WORLD FEDERATION**

Vice President William B. Horne II announced that, in keeping with ELCA bylaw 14.41.01.g., the Executive Committee had met as members of the U.S.A. National Committee of The Lutheran World Federation (LWF) on Feb. 6,
2017. The committee discussed the process for nominating someone for possible election as president of the LWF and decided not to make a nomination.

In response to a question, Presiding Bishop Elizabeth A. Eaton explained that tradition would indicate that the next LWF president would be from Africa, and it would be more appropriate for the U.S.A. National Committee to affirm the nomination of an African church if it was to take any action.

**EXECUTIVE SESSION**

(Agenda I.J.)

The Spring 2017 meeting of the Church Council went into executive session at 10:25 a.m. to receive a legal briefing from Mr. Thomas A. Cunniff, associate general counsel, and to discuss a personnel matter. Minutes for meetings held in executive session are added to the protocol file in the Office of the Secretary.

The Church Council returned to open session at 10:30 a.m.

**ANNOUNCEMENTS**

Vice President William B. Horne II announced that the deadlines to introduce new business and to remove items from *en bloc* for separate consideration was at 10:30 a.m.

**BREAK**

The March 2017 meeting of the Church Council recessed at 10:31 a.m.
CALL TO ORDER
Vice President William B. Horne II called the second plenary session to order at 10:48 a.m. in Red Oak Ballroom A of the Eaglewood Resort in Itasca, Ill.

REPORT OF THE SECRETARY
(Agenda II.B.; Reference: Report of the Secretary)
Secretary Wm Chris Boerger highlighted several elements of his written report, including the revision of the roster manual, developing alternatives to the Model Constitution of Congregations for use by synodically authorized worshiping communities, digitization of the ELCA Yearbook and Office of the Secretary records, planning for the 2019 Churchwide Assembly and transitions in the Office of the Secretary.

The secretary responded to questions about the digitization of records and the revised roster manual.

REPORT OF THE LEGAL AND CONSTITUTIONAL REVIEW COMMITTEE
(Agenda II.C.; Reference: Legal and Constitutional Review Committee Report)
The Rev. Stephen R. Herr, chair of the Legal and Constitutional Review Committee, presented the committee’s report. He explained a number of issues to be addressed en bloc by the Church Council, including designation of churchwide organization representatives to synod assemblies in 2017, authorization of Presiding Bishop Elizabeth A. Eaton and Vice President William B. Horne II to designate the executor of a certain estate, adoption of the revised “Manual of Policies and Procedures for the Management of the Rosters of the Evangelical Lutheran Church in America,” affirmation of the Luther Seminary Foundation bylaws and approval of amendments to the governing documents of 1517 Media (the Publishing House of the ELCA), the ELCA Deaconess Community, the Lutheran School of Theology at Chicago, Wartburg Theological Seminary, Luther Seminary, and the Lutheran Theological Seminary at Philadelphia (subsequently to be a supporting organization of United Lutheran Seminary).

Pastor Herr responded to a question regarding changes to seminary governing documents and how they may relate to the recommendations of the Theological Education Advisory Council.

CAPITAL UNIVERSITY ASSET ACQUISITION OF TRINITY LUTHERAN SEMINARY
(Reference: CU-TLS Asset Transfer Agreement, CU-TLS Cover Letter and CU Bylaws and Principles Regarding CU-TLS Reunion)
Background:
The boards of Capital University and Trinity Lutheran Seminary, both in Columbus, Ohio, decided together to create a unified institution through an asset acquisition of Trinity Lutheran Seminary by Capital University. The Church Council considered the draft bylaws for Capital University, which incorporate Trinity Lutheran Seminary as a school of the university. In addition, the council considered a draft asset transfer agreement, to address how Capital University will acquire and utilize the assets of Trinity Lutheran Seminary, and a statement of principles regarding the Capital University and Trinity Lutheran Seminary reunion.

Church Council action:
The Rev. Stephen R. Herr, chair of the Legal and Constitutional Review Committee, drew the attention of the Church Council to documents provided by Capital University and Trinity Lutheran Seminary regarding the university’s acquisition of the seminary’s assets. He indicated that the approval of the acquisition may be on the agenda of the council’s November 2017 meeting.
A motion was made and seconded. There being no further discussion, Vice President William B. Horne II called for the vote.

VOTED:

CC17.03.08 To receive with appreciation the draft documents relating to the proposed asset acquisition of Trinity Lutheran Seminary by Capital University;
To thank the administrations and boards of Capital University and Trinity Lutheran Seminary for engaging in thoughtful, forward-looking, spirit-filled discussions about the future of these institutions within the ecology of the Evangelical Lutheran Church in America; and
To state that merger actions involving these schools must comply with the requirements in the Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America.

The chair declared the motion had been adopted.

REPORT FROM THE CONFERENCE OF BISHOPS
(Agenda II.D.; Reference: Report of the Conference of Bishops)

The Rev. William O. Gafkjen, bishop of the Indiana-Kentucky Synod and chair of the Conference of Bishops, shared that almost half of the members of the Conference of Bishops met with members of Congress during a recent visit to Washington, D.C., with conversations focusing on federal immigration and refugee policies. He reflected on the changing roles of bishops in this church and society. He announced that six synods would hold elections for bishops at their spring assemblies, with at least three of those synods electing new bishops; and two other synods will elect new bishops later in 2017. In response to the Called Forward Together in Christ process that identified leadership and vibrant congregations as priorities for this church, the Conference of Bishops adopted a resolution calling this church to prayer. Bishop Gafkjen distributed the resolution and asked the Church Council to distribute it and accompanying prayers as widely as possible.

REPORT OF THE THEOLOGICAL EDUCATION ADVISORY COMMITTEE

Mr. John W. Lohrmann, chair of the Theological Education Advisory Committee, presented the committee’s reports. He discussed the objectives identified by the Theological Education Advisory Council and the advisory committee’s efforts to implement those objectives. He detailed the work of the committee’s six work groups: seminary health and sustainability, funding revisions and benchmarks, young adult leadership and discernment, ethnic specific education, assessment criteria and communications. He described the current context of ELCA seminaries and the committee’s efforts to assess their progress toward achieving the objectives. He stated that the seminaries were already working toward many of the objectives when the committee was organized. He noted changes in seminary leadership and governance and attempts to improve relationships among seminaries and their supporting synods.

On behalf of the committee, Mr. Lohrmann made a motion to designate churchwide funding for a collaborative project among the seminaries to expand the number of persons of color preparing for rostered ministries in this church. Mr. Lohrmann and the Rev. M. Wyvetta Bullock, executive for administration, responded to questions about the collaboration of ELCA seminaries and how the funds would be distributed. They said the designated funding would support an ongoing initiative among several of the seminaries and would encourage the participation of all seminaries.
Church Council members discussed how the motion related to the priorities identified by the Called Forward Together in Christ process and the specific goals for the project.

There being no further discussion, the Rev. Elizabeth E. Ekdale led the participants in prayer.

Vice President William B. Horne II called for the vote.

**VOTED:**

**CC17.03.09** To designate five percent of churchwide funding for seminaries in 2018 fiscal year for a focused, collaborative project among all seminaries that expands the number of persons of color preparing for rostered ministry in this church.

The chair declared the motion had been adopted.

Council members continued to discuss ways the Church Council may support the seminaries and their collaboration, as well as ways the seminaries might collaborate with other seminaries ecumenically and internationally.

**POINT OF PERSONAL PRIVILEGE**

The Rev. Stephen R. Herr requested a point of personal privilege to announce that the Lutheran Historical Society of the Mid-Atlantic had awarded Mr. Hans E. Becklin the 2016 A.R. Wentz Prize in American Lutheran History for his paper “Herbjorn Gausta’s Good Shepherd (1895) at First Lutheran Church, Decorah, Iowa: Printed American Visual Culture as Painted Norwegian-American Propaganda.”

Vice President William B. Horne II announced that no Church Council members had asked for an item to be removed from en bloc consideration.

**EN BLOC APPROVAL OF CERTAIN ITEMS**

(Agenda II.H.; Reference: En Bloc Items, Responses to Synodical Resolutions and Responses to Churchwide Assembly Actions)

**Background:**

An en bloc resolution or consent calendar was presented to the Church Council of routine or noncontroversial actions prepared by the council’s committees (En Bloc Items). Responses to Synodical Resolutions and Responses to Churchwide Assembly Actions were consent calendars of recommendations from staff of the churchwide organization regarding specific synod resolutions and Churchwide Assembly actions. Opportunity was provided to members of the Church Council to remove items from en bloc for separate consideration by the council. A single vote on those items remaining en bloc is taken without debate or amendment.

**Church Council action:**

A motion was made and seconded to take en bloc action on the recommendations on the consent calendars.

There being no discussion, Vice President William B. Horne II called for the vote.
VOTED:
CC17.03.10 To take action _en bloc_ on those items listed in _En Bloc_ Items, Responses to Churchwide Assembly Actions and Responses to Synodical Resolutions that were not considered separately.

We further affirm that we will steward these gifts to maximize their impact in mission for the sake of “God’s work. Our hands.” in the world.

D. Establishment of a Church Council designated fund

Background:
Income projections indicated that the churchwide organization will experience a significant budget gap during fiscal year 2018 between estimated current fund income and usual expense levels. The Budget and Finance Committee
reviewed plans to navigate the implications of this gap in alignment with strategic directions identified during the Called Forward Together in Christ process.

A new Church Council designated fund was proposed equal to the excess revenue over expenses from fiscal year 2016 or $1,630,000. These funds would be released in fiscal year 2018 to support budgeted operations of the churchwide organization. Notwithstanding this amount, the organization has exceeded its target cash position and continues to be compliant with the organizational cash flow policy.

VOTED:
CC17.03.10d To approve a Church Council designated fund in the amount of $1,630,000 representing the excess revenue over expenses from fiscal year 2016 for release in fiscal year 2018 for the budgeted operations of the ELCA churchwide organization.

Likewise, ELCA continuing resolution 20.62.A16. states:

**R. Examining the Opportunities and Implications of Campaign Zero, a policy platform in affirmation of Black Lives Matter**

The 2016 Churchwide Assembly action [CA16.02.03d] and subsequent actions and responses are recorded in the November 2016 minutes of the Church Council.

*Church Council Action [CC16.11.46bb]*

To receive the response from the Domestic Mission unit and to anticipate a report by the April 2017 Church Council meeting.

*Response from the Domestic Mission Unit (Spring 2017)*

The ELCA social statement, “The Church and Criminal Justice: Hearing the Cries” (2013), affirms the fundamental principles of the U.S. criminal justice system such as due process of law and the presumption of legal innocence. Yet, this church hears people’s cries that reflect the current system’s serious deficiencies. This church has long recognized that racism pervasively infects and affects all aspects of U.S. society. The social statement acknowledges that racism is central to the deep abiding problems of the current criminal justice system in the racial disparities, and the implicit and explicit racism that persists within.

In response to systemic racism, violence and the extrajudicial killings of black and brown people at the hands of law enforcement; #BlackLivesMatter originated from the African American community as a social media campaign in 2013. Black Lives Matter is an international community-based led movement of networks. The ELCA across its three expressions (churchwide organization, synods and congregations) has expressed support and participated in the Black Lives Matter movement in a variety of ways. Campaign Zero is a policy platform created by the Black Lives Matter movement to address and improve relationships between local law enforcement and the communities in which they serve.

The churchwide organization currently does not have resources to support an educational and/or organizing campaign primarily in support of Campaign Zero. However, Campaign Zero’s policy platform is in alignment with the social statement, “The Church and Criminal Justice: Hearing the Cries.” The social statement encourages “members, congregations, synods, social ministry organizations and churchwide ministries to advocate intentionally and creatively for system reform consistent with the principles and recommendations set forth in this social statement.” A link to Campaign Zero has been added to the www.elca.org/blacklivesmatter webpage.
VOTED:  

CC17.03.10r  To receive the response from the Domestic Mission unit on “Examining the Opportunities and Implications of Campaign Zero, a policy platform in affirmation of Black Lives Matter;” and

To acknowledge the Campaign Zero policy platform is in alignment with this church’s criminal justice social statement, but to recognize the insufficient resources for the churchwide organization to provide an educational or organizing campaign in support of Campaign Zero.

S. Call to Discernment on U.S. Foreign and Military Policy

The 2016 Churchwide Assembly action [CA16.06.32] and subsequent actions and responses are recorded in the November 2016 minutes of the Church Council.

Church Council action [CC16.11.46dd]

To receive the response from the Office of the Presiding Bishop on a proposed timeline and outcome for the initiative;

To authorize the Executive Committee to identify two people from the Church Council to serve as advisors with Federal Chaplaincy on developing next steps; and

To anticipate a progress report with possible recommendations by the April 2017 Church Council meeting.

Response from Office of the Presiding Bishop (Spring 2017)

The Office of the Presiding Bishop continues its work on convening up to 40 faith leaders, scholars and academics, ethicists, government and faith-based social service personnel with ecumenical and interfaith observers to reflect on expanding war efforts and their consequences. ELCA Federal Chaplaincy will synchronize a one-day “round table” with specialists and others at the Lutheran Center in conjunction with the 2018 ELCA Federal Chaplains Education and Training event (Thursday, July 26, 2018). Results will be a “Report on a Day of Discernment.” The report provides a resource that will be shared with others and used as a guide for underpinning further action. Participants invited to attend the “round table” will travel at their own expense. Presenters will be provided travel.

The basic framework for the “Day of Discernment” will structure sessions around major questions using teachings of social statements to provide an approach to the questions:
1) Context: “What’s going on? What are the facts?” (focused by questions and topics in the social policy resolution)
   a) What does this expansion mean? For example:
      i) Increased security and protecting the homeland vs. non-military use of power
      ii) Government budget priorities and economic trade-offs: effects on social services
      iii) Moral injury and care of vets
      iv) Stand-off systems and use of drones
      v) Militarization of domestic law enforcement
      vi) Cybersystem warfare
   b) Are there other elements from the memorial?
2) “What are theological perspectives (from statement) used for viewing such issues?”
3) “What are key discernment issues”?
4) “What Can/Should Be Done? A practical discernment (Results will be a report on content, experience and process)
5) “How do we turn this into a churchwide discernment?” — Lessons that may be central to aid churchwide discernment — provide resources (e.g., Study guide for elective use: adult forum, college classrooms, seminary classrooms, Bible studies, women’s studies (Women of the ELCA)

Budget planning continues to define costs for a temporary staff position one day per week for administrative support from January through June 2018. Estimated staff cost plus program costs provide an initial rough estimate between $15,000 and $20,000. The Office of the Presiding Bishop will work with the Office of the Treasurer to identify a possible source of funds for this event.
VOTED:

To receive with gratitude the progress report from the Office of the Presiding Bishop on the round table “Day of Discernment” event; and

To request that a final report be provided by the November 2018 Church Council meeting.

Response from the Domestic Mission unit (Spring 2017)

Update on African descent observance of the 500th anniversary

The historical relevance of the 500th observance of the Reformation is not important to many of the ELCA’s African descent congregations. The financial demands in maintaining buildings in need of repair, declining worship attendance and the long-term effects of concentrated poverty have left these congregations in survival mode. Many also have had extended rostered pastoral vacancies and therefore do not have leadership to provide the educational background of the Reformation or news and information about Reformation observances. Many ELCA African descent worshipping communities hold in common a focus on culturally relevant worship as a communal practice with less of an emphasis on a culturally Euro-centric Luther at identity. The language of the people is the language through which the gospel is to be heard, proclaimed, sung, danced and sacramentally embodied during worship and lived experiences (as referenced in the ELCA African Descent Strategic Plan, “Many Voices, Tell the Story, Create the Vision: Build Our Future”).

Staff members have met to discuss the incorporation of the presence and participation of the African descent diaspora and other people of color in the 500th anniversary of the Lutheran Reformation. To ensure that the African American experience within the ELCA is represented in communication projects and storytelling, the African descent focus will weave into several projects in partnership with the Office of the Presiding Bishop. The ELCA Reformation Anniversary Grant Program, drawn from the Thrivent Financial Foundation Reformation Anniversary Grant, awarded grants to assist with 500th anniversary observances. Support has gone to those who seek to promote a wider understanding of the Reformation message and its significance for faith and life in the 21st century. In addition, the Office of the Presiding Bishop has promoted and/or recognized the following initiatives:

- **Storytelling Pilot Projects** – By using three known formal storytelling projects (Her-Stories, Rostered Women of Color, and Our Lutheran Life), the African descent focus will be elevated via individual stories and small group experiences. Using the communication channels in place, African descent leaders can share story posts (e.g., blogs) and encourage submissions to build and sustain the storytelling effort.

- **Grant Program Participation** – Several African descent congregations have already applied for grant funding to create culturally relevant programs within their communities.

- **Speakers Bureau** – African descent leadership can carve out a niche within this church to educate and raise awareness of the experiences of Lutheran identity from an African descent perspective.

- **The African Descent Catechism (ADC)** – This project is currently being developed by the Conference of International Black Lutherans. The ADC will be posted on elca500.org/With New Voices. There are also plans
to share the ADC at the African Descent Lutheran Association (ADLA) biennial gathering in July 2017. Members attending will gain an understanding of the ADC, its intent and purposes. Following the ADLA biennial, a formal communication will be shared with congregations to lift up the ADC and encourage invitations to the Speaker’s Bureau. Doing so opens dialogue about the ADC and creates an opportunity for a broader discussion about race relations along with opportunities for congregations to experience their faith in action. With intentional effort given to expanding the conversation, this discussion can live on past 2017.

• **African Descent Lutheran Association Biennial assembly** - The ADLA’s 16th biennial gathering theme is, “Like a Rolling Stream, Let Justice Roll…Absalom, Jehu, and Beyond.” In spirit of ecumenical activities, this gathering will be a partnership between the ADLA and the Union of Black Episcopalians (UBE). In observance of the U.N. International Decade for People of African Descent, both organizations share a vital commitment to vigilance and action aimed at achieving justice for all people. A joint worship service will be held in honor of the 500th observance of the Reformation.

• **The Twelfth Assembly of the Lutheran World Federation** will commemorate the 500th anniversary of the Reformation at a global level. The Domestic Mission unit’s African Descent, African National & Latino ministries through consultation with executive director of the Global Mission unit, executive director of Domestic Mission unit and the executive for ecumenical and inter-religious relations will participate in the assembly.

**Update on the U.N. International Decade of People of African Descent**

The International Decade for People of African Descent (2015 to 2024) was proclaimed in 2013 by U.N. General Assembly resolution 68/237. The Durban Declaration and Programme of Action acknowledged that people of African descent were victims of slavery, the slave trade and colonialism, and continue to be victims of these actions. Two hundred million people who identify themselves as being of African descent live in the Americas. Many millions more live in other parts of the world, outside of the African continent. The International Decade provides “a solid framework for the United Nations, member states, civil society and all other relevant actors to join together with people of African descent and take effective measures for the implementation of the program of activities in the spirit of recognition, justice and development.”

1 The decade: 1) promotes respect, protection and fulfillment of all human rights and fundamental freedoms; 2) promotes a greater knowledge of and respect for the diverse heritage, culture and contribution; 3) adopts and strengthens national, regional and international legal frameworks and ensures their full and effective implementation.

Domestic Mission staff consulted with others and note that the ELCA has connected and will continue to connect with the Decade in the following ways:

• Members of the ADLA attended the launch of the Decade.

• Members of ADLA and the Ethnic Specific, Multicultural Ministries and Racial Justice staff will continue attending events related to the Decade (when possible).

• ELCA assembly action CA16.05.15 affirms African Descent Lutheran Lives matter as well supports observing the Decade.

• Close collaboration with the Lutheran Office for World Community, Lutheran World Federation and ELCA’s advocacy office at the U.N.

• A preaching workshop in Liberia; At the request of the Rev. D. Jensen Seyenkulo, bishop of the Lutheran Church in Liberia (LCL), a preaching workshop was held in November 2016. This workshop, sponsored by Global Mission, was part of a pilot project to enhance leadership and capacity building of church companions. At the same time, it gave ELCA pastors of color a glimpse of mission in Africa. The workshop was facilitated by members of the Madagascar West and Central Africa team along with two congregationally called African American pastors of the ELCA. There were 82 participants from the LCL, the Evangelical Lutheran Church in Sierra Leone and the Lutheran Church in Guinea (LCG). The LCG is a young and growing church being nurtured by the leadership of the LCL. The workshop consisted of three days of instruction emphasizing preaching law and gospel and practicing the art of “Celebration,” an element of the Black (American) preaching.

---

style. Along with plenary sessions the participants worked in six small groups. On the fourth day, two participants from each small group preached a 12-minute sermon. The workshop was well received and facilitators from the ELCA who had never visited West Africa grew in their understanding of mission and their capacity to engage cross culturally.

**VOTED:**

**CC17.03.10t**

To receive the report from the Domestic Mission unit on actions related to the **500th anniversary of the Lutheran Reformation and the U.N. International Decade for People of African Descent; and**

To thank the churchwide staff and the ethnic associations for their intentional efforts to educate and raise awareness of the contributions of African descent Lutherans as part of these observances.
