A world experiencing the difference God’s grace and love in Christ makes for all people and creation.

Together in Jesus Christ we are freed by grace to live faithfully, witness boldly and serve joyfully.

A world experiencing the difference God’s grace and love in Christ makes for all people and creation.

Telling the story of the church we are becoming:

confident about who we are in Christ and what God is calling us to do.

Leadership

The future of this church relies on the leaders of tomorrow – and it takes all of us to identify, encourage and equip those being called to ministry, in all of its forms, including leadership for our mission in the world.

The harvest is, indeed, plentiful. We need more laborers, lay and rostered, to provide the ministry and leadership that will, by grace and in the power of the Spirit, assist the church in moving forward faithfully and energetically into God’s unfolding future.

We share in the responsibility to:

- Pray for and empower potential leaders in our midst
- Promote the various forms and varieties of services that our church has to offer – from serving as a pastor, to serving overseas
- Support our leaders with our actions, words and financial resources

As the ELCA looks ahead to the future, we aspire to have congregations whose faith shines in their relationships with God, each other and their community. Vital congregations experience heightened worship, prayer, study of scripture, and sharing of testimony as they discern the presence and will of God in their midst.

Matthew 5:14-16.

You are the light of the world. A city built on a hill cannot be hid. No one after lighting a lamp puts it under the bushel basket, but on the lampstand, and it gives light to all in the house. In the same way, let your light shine before others, so that they may see your good works and give glory to your Father in heaven.
Vital congregations do these three things:

1. Strengthen their relationship with God
   - a. Leadership articulates how God shows up in and through the congregation and its people
   - b. The congregation has a clear understanding of God's larger mission and members know their purpose in this time and place
   - c. The congregation can articulate that purpose and create a plan for implementation

2. Nurtures relationships
   - a. Relationships among leadership, pastor(s) and staff, and members create a loving community with good communication
   - b. People work together respectfully through successes and challenges
   - c. There is a sense of ownership and belonging that drives the commitment and engagement in the mission of the church

3. A strong presence in the community
   - a. The congregation opens its doors to welcome the stranger and goes beyond its doors to share the love of Jesus Christ
   - b. Creates and nurtures partnerships within the community to make a positive impact on the strength of the community
Our Values

Our values are grounded in faith, in our biblical and Lutheran confessional sources and our love of God and neighbor. They speak to the way this church lives and practices our faith, and they will guide how we journey forward in Christ as church together.
