Please check here if you would like a card for each of your gifts delivered to your home. Please allow two weeks for delivery.

Your donation will be used where it is needed most within the wider category of each gift you've selected. For example, a gift of vaccinations may be used to support other health care initiatives. This allows our church to stay adaptive, flexible and effective in the work that we do. Because we seek to honor your generosity and keep administrative costs low, we do not track individual financial gifts to specific families or locations in the U.S. or abroad.
