

ENDORSEMENT ESSAY

MAY 2023

Dear candidate for rostered ministry:

The positive Entrance decision you received some time ago recognized you as a baptized person with gifts and potential for rostered ministry in the Evangelical Lutheran Church in America. The candidacy committee of your synod expressed confidence in your ability to begin preparation and formation for public ministry through theological study and personal growth and development. You are now ready to be considered for Endorsement, the next step in the ELCA candidacy process.

Endorsement provides an opportunity to assess progress and review your development in your preparation for ministry. The ongoing discernment of your call has been a focus since your entrance decision was made. The areas of development to be addressed are:

- Personal and interpersonal skills for ministry
- Educational and theological ability
- Spiritual formation and faith
- Understanding of call to ministry

As you declare the particular office of ministry to which you feel called (Word and Sacrament, Word and Service), you are asked to reflect on your identity in light of that call. A positive Endorsement decision by your candidacy committee reflects the committee's confidence in your formation and growth.

We welcome you to this next step in candidacy and pray that God's Spirit will guide you in this time of reflection and assessment.

Sincerely,

The Rev. Cherlyne V. Beck, Director of Candidacy, Candidacy Leadership Manager – Region 6

Ms. Cynthia Zamora, Program Manager, First Call Process and Candidacy

Ms. Sandra Mejia-Vega, Program Manager, Candidacy Data and Resource Development

and your partners in the Christian Community and Leadership home area
