

## How to Apply for an ELCA Fund for Leaders Scholarship online via ELCA GrantMaker

Starting in December 2017, the ELCA Fund for Leaders scholarship application process will be completed online through an application system called ELCA GrantMaker. Supporting documentation from seminaries, synods, and recommenders will either be included with the online application or submitted to Fund for Leaders separately.

To ensure that your experience with ELCA GrantMaker is as smooth as possible, we have prepared the simple reference below to guide you through each step of the application process. Please read these instructions thoroughly and use them as you navigate the system for the first time. You can always contact us directly if you have any questions.

**Step 1 offers helpful tips for a successful application.** Following these guidelines will ensure that your application is completed and submitted correctly.

**Step 2 is a quick reference guide to help you register for an account in the ELCA GrantMaker system. You must request an account and be approved by the ELCA before you can access the applications.** This registration approval may take a few days to process, so make sure to register early to allow yourself time to complete your application before the deadline. Applicants should only register in the ELCA GrantMaker system once (regardless of how many ELCA Grants/Scholarships you apply for) – if you forget your password, you will be able to re-set it.

*NOTE: Step 2 ONLY applies to Full-Tuition Scholarship and Federal Chaplaincy Ministries Scholarship applicants, who will be initiating their own registration. Applicants who have been nominated to apply for a Mission Developer/Redeveloper, Synod or Congregation Scholarship will be pre-registered and receive instructions for accessing their application directly from Fund for Leaders.*

**Step 3 is a quick reference guide to help you access and complete a scholarship application.** Please read these instructions very carefully before beginning your application. We also encourage you to read the entire application form before you start filling it in. There can be many requirements for a complete application (including essays, videos and document uploads), and so reading the entire application will help you complete the requirements in time for the deadline.

If you have any difficulty accessing the application process, please email us immediately at [FundforLeaders@elca.org](mailto:FundforLeaders@elca.org).

Please read the rest of this document carefully. **We look forward to receiving your application by February 16, 2018.**

## Tips for a Successful Scholarship Application

- 1. Use the correct application form:** There are multiple scholarships offered by the ELCA Fund for Leaders. Make sure to fill out the application for the scholarship that applies to you.
  - The **ELCA Fund for Leaders Full-Tuition Scholarship** is for students who will be enrolled full-time as a junior at an ELCA seminary next fall. Students must have begun the process of seeking candidacy for rostered ministry in the ELCA. These scholarships are awarded to students for the duration of their required seminary coursework. A full list of qualifications is included in the application.
  - The **ELCA Fund for Leaders Federal Chaplaincy Ministries Scholarship** is for students who are attending an ELCA seminary full-time and are preparing for ministry as a Military, Veterans Administration (VA) or Federal Prison chaplain. This scholarship is awarded through ELCA Federal Chaplaincy Ministries.
  - The **ELCA Fund for Leaders Mission Developer/Redeveloper Scholarship** is for students who are full-time rising middle, seniors or TEEM candidates at an ELCA seminary, are participating in the mission developer/redeveloper program at their seminary, and are nominated by their seminary to apply. Do not complete this application unless you have received an invitation to do so.
  - The **ELCA Fund for Leaders Synod or Congregation Scholarship** is offered to ELCA seminary students by synods and congregations that have established a scholarship fund through Fund for Leaders. Do not complete this application unless you have received an invitation from your synod or congregation to do so. You will be asked to select the name of the specific award for which you are applying from a menu provided in the application.
- 2. Submit the application by the due date:** Applications received after the due date may not be considered. Note that *all* application materials are due by Feb. 16, 2018. It is your responsibility to ensure that all recommenders, synods, etc. submit their materials to FFL on time. Federal Chaplaincy Ministries and Synod or Congregation Scholarship application information and dates will be posted in early 2018.
- 3. Prepare in advance for necessary documents:** You will be required to upload supplemental documents and to download documents for someone to submit on your behalf. You will likely need to obtain documents like transcripts, recommendations, and candidacy verification from your synod. Plan in advance so these documents are complete and submitted to us before the February 16, 2018 due date. If you have problems downloading the blank forms or uploading your completed documents into the online application, email [FundforLeaders@elca.org](mailto:FundforLeaders@elca.org).
- 4. For Full-Tuition scholarships: Secure an offer of admission to one or more ELCA seminaries as early as possible.** To be eligible to apply, you must provide a letter offering you admission from at least one ELCA seminary. If you have been offered admission by multiple ELCA seminaries, you will need to provide each seminary's letter. Full-tuition scholarships may be used at whichever ELCA seminary you decide to attend. If you are already enrolled in classes for the Spring 2018 semester, your seminary will need to provide verification that you will still have junior status in the Fall 2018 semester.
- 5. Check your email as often as possible:** After applying for a scholarship, you can expect to receive email communication from Fund for Leaders and from ELCA GrantMaker. It is your responsibility to read these emails, save them for your records and respond as quickly as possible. It is also your responsibility to ensure that all components of your application are submitted by the application deadline and to notify Fund for Leaders of any change in the status of your candidacy or your seminary enrollment. If you believe you should have received communication from us but have not, please contact [FundforLeaders@elca.org](mailto:FundforLeaders@elca.org).
