

# We help you go mobile

Create a mobile guide for your synod or assembly

Thanks to a partnership between the ELCA churchwide organization and Guidebook, a leading mobile app developer, you can make a mobile guide to help people feel at home at your synod assemblies.

- Send push messages with urgent updates
- Provide searchable, customizable schedules and agendas
- Allow people to access meeting materials and handouts.

## Synod Guide:

We build it for you: \$1,500 (Usually \$5,000)

You build it yourself: \$500 (Usually \$3,500)

See page two of this handout for steps for getting started with your synod guide.

Or just call us at [\(650\) 319-7233](tel:6503197233) or email [contact@guidebook.com](mailto:contact@guidebook.com)

## Steps for Getting Started

1. Contact Logan Ridge at [Logan@guidebook.com](mailto:Logan@guidebook.com) or at 650-319-7233 x124
2. Logan will send you a contract via DocuSign to sign up for a \$500 Synod Guide on the ELCA app.
3. If you don't have one yet, create a Builder account here: <https://guidebook.com/unity/signup>, and let Logan know when that is completed.
4. Logan will apply your Guide Credit, so you can start building right away.
5. Guidebook will send you an invoice that will allow you to pay via check or credit card.
