

## LUTHERAN DISASTER RESPONSE

Lutheran Disaster Response brings God's hope, healing and renewal to those whose lives have been disrupted by disasters, in the United States and around the world. When the dust settles and the headlines change, we stay to provide ongoing assistance to those in need.

Internationally and throughout the United States, Lutheran Disaster Response makes sure that each community receives the physical, mental and emotional care needed to recover from a disaster.

In the United States, Lutheran Disaster Response works through 39 local affiliates across the country to respond to a disaster from a local level. This is a crucial element of our work because each affiliate has the partnerships, the connections, and

the history with the community to help determine what is needed for the recovery work – these organizations provide help to affected homeowners and communities by helping them muck out, clean-up and rebuild.

Internationally, we work through the long-standing relationships of the ELCA with global companions and partners. These relationships allow, Lutheran Disaster Response to take into account not only the immediate needs of the moment but the long-term goals of the communities in which we engage.

Through your generous gifts we have the staying power to be there as long as needed. Thanks to you, Lutheran Disaster Response is in it for the long haul.
