

ELCA MALARIA CAMPAIGN: WE DID IT!

SEPTEMBER 2015

www.ELCA.org/malaria

We have incredible news! The ELCA Malaria Campaign just reached its fundraising goal of \$15 million! Thank you for being a part of this monumental milestone and helping us protect countless lives from this preventable, treatable disease. **We couldn't have done it without you!**

Five years ago ELCA members, congregations and synods came together, dreamed big with our Lutheran companion churches and partners, and set out to raise \$15 million for malaria programming. **Today we celebrate all that we have accomplished together.**

Working with our Lutheran companions and partners in 13 African countries, we have brought about lasting change. But our work is not over. While the ELCA Malaria Campaign will come to an end on Jan. 31, 2016, our commitment to ending deaths from this disease will not. In the coming years, support to our companions and partners to address malaria will come through gifts to ELCA World Hunger, which has a long history of supporting health-related work.

Without you, none of this would have been possible. Thank you for your prayers, your partnership and your generosity.

Together we have made a great impact!

Your gifts have helped educate more than 2 million people, distribute 50,000 nets, test 160,000 people and treat if positive, empower 12,000 households economically, provide 32,000 pregnant women prevention medication, and so much more.

Thank you!
