### SACRIFICE

What form does “giving according to your means” take in your life today?

When has someone made a sacrifice to give you something that seemed excessive?

When have you made a sacrifice so that you could give to someone beyond your means?

### GIVE FREELY

When and where have you given something freely?

What does it feel like to give something away with no strings attached?

What would others be willing to testify freely about your giving?

When have you said “yes” to something that required your full involvement?

When you see the work this church does in your community and beyond, do you see yourself as a donor, recipient or spectator? Why?

How do you feel about being worthy of God's total involvement on the cross?
