God's work. Our hands.

# We did it!

Thanks to you.

I have incredible news! The ELCA Malaria Campaign just reached its fundraising goal of \$15 million! Thank you for being a part of this monumental milestone and helping us protect countless lives from this preventable, treatable disease. **We couldn't have done it without you!**

Five years ago ELCA members, congregations and synods came together, dreamed big with our Lutheran companion churches and partners, and set out to raise \$15 million for malaria programming. **Today we celebrate all that we have accomplished together.**

Working with our Lutheran companions and partners in 13 African countries, we have brought about lasting change. But our work is not over. While the ELCA Malaria Campaign will officially come to an end on Jan. 31, 2016, our commitment to ending deaths from this disease will not. In the coming years, support to our companions and partners to address malaria will come through gifts to ELCA World Hunger, which has a long history of supporting health-related work.

Without you, none of this would have been possible. Thank you for your prayers, your partnership and your generosity.

Together in Christ's service,

*Christina*

**DID YOU KNOW...** the ELCA Malaria Campaign is just one of 10 priorities for the ELCA's first-ever comprehensive campaign, *Always Being Made New: The Campaign for the ELCA?* While we've hit our \$15 million goal for the ELCA Malaria Campaign, there are still many more ministries that need your support. Through this campaign, we hope to raise \$198 million by Jan. 31, 2019, to help our church grow our communities of faith, form new leaders, welcome our neighbors, confront hunger and poverty, accompany our global churches and so much more.
