God's work. Our hands.

# Rostered Ministers Appreciation

*Celebrating*  
our leaders  
while supporting  
the next generation!

**“Let the elders who rule well be considered worthy of double honor, especially those who labor in preaching and teaching.” (1 Timothy 5:17)**

Doing God’s work in the world calls for leaders who bring a variety of training, skills, interests and life experiences to the work they do in congregations, communities and partner organizations. Whether serving as a pastor or deacon, rostered ministers carry out the work and mission of this church, sharing God’s love with the world through the good news of Jesus Christ.

We are joining congregations across the Evangelical Lutheran Church in America for Rostered Ministers Appreciation to show our appreciation for our church’s leaders while supporting the next generation of leaders through the ELCA Fund for Leaders and Youth and Young Adults. This is our opportunity to thank our congregation’s rostered ministers for all they do!

Through *Always Being Made New: The Campaign for the ELCA*, our church is heightening our efforts to accompany youth and young adults in their faith journeys and support talented, gifted students as they prepare to begin a life of ministry – the future leaders of this church. With a five-year, \$19 million goal, the campaign’s Leadership priority, including Fund for Leaders and Youth and Young Adults, gives us the opportunity to invest in the future of the ELCA.

With your support, we will ensure future leaders can respond to the call to serve, just like our rostered ministers.
