

LUTHERAN DISASTER RESPONSE
SOUTH SUDAN CONFLICT RESPONSE

FEBRUARY 2014

www.ELCA.org/disaster

Thousands of people have been killed and more than 800,000 have fled their homes since fighting erupted in South Sudan. While neighboring countries have opened their borders to receive refugees, resources are running thin.

"I have waited in line three days for water."

"We do not have any water for cooking or bathing," one woman describes the current situation in the Nyumanzi Settlement in Uganda.

We are a church that rolls up our sleeves and gets to work. Providing water is just one of the ways Lutheran Disaster Response is committed to walking with our brothers and sisters affected by this crisis. We are assisting people fleeing from the violence within South Sudan and those who have reached neighboring countries of Ethiopia, Uganda, Kenya and Chad.

But we can't do this alone. **Your gifts designated for the South Sudan Conflict Response will be used in full (100 percent) to assist those directly impacted.** Working with local partners who are on the ground, The Lutheran World Federation and the Episcopal Church of Sudan, your gifts will provide protection and life-saving essentials. Thank you for your prayers, your partnership and your gifts.
