**Evangelical Lutheran Church in America**  
God's work. Our hands.

MOSAIC is an ELCA affiliated organization that provides a life of possibilities for people with intellectual disabilities through a variety of individualized services and supports, offering people a meaningful life in a caring community, giving a voice to their needs. MOSAIC has 36 agencies located in 10 states as well as an international program.

MOSAIC also seeks to assist parishes in their ministries with, among and for people with intellectual disabilities, as well as provide sensitivity training for youth and adults who seek to better understand persons with intellectual disabilities. Mosaic will partner with faith communities that desire to help all people be fully integrated into the life of the community.

"We offer children's educational materials to churches and congregations, and are also available to help your congregation learn more about Mosaic by sharing with you our mission, vision and passion for those being served through one-hour events called Discover the Possibilities."
