## Teach in Central Europe

ELCA's companion churches and schools in Central Europe invite you to teach English and other content subjects for one school year or longer. Each year 12-15 volunteers teach in one of the affiliated schools of the [Evangelical Church of the Augsburg Confession](#) in Slovakia, or at the [Lutheran Secondary School in Cieszyn \(LOTE\)](#) in Poland. Schools in Slovakia are located in Bratislava, Liptovsky Mikulas, Tisovec and Kosice.

Volunteers teach English language, literature or other subjects in an academic program to students in 8th to 13th grades, following the school curriculum. Some schools focus on utilizing the ELCA teachers in conversation classes. The students come with a working knowledge of English. Most graduates go on to universities within their home countries or abroad.

Teaching 16-22 hours a week in classes of 12-18 students, teachers need to be creative, flexible and prepared to assume heavy demands of time and energy. This is an exciting time to be teaching in Central Europe. Teachers can help students develop language and other skills that will enable them to move ahead in their chosen careers and to serve their church or society.

Preference will be given to applications received by March 1. To apply, visit the [ELCA Job Board](#).
