

LUTHERAN DISASTER RESPONSE  
**TYPHOON HAIYAN: ONE YEAR LATER**

NOVEMBER 2014

[www.ELCA.org/disaster](http://www.ELCA.org/disaster)

One of the most powerful storms ever recorded, Typhoon Haiyan, crashed across the central islands of the Philippines one year ago. Millions of lives were impacted and people like you responded generously with prayers and financial support. **Thank you.**

Lutheran Disaster Response works with an extensive network of partners who are actively engaged with communities on the ground. When Typhoon Haiyan hit the Philippines, conversations were already taking place. Within days after the typhoon made landfall our trusted partner, Lutheran World Relief, was responding to those

affected. And a year later, we are still there, continuing our work with Lutheran World Relief and working with the National Council of Churches in the Philippines.

Gifts from people like you made it possible for the church to respond – bringing help, hope and healing to neighbors in their time of need. Your undesignated gifts to Lutheran Disaster Response allow for a flexible and quick response, where needed most, during times of need. Please continue to pray for people and communities in the Philippines as they continue to not only rebuild their homes, but their lives as well.
