

LUTHERAN DISASTER RESPONSE
U.S. WILDFIRES

DECEMBER 2017

ELCA.org/disaster

Fast-moving wildfires fueled by intense winds have forced tens of thousands of people to flee their homes in Southern California just weeks after fires destroyed more than 8,000 structures and led to more than 40 deaths in the state.

Although the extent of the damage is not yet known, Lutheran Disaster Response, which has a long history of working in the aftermath of wildfires in California, and its partners and affiliates, including Lutheran Social Services of Southern California, are

prepared to help those affected by wildfires. Your gifts will help make possible a robust response on the long road to recovery for survivors.

Gifts to Lutheran Disaster Response designated for “U.S. wildfires” will be used to help those affected by wildfires until the response is complete. Together, we can help provide both immediate and long-lasting support. Give today to support this response and others like it.
