HOW TO USE THIS GUIDE

As members of the Evangelical Lutheran Church in America (ELCA), we are called to be part of God’s work in the world. Through ELCA World Hunger, our church creatively and courageously works toward a just world where all are fed. Together, we achieve things on a scale and scope we could never do otherwise.

Chances are your congregation is already making a difference in the fight against hunger and poverty by serving your neighbors, raising funds and collecting in-kind donations. First, thank you! This guide is designed to help you continue this good work with some new and popular resources.

Coming Lent 2018.**

See a new side of the 40 Days of Giving. Starting in Lent 2018, we're lifting up several programs in India, Malawi and the United States that urgently need your support. Choose a program and walk alongside our neighbors as they address hunger in their communities.

ELCA.org/40days

What's next?

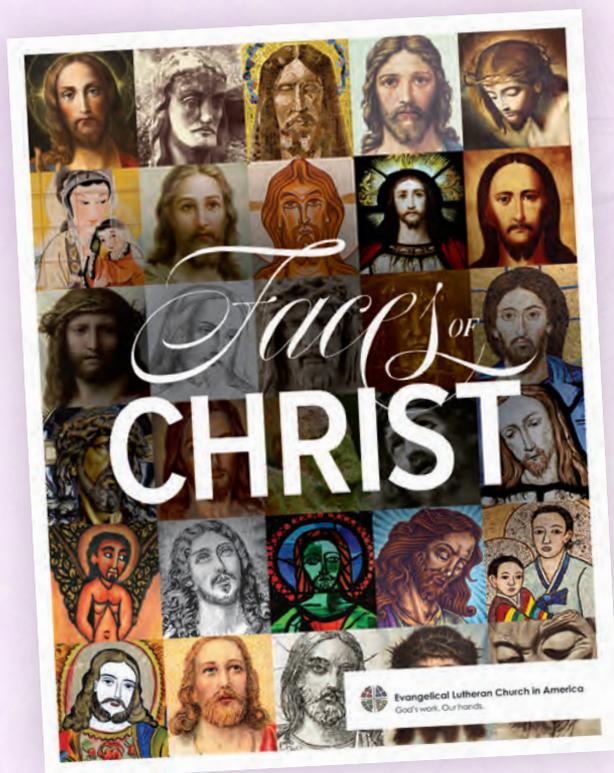

Visit ELCA.org/40Days for more information and project-specific bulletin inserts as they become available. Please begin planning your congregation's participation and fundraising now. Online giving will open on Ash Wednesday (Feb. 14, 2018) and continue through Easter (April 1, 2018).

If the funds raised for a specific program exceed the goal amount, the additional funds will be used to address a similar need in that country or region. And check back often – new programs and projects may be unlocked if our goals are met.

Please help us make sure that we can continue to fund this life-saving, life-changing work in 2018.

The 40 Days of Giving starts Feb. 14, 2018.

Lenten litany

Ever-present God, with dry land, a rainbow and a word, you established your covenant with Noah, promising new life to all creation;

"Return to the Lord, your God, for the Lord is gracious and merciful, slow to anger, and abounding in steadfast love" (Joel 2:13);

With a new name and a future of hope, you established your covenant with Abraham and claimed him as your own;

"Return to the Lord, your God, for the Lord is gracious and merciful, slow to anger, and abounding in steadfast love";

With manna from skies and water from stones, you led your people from slavery to freedom, marking your promise to them, that they would be your covenant people, and you, their refuge;

"Return to the Lord, your God, for the Lord is gracious and merciful, slow to anger, and abounding in steadfast love";

Through the prophets, you called your people to new relationship with you, establishing a renewed covenant through your servant Jeremiah: "I will be their God, and they shall be my people";

"Return to the Lord, your God, for the Lord is gracious and merciful, slow to anger, and abounding in steadfast love";

You sent your Son, Jesus Christ, that in his life, death and resurrection, your covenant with all creation may be established for all time, that from generation to generation, all may proclaim the blessings of your coming reign;

"Return to the Lord, your God, for the Lord is gracious and merciful, slow to anger, and abounding in steadfast love";

Dry land, a name, deliverance, renewal, resurrection – through these gifts, O gracious God, you establish your covenant with us and our ancestors. Bless the gifts we offer our neighbors, that all may share in the abundant, steadfast love that draws us near to you.

Amen.

Hunger Catechism

ELCA World Hunger's new "Hunger Catechism" series can be plugged in to confirmation and catechism classes or given to mentors to spark conversations with youth. Each of the three handouts already developed dives deep into the Small Catechism, with short introductions to Luther's teaching, questions for discussions and real-life examples. Sessions on "You shall not steal," "You shall not kill," and "Give us this day our daily bread" will be available for download in January 2018.

Souper Bowl of Caring

Did you know American consumers spend more than \$10 billion on food and other items for the Super Bowl each year? Imagine if those dollars were instead put toward ending hunger. This year, support the work of ELCA World Hunger by getting your congregation involved in Souper Bowl of Caring, a national effort to transform the time around the big game into the nation's largest celebration of giving and serving. Youth are encouraged to take up a collection, with gifts designated to ELCA World Hunger, asking for one dollar or one food item for people in need, culminating on Super Bowl Sunday. Find resources, register to be a part of the movement and more at SouperBowl.org.

World Water Day

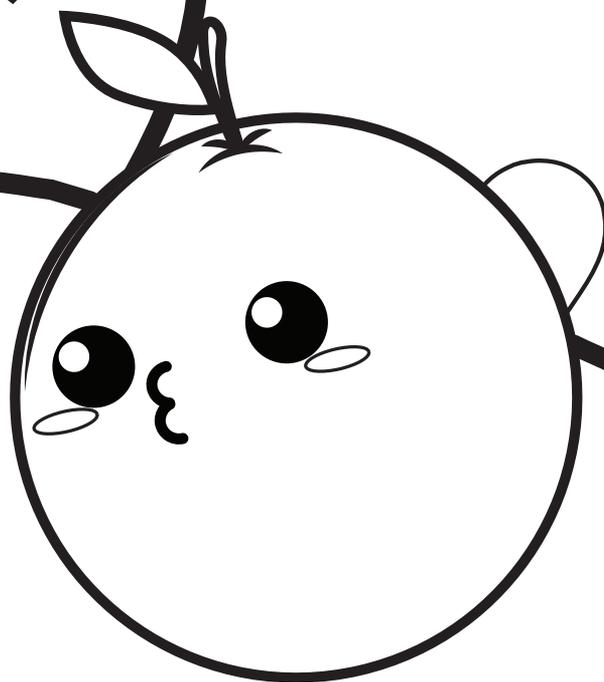

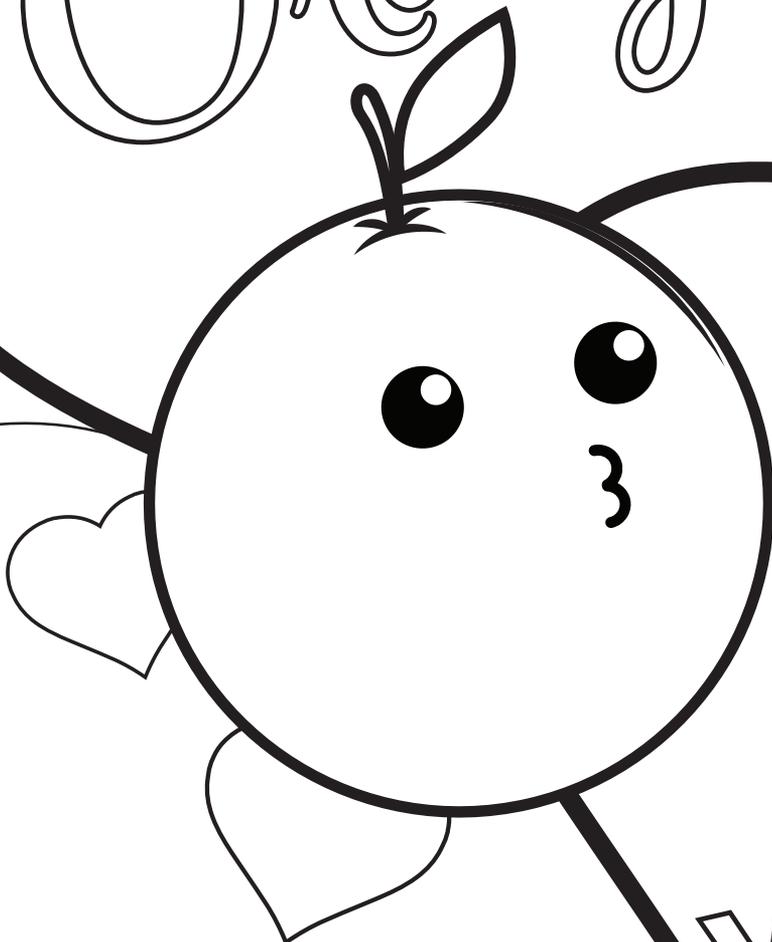

For World Water Day 2018, bring the ELCA World Hunger Walk for Water track experience to your congregation. The DIY kit gives you step-by-step instructions on how you can create firsthand what it is like to carry a 5-gallon jug of water (41.5 pounds) through a simulated water collection experience. Throughout the simulation, each person follows one of four "stories" to guide them along the track. Along the way, participants are confronted with different obstacles that help them realize some of the struggles those walking for water may encounter.

Not long after being planted, a fruit-tree provides nutritious fruit to help children and families stay healthy and free from hunger, year after year. These trees are especially valuable in countries with dry climates. Certain citrus varieties, like tangerine trees, thrive in the driest conditions and help families survive drought.
