## Wellness

Are you preparing your body for the Gathering? Here are some tips to help you start preparing:

1. Start walking! We encourage everyone to start taking long walks outside as part of your Gathering preparation. You will be walking a lot while you're in Houston, so get your body used to moving!
2. Since you're walking, make sure you have good shoes. If you're getting new shoes, start breaking them in now. Nothing is worse than having to deal with blisters while navigating your Gathering experience.
3. Drink water. Houston is very hot and very humid; your body is going to need lots of water. Start hydrating your body now.

## A quiet space at the Gathering

Adults are welcome to take a break at the adults-only “Chill” Space during the Youth Gathering. Come to Rooms 104-107 in the NRG Center for a quiet, comfortable place to sit and to enjoy some refreshments. It's open Thursday through Saturday, from 9 a.m. to 5 p.m. All advisers, youth pastors and chaperones are invited to stop by.

The “Chill” Space is sponsored by the [Mission Investment Fund of the ELCA](#) and the [ELCA Federal Credit Union](#).
