*On the cover: The Lutheran Theological Seminary at Gettysburg. Samuel S. Schmucker (1799-1873) was one of the founders of the General Synod in 1820 and its theological seminary at Gettysburg, Pa., in 1826. Schmucker taught at the seminary until 1864. Controversial for his revisions to the Augsburg Confession, Schmucker promoted a pietistic American Lutheranism that emphasized Protestant unity. Photograph by the Rev. John R. Spangler. # EVANGELICAL LUTHERAN CHURCH IN AMERICA 2006 UNIT SPENDING ALLOCATIONS

This church shall seek to function as people of God through congregations, synods, and the churchwide organization, all of which shall be interdependent. Each part, while fully the church, recognizes that it is not the whole church, and therefore lives in a partnership relationship with the others (*ELCA Constitution, Chapter 8, provision 11*).

The Evangelical Lutheran Church in America shall have a churchwide organization that shall function interdependently with the congregations and synods of this church. The churchwide organization shall serve on behalf of and in support of this church's members, congregations, and synods in proclaiming the Gospel, reaching out in witness and service both globally and throughout the territory of this church; nurturing the members of this church in the daily life of faith, and manifesting the unity of this church with the whole Church of Jesus Christ (*ELCA Constitution, Chapter 11, provision 11*). This budget was approved at the 2005 Churchwide Assembly in alignment with the adopted proposals in "Faithful Yet Changing: Design for Mission Through the Churchwide Organization of the ELCA."

This unit is responsible for the mission of the ELCA outside the United States and includes ministries that enable this church to deepen and extend its global, ecumenical, and interreligious relationships. The division accompanies companion churches and inter-Lutheran and ecumenical partners to make Christ known through proclamation and service in other countries, facilitates dialogue with people of other faiths, and engages in common efforts to build just and peaceful communities. It develops and recommends policy relating to international relationships and activities and develops programs on behalf of the ELCA. It assists ELCA congregations, synods, other churchwide units, and agencies and institutions to receive the gifts of companion churches. Through the coordination of the Church in Society unit, the Global Mission unit assists this church to act as a public church in matters of global concern. Global Mission serves as the primary channel through which churches in other countries engage in mission with and to the ELCA.

The Church in Society Program Unit leads this church in stepping forward as a public church that witnesses boldly to God's love for all that God has created.

This unit studies social issues, prepares social statements for this church's consideration and action, and promotes moral deliberation. Congregations receive assistance in developing programs and strategies that help people in poverty, in caring for creation, and in developing their communities. This program unit is responsible for domestic refugee concerns and, accordingly, relates to Lutheran Immigration and Refugee Service and other international agencies.

The Church in Society unit coordinates the ELCA World Hunger Program. It administers ELCA Domestic Disaster Response and, in cooperation with the Lutheran Church—Missouri Synod, Lutheran Disaster Response.

The unit is responsible for this church's ministry of service through some 280 affiliated social ministry organizations. It grants and maintains church affiliation with these organizations and through Lutheran Services in America develops a comprehensive delivery system among social ministry organizations, congregations, and community organizations.

The program unit for Church in Society carries out this church's advocacy with national and international governmental bodies and with institutions in the private sector and coordinates its advocacy with state governments.

As people of God, we are claimed, gathered, and sent to make Christ known in every corner of the world to help develop strong ministries and leaders. This unit leads, coordinates, educates, and holds accountable churchwide efforts and programs with synods, regions, and agencies and institutions as they identify, develop, and strengthen the multicultural dimensions of their work. This unit has the responsibility to coordinate the churchwide implementation of ethnic-specific strategies and has the authority to coordinate, review, and monitor all churchwide programs to maintain and enhance the ELCA's central commitment to become an antiracist, multicultural church. Fundamental to the work of this unit is a church that upholds a zero tolerance of racism to achieve justice and equality for all people.

The ELCA Communication Services unit coordinates an overall communication strategy for this church for internal and external audiences. It manages the ELCA's presence on the World Wide Web ([www.elca.org](http://www.elca.org)) and provides administrative oversight for *The Lutheran* magazine. The ELCA News Service gathers and disseminates news about this church and its members, and places guests and features in public media. The unit responds to inquiries about this church through its Resource Information Service (800/638-3522), and facilitates dialog around the church and ecumenically through the Luther-Link online community.

ELCA Communication Services provides public relations counsel and support to the churchwide organization and synods and, on behalf of all churchwide units, interprets the work of this church to its internal and external audiences and produces *Seeds for the Parish* for congregational leaders. The unit coordinates marketing of the ELCA and provides communication evangelism resources for congregations ([www.elca.org/elcaads](http://www.elca.org/elcaads)). It produces the *Grace Matters* radio program and MOSAIC Television, and Davey and Goliath, as well as programming for national television networks. It also provides for non-English translation of interpretation and resource materials, provides media education, produces events, and maintains relationships with communication offices of other church bodies and ecumenical agencies.

*The Lutheran* is the periodical of the Evangelical Lutheran Church in America. Circulation is 380,000, reaching about one-half of the households of ELCA members. Published 12 times each year, the magazine tells the story of the church, its people, and the world of religion through sections titled "People and Faith," "Congregations and Community," and "Church and World." Each issue also includes "Currents," a section offering perspectives on issues in the news, and an in-depth treatment of a topic suitable for group study. News supplements are included for most synods. The Church Council elects the editor for a four-year term, and an 11-member advisory committee, elected by the Church Council, has responsibility for the magazine.

The Foundation of the ELCA assists individuals and congregations in creating and implementing gift plans in support of ministries within the Evangelical Lutheran Church in America. The Foundation conducts a program encouraging major and planned gifts on behalf of this church, its congregations, synods, churchwide units, agencies, and institutions. Among the services the Foundation offers: consultation and support to members, offering educational materials and seminars on planned giving without cost or obligation, working in partnership with congregations, synods, and ministries of this church to identify prospective major and planned gift donors, and helping individuals and congregations invest in ministries of the ELCA.

# CONFERENCE OF BISHOPS

**8765 West Higgins Road  
Chicago, Illinois 60631-4101  
Telephone: 773/380-2553**

The Conference of Bishops meets at least twice a year. Made up of the 65 synodical bishops as well as the presiding bishop and secretary of this church, the conference provides opportunities for worship, spiritual renewal, and theological enrichment for those serving in these capacities. Staff services for the Conference of Bishops are provided by the Synodical Relations section. The Conference of Bishops provides a first call/appointment process for candidates and support resources for rostered persons.

The conference has a special relationship with the Vocation and Education program unit as it reviews recommendations related to ordained ministers and rostered laypersons. The synodical bishops also work closely with the Ecumenical and Inter-Religious Relations section in developing ecumenical documents and promoting Christian unity.

# ROSTER OF CONGREGATIONS

As of September 16, 2005

The roster of congregations includes all member congregations as well as forming congregations of the Evangelical Lutheran Church in America. All changes and corrections in this roster should be reported to the office of the synod in which the congregation is located. The synod office will report the changes to the Office of the Secretary of the Evangelical Lutheran Church in America. Congregation e-mail address changes may be reported directly to the Office of the Secretary at [conginfo@elca.org](mailto:conginfo@elca.org). Links to congregation Web sites can be found on the ELCA Web site, [www.elca.org](http://www.elca.org). Information about linking a congregation's Web site to the ELCA Web site is also available at [www.elca.org](http://www.elca.org).

Congregations under development have been included on the roster through September 16, 2005. (Refer to the listing of congregations under development on pages 308-312.) Congregations that have consolidated, merged, withdrawn, or disbanded are identified on the roster through September 16, 2005.

The location of the congregation is listed on the first line with the mailing address following on the second line. If the location and mailing address are identical, the address and zip code are listed on the first line.

Membership and financial statistics are those reported by the congregations as of December 31, 2004. An asterisk (\*) preceding the membership statistics of a congregation indicates that statistics for 2004 were not available and figures are those of a previous year.

The names in the Called Staff column are those of pastors, associates in ministry, diaconal ministers, and deaconesses called by the congregation's.

The membership statistics are: **BAPT.**—baptized membership; **AV. ATT.**—average worship attendance. The financial statistics are: **CURR. EXPENSES**—current operating expenses; **BENEV.**—the sum of Mission Support, World Hunger Appeal, Disaster Response, Mission Partners, Missionary Sponsorship, Mission Founders, specific mission support (designated gifts), Vision for Mission offering, synod special benevolences, local community benevolences, and other benevolences.

Each congregation's five-digit identification number is shown after the region/synod designation.
