

2023 Domestic Grants

ELCA World Hunger's domestic grants accompany congregations and their partners throughout the United States and Caribbean as they draw on the strengths of communities to address local issues such as food security, housing, job access, clean water, human rights, policy change, leadership development and more. Together, these ministries are part of a comprehensive approach to breaking the cycle of poverty and hunger – for good.

ELCA World Hunger gives thanks for the **149** domestic ministries that will be putting **\$2,783,430** to work through ELCA World Hunger grants domestically in 2023:

- **53** ministries across this church have been awarded **2023 Domestic Hunger Grants** for a total 3- year (2023-2025) investment of \$1,483,625 with an average 3-year award of \$9,331 per ministry(*).
- **50** ministries awarded **2022 Domestic Hunger Grants** and **45** ministries awarded **2021 Domestic Hunger Grants** will receive continued funding in 2023 for a total investment of \$1,135,286 in ministry through Domestic Hunger Grants.
- **Big Dreams** don't happen overnight or in a year so in a move toward more sustainable funding for our partners we are continuing to partner with the **Twelve** ministries from last year for a total two-year investment of **\$1,648,144(†)**.
