CANVA TEMPLATES

## HOW TO USE TEMPLATES

In this PDF, click on the template that you'd like to use. Then hit **FILE** on the top banner of canva.com.

Next, click on **Make a copy**. If you have a Canva account, you'll be taken to the template to edit and customize. If you do not have an account already, you'll need to create a free account with Canva.

Now it's time to get creative! We ask that you follow the Gathering's brand guidelines that can be found in our **Branding Materials** resource on the [Gathering's website](#).
