There's no limit to God's love. Christ is dwelling in our hearts through faith when all the push-in' comes to shove. You are beloved. God is work-in' in so many ways that we cannot imagine. The boundless love of God. The boundless love of God beyond measure, measure. The boundless love of God. The boundless love of God is forever, forever! The fullness of the love will always be enough. It's living within us for all millennia. The boundless love of God. The bound-
Verse 2 (Rap)

- less love of God is forever, unmeasured. It ain't too

high, wide, deep, or long, the love of God keeps keepin' on.

Stand-in' firm and rooted deep because the Lord, our God, has chosen me.

Wonderful! Glorious! Power that's at work in us! Invited in so graciously so

we may love abundantly. Surpassin' all knowledge in our hands.

More complex than we'll ever understand. We are the church, made to praise, for-

given for our sinful ways. Limitless! Boundless love! Promised life to each of us.

D Chorus 2

Differences will come together, with a love beyond all measure! The bound-
The boundless love of God. The boundless love of God beyond measure.

The boundless love of God. The boundless love of God is forever, forever! The fullness of the love will always be enough. It's living within us for all millennia. The boundless love of God. The boundless love of God is forever, unmeasured.

Bridge

Hey, Hey, Hey

(Hey, Hey, Hey) Oh, Oh, Oh, (Oh, Oh, Oh,) Hey, Hey, Yeah

Moog Solo

(Hey, Hey, Yeah) Hey!

(Hey, Hey, Yeah) Hey!
As we're filled by God's love. Let us seek out justice, freedom, strength, the Spirit works through each of us.

As we're moved by God's love, May we pave the way with mercy, grace, as we are called to action.

The boundless love of God. The boundless love of God beyond measure, measure.

The boundless love of God. The boundless love of God is forever, forever! The fullness of this love will always be enough. It's living within us for all
millennia. The boundless love of God. The bound-
less love of God is forever, unmeasured.
