PLENARY SESSION I

CALL TO ORDER AND ADOPTION OF THE AGENDA
(Agenda I.A.)

Mr. Carlos E. Peña, interim vice president of the ELCA and chair of the Church Council, called the Church Council meeting to order at 3:00 p.m. (CST). Agenda items were distributed electronically. He welcomed council members and guests. The Rev. Elizabeth A. Eaton, presiding bishop of the ELCA, opened the meeting with prayer.

Vice President Peña began by acknowledging that the meeting was taking place on the ancestral homelands of the Council of the Three Fires—comprising the Ojibwe, Odawa, and Potawatomi Nations—as well as the Miami, Ho-Chunk, Menominee, Sac, Fox, Kickapoo, and Illinois Nations. This acknowledgement was in keeping with “A Declaration of the ELCA to American Indian and Alaska Native People” and the Repudiation of the Doctrine of Discovery. He drew attention to meeting resource materials, deadlines for proposing new business, and deadlines for removing items from en bloc consideration.

A motion was made to adopt the agenda.

There being no discussion, the chair called for the vote.

VOTED:
CC21.11.16 To adopt the agenda and to permit the chair to call for consideration of agenda items in the order the chair deems most appropriate.

REMEMBRANCE OF WILLIAM B. HORNE II
(Agenda I.B.)

Vice President William B. Horne II died Aug. 14, 2021. There was a time of remembrance and thanksgiving for his life. Bishop Eaton read Philippians 4:8–9 and reflected on the memorial service that had been held for Vice President Horne.

Interim Vice President Peña shared memories of Vice President Horne’s service as a Church Council member, then asked for a moment of silence. The presiding bishop led the council in prayer before voting on the resolution.

VOTED:
CC21.11.17 The ELCA Church Council gives thanks to God for the life and faithful service of William “Bill” Burt Horne II. As it meets for its biannual meeting, the council offers its prayers for comfort and peace for his family and friends upon Bill’s death. The council expresses its appreciation for his wise, fair, and strong leadership as vice president of the Evangelical Lutheran Church in America, and his collaborative spirit, steadfast commitment, and genuine compassion for the congregations and communities throughout the Evangelical Lutheran Church in America.

REPORT OF THE PRESIDING BISHOP
(Agenda I.C.)

Presiding Bishop Eaton thanked council members for passing “A Declaration of the ELCA to American Indian and Alaska Native People.” The Repudiation of the Doctrine of Discovery working group is proceeding with items called for by the 2016 Churchwide Assembly, including the declaration, land acknowledgements at the opening of gatherings, and the group’s current work, American Indian and Alaska Native reflections on the Small Catechism. The 2022 Churchwide Assembly will hold a time of remembrance and confession with a special liturgy based on the repudiation of the doctrine.

The Theological Discernment, Justice, and Ecumenical and Inter-Religious Relations team has reconvened dialogue with the Christian Church (Disciples of Christ), has begun work on a study guide for “A Declaration of the ELCA to American Indian and Alaska Native People,” and has drafted a study guide for the social statement, “Faith, Sexism, and Justice: A Call to Action” (2019). The proposed update to “A Declaration of the ELCA to the Jewish Community” arose out of discussions leading to “A Declaration of the ELCA to American Indian and Alaska Native People.” The Government and Civic Engagement task force continues to research and develop a social statement on “Church, State, and Civic Participation.”

The presiding bishop spoke on the need to make Jesus’ story known by engaging one million new, young, and diverse people by the end of the decade. The Innovation home area conducted listening sessions with “Gen Z”
individuals and asked, “What gives your life meaning, purpose, and longing?” She stressed that the Lutheran movement has a unique message and voice to share and expressed her hope that ELCA Lutherans would rediscover and reengage an authentic Lutheran identity that welcomes all people.

Presiding Bishop Eaton reported that Ms. Mikka McCracken, executive director for the Innovation home area, resigned, and assured the council that the Innovation unit would carry the work forward as the search for a new executive director begins.

**REPORT OF THE INTERIM VICE PRESIDENT**

(Agenda I.D.)

Vice President Peña shared additional remembrances of Vice President Horne. He read Romans 12:2 and asked, “What do you think of when you think of the word ‘change’?” He noted that the months leading to the 2022 Churchwide Assembly will be filled with change. The vice president provided background information on himself and closed his report with prayer.

**REVISIONS TO “A DECLARATION OF THE ELCA TO THE JEWISH COMMUNITY”**

(Agenda I.E.1.)

Ms. Kathryn M. Lohre, executive for ecumenical and inter-religious relations and theological discernment, reviewed the history of “A Declaration of the ELCA to the Jewish Community” and the work of the ELCA Consultative Panel on Lutheran-Jewish Relations.

There being no discussion, the chair called for the vote.

**VOTED:**

CC21.11.18 To adopt the proposed revisions to “A Declaration of the Evangelical Lutheran Church in America to the Jewish Community” as an expression of this church’s continual opposition to rising anti-Semitism and ongoing work to repudiate the Doctrine of Discovery;

To reaffirm “A Declaration of the ELCA to the Jewish Community” as an enduring message for this church, this church’s Jewish neighbors, and all of this church’s ecumenical, inter-religious, and global partners; and

To call the ELCA into a time of study and reflection using the Declaration and other Lutheran-Jewish relations resources available from the Office of the Presiding Bishop.

**2022 CHURCHWIDE ASSEMBLY VACCINATION REQUIREMENT**

(Agenda I.E.2.)

Vice President Peña asked Secretary Rothmeyer to move the motion. There being no discussion, the chair called for the vote.

**VOTED:**

**ANNOUNCEMENT AND RECESS**

Vice President Peña announced that the Executive Committee had requested a bylaw amendment to expand the size of the Executive Committee following the report from the Temporary Select Committee on Committees. REPORT OF THE SECRETARY

The secretary reported that the Legal and Constitutional Review Committee met twice electronically to review proposed amendments to the Constitutions, Bylaws, and Continuing Resolutions of the ELCA. The committee will finalize amendments at the Friday, Nov. 12 committee meeting. The Church Council will then vote to forward the recommended amendments to the 2022 Churchwide Assembly.

The council returned to open session at 2:52 p.m. (CST).

REPORT OF THE LEGAL AND CONSTITUTIONAL REVIEW COMMITTEE
(Agenda II.B.)

Mr. Gary A. Pederson, chair of the Legal and Constitutional Review Committee, summarized the proposed constitution amendments the committee had reviewed at two previous electronic meetings and at its morning meeting. Most amendments suggested were for clarification or consistency. One section of amendments relating to 4.02.c. that were approved by the 2019 Churchwide Assembly would be forwarded to the 2022 Churchwide Assembly for ratification. The Church Council would also consider proposed continuing resolutions that would take effect upon adoption. The committee also examined amendments to the Mission Investment Fund bylaws. All items would be considered in the en bloc action, with the exception of bylaw 14.41.01. which was removed for separate consideration.

REPORT OF THE PROGRAM AND SERVICES COMMITTEE
(Agenda II.C.)

Ms. Sonja Wolfe, chair of the Program and Services Committee, reported that the committee received an update on the development of the social statement on “Church, State, and Civic Participation,” reviewed social policy resolutions that will be considered for archiving, and discussed an edit of the social message on “Suicide Prevention.”

She shared the committee’s reflections on Psalm 90 and collective loss. Pastor Engquist challenged Church Council members to consider how each member could engage with someone who is new, young, and diverse. She expressed her hope that this would be at the forefront of the council’s work. She encouraged members to share what they would commit to in coming weeks.

NEW BUSINESS
(Agenda II.E.)

Vice President Peña announced that there was one item of new business.

Mr. Noah F. Roux moved “A Fresh Perspective: ELCA Church Council Young Adults.”

Moved;  
Seconded:  
To receive the working document entitled “A Fresh Perspective: ELCA Church Council Young Adults” and prayerfully consider it;
To create a working group composed primarily of Youth and Young Adult members of the council, with additional youth and young adults of this church and other members of this church to be lifted up by the Executive Committee; and
To direct this group in consultation with other Church Council members, and churchwide staff, to discuss the ELCA goal to reach one million new, young, and diverse people, and to prepare a report consisting of ideas, concerns, recommendations, and aspirations to be given at the next regular meeting of the Church Council.

Mr. Keoni Newman presented the document and offered his perspective on why he continues to be an ELCA member. The document highlighted ideas and concerns and advocated for bold, rapid change.

Mr. Roux explained that the six youth and young adult members of the Church Council had drafted this document. He expressed his hope to include other young adults in a working group to discuss, “What makes young people feel like they belong in our church?”

Many council members affirmed the idea of the working group and the initial document. The Rev. Philip C. Hirsch, executive director for Christian Community and Leadership, expressed his support and offered his assistance in helping the group connect with various networks.

Ms. Divine led members in prayer before the chair led the vote.

VOTED:
CC21.11.21

RECESS

CALL TO ORDER

Vice President Peña called the third plenary session to order at 9:02 a.m. (CST) in the Marriott Chicago O’Hare. Presiding Bishop Eaton opened the session with prayer.

REPORT OF THE BOARD DEVELOPMENT COMMITTEE
(Agenda III.B.)

Ms. Cheryl T. Chatman, chair of the Board Development Committee, reviewed the work of the committee, which includes planning effective meetings, requesting process observations, and collecting evaluations for each meeting. If the new proposed committee structure is approved, the Board Development Committee will organize new committee membership following a survey of members’ skill sets.

The Board Development Committee will offer three primers in the spring: youth and young adult education, racial justice training, and the Church Council’s role at the 2022 Churchwide Assembly.

MORNING DEVOTION AND PRIMER ON INDIGENOUS PERSPECTIVE IN THE UNITED STATES
(Agenda III.A.)

Ms. Loni Taylor, Church Council member from the Montana Synod and member of the Chippewa Cree Tribe, led a devotion and primer on the history of abusive treatment and cultural genocide of American Indian children experienced in residential boarding schools in the United States and Canada.

Following discussion, the Rev. Joanne E. Engquist led the council in prayer.

REPORT OF THE TREASURER
(Agenda III.C.)

Ms. Lori S. Fedyk, treasurer of the ELCA, shared financial results through Sept. 30, 2021. Operating revenues are exceeding expenditures by $4.6 million. Income is running ahead of budget by $1.4 million with Mission Support representing 64% of total revenues. Thirty-five synods are ahead of their 2020 dollar share amounts. With favorable income in FY2021, there is no need to release money from a designated fund to balance the budget. Spending is $8.4 million below budget (81%). This is due to delayed grant releases, minimal travel, and staffing vacancies.

Direct giving for ELCA World Hunger is $8.4 million for the first eight months of the year. This is $0.5 million behind budget. The development team estimates that World Hunger will exceed the planned giving goal of $18.5 million and is currently projecting a direct giving total of $20.3 million. World Hunger expenditures are at 43% of budget. Much of the spending will take place late in the year. Treasurer Fedyk reminded council members that bequest income is held for one year before it may be spent.

Through September 30, 2021, Lutheran Disaster Response (LDR) received $6.7 million in gifts and distributed $5.2 million.

The treasurer reminded members that the Paycheck Protection Program loan was forgiven in July 2021. These funds will be recognized as a gain; however, the money will be set aside, as the organization can be audited on the loan funds over the next six years.

A council member noted previous discussion regarding mineral rights held by the churchwide organization. Treasurer Fedyk explained that mineral rights investments represent a small amount of the organization’s income and discussed the complexities of mineral rights. A Budget and Finance Committee member explained that the churchwide organization’s mineral rights were all received as gifts some time ago, and that development staff are not seeking new mineral rights gifts.

REPORT OF THE BUDGET AND FINANCE COMMITTEE
(Agenda III.D.)

Mr. James J.F. Jennings, chair of the Budget and Finance Committee, reviewed adjustments to the budget proposal for FY2022. Total unrestricted monies were decreased by $1.56 million to $63 million. Total revenues were projected at $65.8 million. The proposed spending authorization totaled $65.8 million. This includes a 2% salary increase for churchwide staff and a 3.5% medical benefits increase. The Young Adults in Global Mission (YAGM) program is scheduled to resume in FY2022. The program will be fully offset by revenue.

On average, the churchwide organization spends 94% of budget. Given that, the committee recommended reducing the spending authorization to 95% of the proposed amount. Council members discussed how this reduction might communicate budgeting from a point of scarcity. Mr. Jennings explained that it was difficult to spend 100% of
what was allocated. Treasurer Fedyk reminded members that, if needed, $1.8 million from a designated fund could be used to balance the budget.

Mr. Jennings moved the action item, and Vice President Peña called for the vote.

VOTED:
CC21.11.22 To revise the 2022 fiscal year current fund income proposal from $68,507,018 to $65,816,150;
To approve a 2022 fiscal year current fund spending authorization of $65,816,150;

Mr. Jennings then shared the budget proposal for ELCA World Hunger. There may be an opportunity to increase spending for ELCA World Hunger in FY2022. Historically, there has been an increase in direct giving during a Youth Gathering year. The income and spending authorization proposals both totaled $22.6 million.

VOTED:
CC21.11.23 To revise the 2022 fiscal year World Hunger income proposal from $21,500,000 to $22,665,000; and
To approve a 2022 ELCA World Hunger spending authorization of $22,665,000.

Mr. Jennings announced that, while the audit report is not yet completed, no adjustments are expected. The audit was delayed due to COVID-related workplace challenges and the transition to the Workday financial system. Audit Committee actions would be considered *en bloc*.

The Resource Development Committee is considering new fundraising priorities and how to better align communication and fundraising strategies. The “where needed most” fund is one area being examined. The Resource Development Committee is also discussing Mission Support engagement and will share observations as applicable.

**CONSIDERATION OF ITEMS REMOVED FROM EN BLOC**
(Agenda III.E.)

Secretary Rothmeyer announced that one item was removed from *en bloc* consideration, a proposed amendment to bylaw 14.41.01.

Moved:
Seconded; To recommend the following for adoption by the 2022 Churchwide Assembly of the Evangelical Lutheran Church in America:

(The Young Adult Ministry led efforts to give up plastics for Lent in the first quarter of 2020.)

**Pillar 3—Social and Economic Justice:** Produce resource series on intersectionality of racism and sexism for a just society supporting global health, racial equity, hunger eradication, environment, and housing; advance intra-ELCA and social efforts for equitable compensation; foster ongoing dialogical and theological engagement across this church towards gender and racial justice; address the disproportionate impact environmental injustice and climate change have on people of color and poor communities globally; utilize a racial justice lens to end the impacts of racism
and develop models of equitable sustainability for all communities; assist migrants not covered by stimulus packages as well as support state and local advocacy through the AMMPARO network, congregations and synods.

12. To encourage the ministries of Women of the ELCA and Lutheran Men in Mission to continue and expand their work to address the issues identified in this social statement and to commend greater participation in these efforts;

13. To call upon those engaged in publishing activities throughout the ELCA to continue and extend their support for gender equity in ELCA resources and communications through such dimensions as language, images, stories, Bible studies, themes, and representation of contributors;

14. To urge faculty, staff, and administrators of ELCA-related colleges, universities, and seminaries to renew their efforts to develop syllabi and best practices that affirm and promote the gifts of women from varied identities and backgrounds;

15. To call upon rostered and lay congregational leaders, synod and CWO staff, social ministry organizations, and faculty and staff at ELCA colleges, seminaries, and universities to renew their efforts to welcome, care for, and support the lives and gifts of LGBTQIA persons and to oppose discrimination against these persons so that they may live into the promise of gender justice envisioned in this social statement;

16. To call on the church in all its expressions and related agencies, organizations, and institutions to embed and incorporate anti-sexism training and protocols in their ongoing work, including appropriate adaptations to boundaries training for
rostered ministers, and to create institutional resources to support rostered ministers who experience sexual misconduct or gender-based harassment, as well as pastoral care resources for all affected by sexism;

17. To direct the ELCA Church Council to establish a process for public repentance regarding the sins of patriarchy and sexism and establish a churchwide day of confession and repentance no later than the 2022 ELCA Churchwide Assembly; and

18. To call upon the Office of the Presiding Bishop, in collaboration with appropriate units in the CWO, to establish and oversee processes for implementation of and accountability for these resolutions and to report to the fall meeting of ELCA Church Council in 2021.

Response from Office of the Presiding Bishop (Nov. 2021)

The 2019 ELCA Churchwide Assembly adopted “Faith, Sexism, and Justice: A Call to Action” (FSJ) as this church’s thirteenth social statement. (Social statements are theological-ethical teaching and policy documents that guide this church’s public witness and faith formation. They are rooted in the Scriptures and Lutheran theology. All but one are available in English and Spanish.)

Implementing resolutions associated with ELCA social statements are voted upon separately from them. The 2019 Churchwide Assembly voted in favor of 18 resolutions, which includes the request for a report from the Office of the Presiding Bishop on progress made on the implementing resolutions. (English, pp. 81–83; Spanish pp. 90–93)

This report includes known activities and is not intended to be exclusive. Across the ELCA, many individuals, congregations, synods, agencies, and institutions, including schools, live out the implementing resolutions in a variety of ways, even while opportunities for serving neighbors with gender justice continue to abound. Not every resolution requires action from the churchwide organization, as noted at the end of the chart.

**S. Deacons Unified Cross Design**

*Church Council Action [CC18.11.22]*

... To define the symbols of this ministry as a deacon’s stole and cross, both to be presented at the entrance rite, and to request the Office of the Presiding Bishop worship staff share information about the appropriate use of the deacon stole and facilitate a conversation among deacons regarding a unified cross design;...
Response from the Office of the Presiding Bishop (February 2020)

In early Fall 2019, Deacon John Weit of the Worship team of the Office of the Presiding Bishop consulted with Deacon Sue Rothmeyer and Deacon Krista Anderson from the churchwide organization to begin addressing the need to facilitate a conversation among deacons regarding a unified cross design to be worn as a pin. A consultation with five additional deacons representing various ministry contexts was held in October. This consultation discussed the various cross designs that already exist within diaconal communities, both those represented by ELCA deacons and by ecumenical partners. We addressed several paths forward including looking to name a metal worker/designer that could work with the ELCA to potentially both design and produce pins for purchase by individual deacons.

Staffing transitions on the worship team caused this project to slow through the winter months. This work will continue this spring with the hope of engaging a designer to consider a sustainable process for production and a potential design. Although we anticipate that the production costs of the individual pins would likely be offset by individual purchases, we will likely need to identify funding to begin this design work. As this will become an official symbol of the ministry of Word and Service, a final design would be presented to the Program and Services Committee for affirmation, likely in Fall 2020.

Response from Christian Community and Leadership (Spring 2021)

On Feb. 1, the Worship team in the Office of the Presiding Bishop moved to Christian Community and Leadership.

Since the previous update to Church Council in February 2020, the swift change in focus due to the pandemic necessitated delaying further conversation regarding a unified deacon cross design. The subsequent elimination of a staff position on the worship team further required reprioritization of this work.

Deacon Krista Anderson and Deacon John Weit looked to resume this work in January 2021. Throughout the month of February, informal sharing and conversation among deacons occurred via social media and soliciting direct feedback. It was hoped that this conversation and collaboration might offer some consensus around imagery and concepts that would inform a jewelry designer to be commissioned to craft a proposed design. The feedback among deacons showed that there is a considerable variety of opinions on design concepts, or in some cases, an apparent lack of interest in a common cross design for ELCA ministers of Word and Service. The team’s research and conversation have found dozens of symbols used by diaconal communities worldwide, including former and current communities that include ELCA ministers of Word and Service.

This unified cross pin, once designed, will need sustainable manufacturing and distribution venues. A preliminary conversation with Old Lutheran has presented a possible path forward. Such a partnership will need further collaboration and coordination with other ELCA ministries who have existing partnerships with Old Lutheran. The production and sale of these pins should be financially self-sustaining at a reasonable price point for deacons. The manufacturing and sales process must also account for a higher number of pins to be sold in the first months of availability. Subsequent sales will be generally limited to deacons soon to be ordained and those who need to purchase a replacement. Some funding for design, prototype, and start-up costs may be necessary.

A grass-roots effort for online Zoom conversation with ELCA deacons and candidates from across this church will occur in March and April 2021. We hope this emerging venue will allow an additional conversation opportunity prior to commissioning a design. With a designer, funding, and manufacturing and distribution venues in place by Summer 2021, it is possible that a final design could be affirmed in Fall 2021.

Church Council action [CC21.04.06q]

To receive the update from the Christian Community and Leadership unit on a unified cross design for ministers of Word and Service; and

To request a final design be presented to the Fall 2021 Church Council meeting.

Response from Christian Community and Leadership (Nov. 2021)

The process to commission a unified cross design for ministers of Word and Service was delayed in 2021 as churchwide staff continued to reprioritize ongoing work, key projects and new tasks identified as a result of staffing reorganization and a lingering pandemic. Although work on this project is resuming, a proposed design could not be completed in time to bring to Church Council for the Fall 2021 meeting. The Worship team respectfully asks that this be delayed to 2022.

An updated timeline is already in process to identify a final design and solidify a sustainable manufacturing and distribution plan. Barring any delays outside the control of churchwide staff, the timeline anticipates a design to be presented to the Church Council at the Spring 2022 meeting.
An earlier report to Church Council noted a considerable variety of opinions among deacons about potential design concepts, or in some cases, an apparent lack of interest in a common cross design for ministers of Word and Service. One possible path forward may be to propose not adopting a unified cross design.

While it is anticipated that start-up and prototype costs may be funded from existing sources, some one-time funding may need to be proposed in the FY2022 budget. It is anticipated that ongoing manufacturing and distribution will be financially self-sustaining.

Appropriate guidance about the use of the symbols of the ministry of Word and Service will be drafted in collaboration with the Office of the Secretary and the Candidacy and Leadership Manager—Word and Service.

### T. Climate Change Action

At its November 2019 meeting, Church Council referred a recommendation on climate change from the Conference of Bishops [CB19.09.26] to the Domestic Mission unit for a timeline on when the resolution would receive further attention [CC19.11.41].

**Response from the Domestic Mission unit (March 2020)**

The ELCA response to climate change is not unified but is conducted across all three churchwide expressions. Programmatic responsibility includes Lutheran Disaster Response (LDR), Advocacy, Global Mission, World Hunger, Stewardship, and Congregational Vitality. In addition, Lutherans Restoring Creation (LRC) as a grassroots Lutheran entity is instrumental in education and resourcing congregations and synods. These and other stakeholders met in January 2020 to propose a holistic and integrated approach and coordination on the impacts of climate change as a matter of sustainability.

The first phase in addressing climate change is the formation of a Sustainability Table that brings together the different churchwide programs and ministries to address not only climate change, but other environmental and energy matters that recognizes the intersectionality and impact of climate on every fiber of life; and to move with resolve to implement actions. (Please see below) The convener initially will be the Advocacy Program Director, Environment and Corporate Social Responsibility.

Church Council action [CC20.03.03g]

- To receive the response on climate change from the Domestic Mission unit;
- To affirm the coordinated approach and proposed timeline for this church’s response to climate change; and
- To anticipate progress reports at future Church Council meetings with a final report by the April 2022 Church Council meeting.

Response from Domestic Mission unit (Oct. 2020)

Addressing climate change in a more unified manner across ELCA began with the 2019 fourth quarter launching of the Sustainability Table (Table). The Table seeks to build capacity and brings together the different churchwide programs and ministries. It embodies our responsibility as stewards of God’s creation through climate action seeking justice and equity for all. Below is a synopsis of the climate change work.

**Sustainability Table:** The Table operates with Funding, Faith Formation, Capacity Building, Organizational and Operational, Communication, and Advocacy workgroups; and a Steering Committee. The work includes seeking sources of funding for resiliency projects; building up ELCA congregations’ and ministries’ capacities for adapting to climate change; piloting a Rainwater Harvesting project to teach and share learnings about water conservation; developing plan to address the impact of racism on sustainability; and formulating strategies to address the interconnectivity of climate change and disasters. Areas being evaluated include notification to potential buyers of areas prone to flooding and subject to wildfires, how to build back better, assist Lutheran Disaster Response in preparing for January 2021 consultation; identifying role for ELCA in greenhouse gases mitigation measures, and devising climate migration action plan.

**Advocacy:** Promoting policies to equitably transition to resilient societies without leaving anyone behind. ELCA leadership and interfaith colleagues organized two (2019 and 2020) innovative interfaith events to galvanize experiences, relationships, and resources toward addressing the climate crisis infused with conviction and hope at this watershed moment each held during United Nations Climate Change Week. Through collaboration with ecoAmerica’s Blessed Tomorrow, the ELCA co-branded an ELCA-specific video and researched resources for talking about climate change with congregations and members (available at [Resources](#)). ELCAvotes initiatives and advocacy tools equip members with facts and tips to express their creation care concerns in policy consideration and the ballot. Awareness of intersection of environmental racism and health is raised in resources produced by ELCA advocacy staff. Arranged for diverse ELCA group to participate in the United Nations Framework Convention on Climate Change Conference of the Parties (COP) as an accredited party.

**Corporate Social Responsibility:** Review and update issues sheets and screens for social purpose funds investing guidance. Participate in the Interfaith Center on Corporate Responsibility (ICCR) committees addressing justice and climate change issues; and serve on ICCR’s Board.

**Stewardship:** ELCA Caring for Creation Coaching has 16 Level II coaches prepared to work with congregations. We are currently preparing guidelines and orientation for some of these coaches to accompany congregations on their Earth Charter Implementation Plans. A new cohort of coaches will start in October. Also introducing 10 Questions to Manage Your Energy Footprint to congregations and synods.

The next update will be issued in the Spring of 2021.

*There was not significant progress to report to the Spring 2021 meeting of the Church Council, so the progress report was postponed to the Fall 2021 meeting.*
Response from Service and Justice (Nov. 2021)

The Sustainability Table (Table) established in 2019 assists ELCA in addressing climate change. Below is a synopsis of the ongoing climate change work.

The Sustainability Table (including Building Resilient Communities (BRC) and Witness In Society (WIS)): The Table’s work includes preparing ELCA congregations’ and ministries’ capacities for building resilient communities in the face of climate change and other environmental matters.

The Table’s Capacity Building working group from December 2020 to February 2021 conducted an online survey in the Delaware-Maryland Synod on Care for Creation. The survey helped develop a baseline understanding of environmental issues. Most respondents believed climate change is happening now but see a gap between what they perceive can be done and what is being done. The follow-up work assisted by ELCA Creation Care Coaches (now numbering 22) includes holding eight focus group sessions. The Capacity Building working group submitted a question on creation care in the Form C questionnaire for the ELCA Congregation Annual Report for inclusion in the 2021 report. The responses will help inform the current thinking and capacities of the church and its ministries. Listening sessions were held with Central States and Arkansas-Oklahoma synods. The sessions helped identify needed resources for synods. The Table, working with the Member Communications Strategy working group, will develop a sustainability website to provide a centralized churchwide space for resources. The Table’s Organizational and Operational working group will assist in procuring the resources.

WIS led a coalition of partners in holding a side event during President Biden’s April 2021 Summit on Climate Change. The consultation called for the inclusion of the expertise of Indigenous and faith communities alongside career politicians and others to implement climate solutions. The ELCA will send a diverse delegation to the United Nations Framework Convention on Climate Change’s Conference of the Parties (COP 26) from October 31 to November 12, 2021. COP 26 will be the most significant COP since 2015 for addressing the climate crisis, “seen as the summit to both address what has and hasn’t been achieved since 2015, while also setting concrete plans to reach the Paris Agreement targets” (Euronews Sept. 30), and the US also having rejoined the Paris Agreement.” The ELCA met with high level Treasury Department officials on ways multilateral financial institutions can align with climate change goals.

BRC and WIS are partnering to initiate a Net-Zero by 2050 Greenhouse Gas (GHG) emissions pilot project with the Pennsylvania synods to accompany communities on the journey to a livable future where no one is left behind, starting with support for ministries in reducing their GHG emissions. Interested facilities will receive a baseline assessment of their emissions and site-specific long-term evergreen climate action plan proposals informed by their ministry priorities. Depending upon the ministry site, the recommendations may cover energy efficiency, water use, waste reduction, transportation, and land use/farming.

The Corporate Social Responsibility staff updates documents for social purpose funds investing guidance and is a member of the Interfaith Center on Corporate Responsibility (ICCR) committees addressing justice and climate change issues and serves on ICCR’s Board.

The final update will be issued in the Spring of 2022.

VOTED: EN BLOC

U. Declaration of the ELCA to the People of African Descent

At the 2016 Churchwide Assembly, the assembly received the African Descent Lutherans memorial from 10 synods calling for a number of actions related to the ELCA’s observance of the 500th anniversary of the Reformation and the commemoration of the United Nation’s International Decade of People of African Descent. In response, the assembly requested in part that the Domestic Mission unit staff create a “Declaration to the African Descent Community.” [CA16.05.17]

At its special meeting in June 2019, the Church Council adopted “A Declaration to the People of African Descent” and directed additional action steps to be taken. [CC19.06.23]

Church Council action [CC19.06.23]

…To direct Planning, Research and Evaluation to measure and report progress on the discriminatory treatment within the call process and to urge Portico to assist with providing information to the churchwide organization to measure and report progress on inequitable compensation of clergy of color by the November 2021 meeting of the Church Council…
Response from Christian Community and Leadership (Nov. 2021)

Due to the transition of related research staff, the progress report will be delayed, and the Christian Community and Leadership (CCL) home area will not be ready to report by the Nov. 2021 meeting. However, this work is expected to be included as part of the Quality of Call project, which is considering barriers faced by women, people of color, and LGBTQIA+ pastors in the ELCA.

Additionally, Portico Benefit Services has reported that they do not have ethnic background in its systems and therefore would not have any data to segment rostered ministers of color. The terms of Portico’s privacy policy by which Portico gathers compensation information from membership precludes using that data for purposes other than providing benefits.

An update on this work is anticipated for the Spring 2022 meeting with a full report in Fall 2022

RESPONSES TO SYNOD ACTIONS

V.  Guidance on Retired or Retiring Ministers from the Roster of the ELCA  
Southwestern Pennsylvania Synod (8B) [2021]

Bishop Kurt Kusserow submitted a letter to the Church Council on behalf of the Southwestern Pennsylvania Synod Council seeking guidance with retired or retiring ministers from the roster of the church whose status is in question or uncertain. Specifically, the synod council is asking about the required triennial review of the ministers on this church’s retired roster and to propose that the guidance be added to the Manual of Policies and Procedures for the Management of the Rosters of the Evangelical Lutheran Church in America for the benefit of the whole church.

Church Council action [CC21.04.06s]  
To receive the request from the Southwestern Pennsylvania Synod Council requesting guidance regarding the review of retired ministers on the roster of the Evangelical Lutheran Church in America;  
To refer the matter to the Office of the Secretary for further research and to request that a response be provided at the Fall 2021 Church Council meeting; and  
To request that the secretary of this church inform the synod of this action.

Response from Office of the Secretary (Nov. 2021)

Following the referral to the Office of the Secretary of the resolution from the Southwestern Pennsylvania Synod Council, Secretary Sue Rothmeyer conferred with Bishop Kurt Kusserow, whose letter had prompted the request. Bishop Kusserow has offered to serve on an ad hoc task force to consider guidelines for synods to use in conducting the status review of retired rostered ministers called for in the roster manual. He requested that a member of the Roster Committee of the Conference of Bishops also serve on the task force, and Bishop Shelley Wickstrom of the Alaska Synod has agreed. The task force will submit a proposal to the Roster Committee and the Conference of Bishops for possible guidelines to be inserted in the roster manual. A final draft would then be submitted to the Church Council to approve for inclusion in the roster manual.

VOTED:  
CC21.11.25v  To receive the response on “Guidance on Retired or Retiring Ministers for the Roster of the ELCA” from the Office of the Secretary;  
To anticipate a progress report at the Spring 2022 Church Council meeting with possible updates to the roster manual; and

WHEREAS, in January 2019, over 3,500 of the nation’s leading economists across the political spectrum, including 28 Nobel Laureates and 4 former chairs of the Federal Reserve, issued a joint “Economists’ Statement on Carbon Dividends” that argued “A carbon tax offers the most cost-effective lever to reduce carbon emissions at the scale and speed that is necessary,” but also recommended “the revenue should be returned directly to U.S. citizens through equal lump-sum rebates,” and concluded “The
majority of American families, including the most vulnerable, will benefit financially by receiving more in ‘carbon dividends’ than they pay in increased energy prices;”3 and

WHEREAS, the 2019 Churchwide Assembly received with gratitude a memorial from the South-Central Synod of Wisconsin regarding a Carbon Fee and Dividend, and the Church Council directed the Domestic Mission unit to develop “a plan that promotes educational resources on Carbon Fee and Dividend to assist in forming the basis for any potential advocacy strategy;”4 and

WHEREAS, in October 2019 ELCA Advocacy published a primer on “Carbon Pricing Basics” that provides an overview to the topic and identifies several principles rooted in ELCA social statements that “can move us toward the pressing goal of reduced GHG emissions and just application of that [carbon] pricing or policy”;5 and

WHEREAS, the “Energy Innovation and Carbon Dividend Act of 2019”6 has received bipartisan support in the last two sessions in Congress and is broadly consistent with the following principles outlined in ELCA Advocacy’s “Carbon Pricing Basics” primer:

- Any carbon tax must be structured to respect the jeopardy of vulnerable populations and those living in poverty.
- Any carbon pricing mechanism must not be fiscally regressive but rather must respect vulnerable populations and those living in poverty.
- Emissions targets should be consistent with credible science and with the IPCC special report’s directive that global warming be kept at 1.5 degrees Celsius or less.
- An adjustment mechanism should be included in case the emissions targets are not being met.
- Federal agencies should not be prohibited from proposing new regulations on GHGs if such regulations are needed.
- An effective carbon tax must be applied to as many sectors as possible. Because of the global nature of the problem, border issues and trade policies must also be considered in designing the tax, so that problems are not remedied through workarounds.
- The process for identifying problems and implementing solutions in a carbon tax should be participatory and transparent for all stakeholders.
- The pricing mechanism itself should be transparent and accountable to government authority to ensure that goals are being met.
- Portions of the revenue collected should be used to invest in worker transition, community resilience and renewable energy, with priority given to helping all communities adapt and become more resilient.
- Transparency and accountability should be built into the pricing mechanism.
- The mechanism for awarding rebates to individuals/households should reach the most vulnerable, regardless of income or citizenship.
- Existing environmental and climate change protections should not be rolled back.

WHEREAS, ELCA Advocacy does advocate for particular pieces of legislation after careful review and moral grounding in the ELCA’s social statements; therefore be it

RESOLVED, that the Southeastern Iowa Synod urges ELCA Advocacy to advocate for the Energy Innovation and Carbon Dividend Act, or similar legislation during the 117th United States Congress and, if necessary, future Congresses; and be it further

RESOLVED, that the Southeastern Iowa Synod thanks the ELCA Church Council for receiving this resolution at its next meeting, and requests the Council or its Executive Committee to forward this resolution to ELCA Advocacy with encouragement to advocate for the Energy Innovation and Carbon Dividend Act or similar legislation; and be it further

RESOLVED, that the Southeastern Iowa Synod encourages congregations in our synod to utilize “Carbon Pricing Basics” in adult education offerings; and be it further

RESOLVED, that the Southeastern Synod rededicates itself to care for creation and to advocate for social and environmental justice, using the resources of Lutherans Restoring Creation (lutheransrestoringcreation.org) and other organizations.

Executive Committee action [EC21.08.15b]

To refer the “ELCA Advocacy Support for the Energy Innovation and Carbon Dividend Act” resolution from the Southeastern Iowa Synod Council to the Service and Justice unit for a report or for a timeline on when this will receive further attention; and

To request that the secretary of this church inform the synod of this action.

4 Report of Actions of the Church Council (November 12-14, 2020).
Reducing greenhouse gas (GHG) emissions into the atmosphere requires multiple approaches, including carbon pricing, setting emissions performance standards, and GHG mitigation technologies. Economists generally believe carbon pricing to be the best tool for having the most significant impact in the near term to spur GHG emission reduction mitigation efforts. Carbon pricing can take many forms, most familiar being an emissions trading system (ETS) or a carbon fee or tax. This resolution’s focus is on an Energy Innovation and Carbon Dividend Act (Act).

**Energy Innovation and Carbon Dividend Act of 2021 Status:** H.R.2307—The act of 2021 was introduced in the U.S. House of Representatives (House) on April 1, 2021. The House of Representatives bill history record shows that the legislation was referred to the House Committees on Ways and Means, Energy and Commerce, and Foreign Affairs. On April 2, 2021, the Committee on Energy and Commerce referred the legislation to the Subcommittee on Energy, where it remains.

**Overview of Carbon Tax Legislation:** The probability of a stand-alone carbon tax legislation such as the Act coming to either the House or Senate floor for a vote is very slim. Despite the economics of the act put forth by economists, or the lobbying efforts of such groups as the Citizen Climate Lobby (CCL) or the bipartisan Climate Leadership Council, none of which proves to be sufficient to bridge the political divide existing in the current partisan environment.

The carbon tax impasse is not new. CCL has been advocating for carbon fee and dividend legislation since 2010. Over ten different carbon pricing bills were introduced in Congress over the past few years. A New York Times article (dated 10/13/2021) gives an overview of how the political dynamics hinder bringing forth bills like the Act. The Times states, “[a] tax on carbon dioxide pollution could be the single most effective policy to tackle climate change. But, unfortunately, it could also be politically explosive.” There is a fear that even with the dividends used as rebates to citizens, higher prices for electricity, and some goods would be too much for people to handle. There have been rumors of including some type of carbon tax in the Build Back Better Act, which would if enacted, be the most significant climate legislation ever for the U.S., but the White House did not support this tax.

**WIS Advocacy:** In 2019, the Domestic Mission Unit (Advocacy) developed a primer covering carbon pricing basics and a carbon pricing questions document to analyze any carbon fee legislation.

Witnessing In Society (WIS, aka Advocacy) advocates for climate change legislation and collaborates with ecumenical, interfaith, and civil society working for climate justice and equity. WIS maintains leadership roles in organizations such as America Is All In, and spearheads efforts to take our message to the highest levels of government, such as creating the opportunity for the presiding bishop to participate in a high-level White House meeting on the Build Back Better Act.

**VOTED:**

To receive the response on “ELCA Advocacy Support for the Energy Innovation and Carbon Dividend Act” from Service and Justice;

To commend the ELCA Advocacy staff for their overarching support of carbon tax legislation given the current impasse on such legislation, and their continued advocacy for climate justice and equity; and

To request that the secretary of this church inform the synods of this action.

**X. Gender Representation and Inclusion**

**Northeastern Pennsylvania Synod (7E) [2021] (2021 memorial reclassified as a resolution)**

RESOLVED, that the Northeastern Pennsylvania Synod memorialize the 2022 Churchwide Assembly of the ELCA to expand gender/sex language beyond using binary terms for church members representing groups, congregations, conferences and other subunits within synods, and synods at gatherings in any of the three expressions of the church by changing section 5.01. in order to expand the gender quota requirement therein, and explicitly grant access and inclusion of nonbinary and gender fluid individuals in full participation of church life and to expand the ELCA’s commitment to inclusiveness in Chapter 5 of the ELCA constitution to include a specifically stated commitment to inclusion of nonbinary and gender fluid persons in the business of the church, including as voting members.

**Response from Office of the Secretary (Nov. 2021)**

The Church Council will consider at this meeting a proposed continuing resolution, 5.01.H21., which specifies that, for the purposes of the representational principles, the percentage of laypersons that is not allocated to women or men by 5.01.e. and f. may be allocated to persons who identify as gender non-binary, gender fluid, women, men, or other genders.

**VOTED:**

To receive the response on “Gender Representation and Inclusion” from the Office of the Secretary;
To acknowledge the action taken on proposed continuing resolution 5.01.H21 as the response of the Church Council to this resolution from the Northeastern Pennsylvania Synod; and
To request that the secretary of this church inform the synod of this action.

REPORT OF THE TEMPORARY SELECT COMMITTEE ON COMMITTEES

Mr. Kevin Anderson, chair of the Temporary Select Committee on Committees, described the work leading to the recommended action. If adopted, the Church Council would move from four standing committees to five standing committees. While the Budget and Finance and Legal and Constitutional Review committees would remain, the Program and Services and the Planning and Evaluation committees would be disbanded and replaced with three new committees. Two of the proposed committees would relate to two home areas of the churchwide organization: the Service and Justice Committee and the Christian Community and Leadership Committee. The third committee—Faith, Society, and Innovation—would review social teaching documents and also relate to the Innovation home area. The new committee structure would take effect following the 2022 Churchwide Assembly. The proposed Church Council action directs the Board Development Committee to assign individuals to committees and requests that the Legal and Constitutional Review Committee construct new continuing resolutions for the new committees.

Mr. Anderson commented that, traditionally, the four chairs of the standing committees served as members of the Executive Committee. With the expansion to five standing committees, the Executive Committee had recommended that the size of that committee be expanded from seven to eight members.

There being no further discussion, Vice President Peña called for the vote.

VOTED:

CC21.11.26  To approve the proposed Church Council committee restructure as detailed in “Proposed CC Committee Restructure” for full implementation immediately following the 2022 ELCA Churchwide Assembly;
To direct the Legal and Constitutional Review Committee to prepare and forward to the Church Council the revisions to the continuing resolutions under constitutional provision 14.41. to establish each of the new standing committees, to remove provisions for committees that will be discontinued and to present the continuing resolution amendments to the Spring 2022 Church Council meeting;
To direct the Board Development Committee to plan for the size and composition of the new standing committees and to forward preliminary committee assignments to the Executive Committee;
To direct the Executive Committee to review the proposed committee assignments and to forward to the Church Council for ratification;
To direct all new standing committees of the Church Council to prepare committee charters for alignment with the proposed restructure; and
To express appreciation to the members of the Temporary Select Committee on Committees for their diligent and thoughtful work.

CONSIDERATION OF ITEMS REMOVED FROM EN BLOC (CONTINUED)

Discussion continued on 14.41.01. which had been pulled from en bloc consideration and deferred to follow the report of the Temporary Select Committees on Committees.

Moved:

To recommend the following for adoption by the 2022 Churchwide Assembly of the Evangelical Lutheran Church in America:
To adopt the following amendment to the Constitutions, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America:
14.41.01. **Executive Committee.** The Church Council shall have an Executive Committee composed of the churchwide officers, the chair of the Conference of Bishops, and seven-eight members of the Church Council elected by the council. The vice president of this church shall chair this committee. The Executive Committee shall:

f. demonstrate concern for the spiritual, emotional, and physical well-being of the full-time salaried officers of this church; and

Following discussion, Vice President Peña called for the vote.

**VOTED:**
