Yes-741; No-59

To receive with gratitude the memorials on "Review and Revision of LGBTQIA+ References in the ELCA Social Statement *Human Sexuality: Gift and Trust*" from the Greater Milwaukee Synod, Southeastern Synod, and Florida-Bahamas Synod;

To authorize a social statement reconsideration to revise *Human Sexuality: Gift and Trust* (2009) so that its wording reflects current church understanding, church policy, civil law, and public acceptance of marriage of same-gender and gender non-

conforming couples in accordance with “Policies and Procedures of the ELCA for Addressing Social Concerns” (2018). While references would be reviewed throughout the whole statement, the following sections are designated for reconsideration as described here:

- “Marriage: shelter and context for trust” p.15. This would not reconsider the idea of marriage as shelter and context for trust but would consider the import that marriage legally is now a covenant between two individuals;
- “Lifelong, monogamous, same-gender relationships” p.18f. Revision here would not change this church’s current understanding that recognizes four identified positions of bound conscience within its life. p.19, but would review wording about “publicly accountable, lifelong monogamous same-sex relationships” in light of public acceptance of marriage of same-gender and gender-non-conforming couples;
- “Loving families: ground and source for social trust” p.21f. Review here would consider references to diversity of family configurations; and

To authorize the Office of the Presiding Bishop and Church Council to approve the parameters and expense budget of this process and identify the revenue source(s) to provide for this revision to be considered as early as the 2025 Churchwide Assembly.

To amend the amended substitute motion as follows:

To receive with gratitude the memorials from the Southwest California Synod, South Dakota Synod, Metropolitan Chicago Synod, Northern Illinois Synod, La Crosse Area Synod, Indiana-Kentucky Synod, Northwestern Ohio Synod, and Lower Susquehanna Synod concerning specialized ministries and On Leave from Call status;

To direct the Church Council to direct the appropriate churchwide unit to initiate a review process of the “Manual of Policies and Procedures for Management of the Rosters of the Evangelical Lutheran Church in America” and the constitutional provisions and policies and procedures as they relate to interim, transition, bridge, specialized, non-parish-based, and innovative calls, as well as on-leave from call status, protocols for removal from the rosters, and communication protocols;

To direct the Church Council to ensure that this review process include in its scope of inquiry, but not be limited to: the time limits given for On-leave-from-Call, steps for requesting a roster status, and a process by which an action or lack of recommendation from a bishop may be appealed, including the possibility of an appeal in a other than the synod from which they were removed from the roster;

To require that those involved in the review process include a diverse group representing both the roster of Word and Sacrament and the roster of Word and Service who are or have recently been involved in specialized ministries (e.g., interim, transition, campus, outdoor, college or seminary faculty, chaplains, mission developers, etc.), and those currently or recently on leave from call for a variety of reasons (e.g., between calls, family, disability, study, healing from abuse etc.);

To urge bishops and synod councils to use sparingly any action by which a minister is removed from the roster for non-disciplinary reasons, unless the minister requests removal, until this review is complete, especially for those serving contract calls, as supply preachers, and in other ELCA ministries that don't qualify as a call; and

To require that the appropriate unit of the churchwide organization prepare a report and recommendations for consideration by the fall 2024 meeting of the ELCA Church Council.
