

CIVIC LIFE AND FAITH STUDY GROUP COVENANT

Our commitment is to lift up the body of Christ through words and actions that:

- Follow the Golden Rule: do unto others as I expect them to do unto me.
- Model respectful and careful listening, without interrupting.
- Strive to understand each other's insights and experiences.
- Speak honestly, as an individual rather than for a group.
- Do not presume that others speak on behalf of a group.
- Utilize any technology constructively and not as a distraction.
- Step up to share thoughts, then step back to allow others to share theirs.
- Be mindful of viewpoints not represented.
- Fervently seek the Holy Spirit's presence and blessing in the group and our civic life.
