Domestic Hunger Grants

ELCA World Hunger Domestic Hunger Grants accompany congregations and their partners throughout the United States and Caribbean as they draw on the strengths of communities to address local issues such as food security, housing, job readiness, clean water, human rights, policy change, leadership development and more. Together, these ministries are part of a comprehensive approach to breaking the cycle of poverty and hunger — for good.

ELCA World Hunger gives thanks that in 2019 the following 77 ministries across this church have been awarded Domestic Hunger Grants for a total three-year (2019-'21) investment of more than \$1,187,000 ,with an average three-year total award of \$15,400 per ministry.
