Domestic Hunger Grant Application Guide

To ensure that your experience applying for a Domestic Hunger Grant is as smooth as possible, we have prepared the simple reference below to guide you through each step of the application process in [ELCA GrantMaker](#). Please read the instructions thoroughly. Thank you for your work toward a just world where all are fed. We look forward to learning more about your ministry!

GRANT AWARDS

- Grants will be awarded for a three-year cycle, with a maximum award of \$10,000 per year, contingent upon the completion of annual evaluations and fund availability. New applications are accepted annually.

GRANT ELIGIBILITY AND CRITERIA

At a minimum, any applicant for an ELCA World Hunger Domestic Hunger Grant must be:

- a 501(c)(3) nonprofit organization;
- able to demonstrate a strong, recognized and established relationship with a congregation, ministry or institution of the ELCA;
- able to demonstrate a strong, recognized and established relationship with the community in which the work will take place; and
- actively engaged in the work described in the application.

Given the priority areas described above, ELCA World Hunger especially seeks to support ministries that:

- clearly address root causes of hunger in local communities;
- demonstrate strong commitment to diversity and inclusion in leadership and decision-making;
- create or foster opportunities for advocacy toward systemic change; and
- leverage local assets through partnerships with other local ministries and organizations and invest its own time and financial resources in the ministry.

As a ministry of the church, ELCA World Hunger will prioritize ELCA congregations in the award process.

Organizations that discriminate among guests and neighbors, require participation in faith-related activities as a prerequisite for services, or apply as “pass-through” organizations will not be considered for funding.

Tips for a Successful Grant Application

1. **In order to access the application, you must first register in the ELCA GrantMaker system.** This registration approval may take up to five days to process, so make sure to register early to allow yourself time to complete your application before the deadline. Registration will be open two weeks prior to the application opening and will close two weeks prior to the application deadline. Applicants should register in the ELCA GrantMaker system only once (regardless of how many ELCA grant applications they fill out). If you forget your password, you will be able to reset it. See page 3 of this document for step-by-step instructions on how to register. If your organization already has an account that someone else set up, you will still need your own personal account associated with the organization.
2. **Gather necessary documents in advance. You will need:**
 - Your organization's contact and tax identification information.
 - Your organization's current 501(c)(3) federal tax letter.
 - The current budget for your organization and the projected budget for the ministry described in your application.
 - A personal testimonial from a stakeholder in your project or ministry who has life experience with poverty or hunger, describing, in that person's own words, the grant's importance to and potential impact on that person and/or that person's community (suggested language for requesting a letter is available [here](#)).
 - A letter of support from rostered or lay leadership of an ELCA congregation that illustrates the relationship between the ministry and the congregation. How does the ministry's relationship with the congregation nurture life-changing relationships with God, one another and the world? If an ELCA congregation is applying, the letter can come from its own leadership.
 - One to three goals for the work your ministry will do, with outlined plans for supporting these activities, measuring your progress and sharing your successes (you will be asked to enter these on the application).

All documents included with your application must be PDFs to be reviewed.

3. **Use the correct application form.** Make sure to fill out the **Domestic Hunger Grant** application, found in Application Group 2 in the ELCA GrantMaker Grantee Portal. This application will be available starting April 15, 2019. When asked, "Which grant are you applying for?," select "Domestic Hunger Grants." See page 2 of this document for step-by-step instructions on how to complete the application.
