2018 ELCA YOUTH GATHERING
GUIDE BOOK
JUNE 27–JULY 1, 2018
HOUSTON, TX

Evangelical Lutheran Church in America
God’s work. Our hands.
The mission of the ELCA Youth Gathering is faith formation in teenagers. This is done in meaningful and unique ways through worship, service, interactive learning, Bible study and fellowship.

The Gathering strives to be a place where young people can:
- Be both affirmed and challenged in their faith.
- Experience new perspectives.
- Ponder their vocation.
- Learn about the ELCA.
- Bond with their congregational group.

**Synod Day**
Fulfilling the mission of the Gathering to provide faith formation in high school age youth, Synod Day is one of the rotation program days when participants meet as a synod for worship, Bible study, learning and more.

**Service Learning**
The Gathering invites participants to engage in one day of Service Learning during their time in Houston. As a faith community, the Gathering combines meaningful service, instruction and reflection with a faith lens of accompaniment to:
- Invite participants to enter into the diverse story of Houston.
- Empower our partners in Houston to further their mission.
- Join in relationships of accompaniment with our partners.
- Create opportunity for transformative experiences for Gathering participants so they return home as agents of change in their communities.

**Interactive Learning**
Interactive Learning invites Gathering participants to encounter God, their vocation and God’s work in the world through a variety of learning styles and sensory experiences. Partners help bring this space to life by inviting participants into engaging learning opportunities that support the mission of the Gathering and its theme, and that lift up the partner organization or group.

Welcome to the 2018 ELCA Youth Gathering!

After much prayer and preparation, you have made it to Houston with your young people, and we are so eager to welcome you into this week of worship, learning, service and fellowship.

The ministry of the Gathering has the power to transform lives. This week the young people you journey with will be both affirmed and challenged in their faith. They will experience new perspectives as they explore Houston and listen to others’ stories. The Gathering is a place to ponder their vocation and be in prayer and conversation about what God might be calling them to be in the world. I hope you use this week to bond your congregational group as you grow in faith together. Young people will learn about their church, the Evangelical Lutheran Church in America, and, hopefully, explore ways they can be a part of the many exciting ministries across this denomination.

As an adult leader at the Gathering, I hope that you, too, will be open to the Spirit transforming your heart, mind and soul. Thank you for caring so deeply about young people and their faith formation. You are a gift to them and to our church.

This week we will discover together how God’s call, God’s love, God’s grace and God’s hope can change everything in people’s lives. Ultimately, we rest in the assurance that Jesus has changed everything because of his life, death and resurrection, and that we are saved by grace through faith.

In Christ,

Molly Beck Dean

Of all the people I have known in my life, Donna Wiegel was a true warrior of fierce grace.

– Tom Hoegel

You may not have had the opportunity to meet Donna, but you are experiencing her work. Donna worked tirelessly to make sure every person had a place to lay their heads at night. She knew the exact number of pillows we needed to make this event possible. Rest eternal grant her, O Lord. Donna, you will be missed.

– Tammy Jones West

Donna remembered names and was always ready to help you figure things out, whether it was a housing situation or a logistical detail. I knew I could always count on Donna to either have the answer or know who I needed to talk to. She was not only a great detail person, she was also a loving, kind person who wanted only the best for you. Donna, you are so loved! Well done, good and faithful servant.

– Beth Hartfiel

Donna worked with the ELCA for over 25 years. She began with the Women of the ELCA and then worked with the Gathering, beginning in 1997. As an event planner, she was instrumental in organizing multiple Gatherings every three years, with some of the events reaching an attendance of over 40,000 youth.

When Donna began working with the Gathering, all registrations were handled on paper. Every registration came through the Postal Service. Donna coordinated the efforts to open the mail, organize registrations, enter the data from the registrations and process payments. She began the system of streamlining to the current online registration system in which congregations participating in the Gathering manage their accounts. She was a master of logistics and scheduling, performing this ministry with kindness and grace.

Donna knew many of the adult leaders with the Gathering on a first-name basis. She was not just a colleague to many of these leaders, she was also a beloved friend. Donna was well known for her compassionate heart and her embodied expressions of kindness, joy and love. She was a passionate advocate for youth and young adults.

When she wasn’t working with the Gathering, Donna enjoyed the simplicities of life. She loved being in the sun, at the beach and on her bike. She reveled in spending time with her daughter, Tatiana, and her beloved granddaughters. Donna will be missed by so many. She has left a lasting legacy in her dedication to the ministry of the Gathering.

In countless ways, Donna’s fingerprints are present in moments of this Gathering. There is a not a name she did not read or a church she did not know by name. In her ministry, she tended each and every one of us either directly or indirectly as she served our God, our church and the ministry of the Gathering. Her attention to detail allowed the rest of us to commit our energy to offering the very best experience of the Gathering possible. And on more than one occasion, Donna would remind us that this Gathering was not about those who plan it but about those who experience it. I am grateful for the reminder that for Donna, the high school student participant was always the focus. She was a passionate defender of the ministry of the Gathering and a devoted follower of Jesus in her desire to tell the story of God’s love for each and every one of us.

Querida Donna, como te extrañamos sobre todo estando aquí en Houston, siendo testigos de tu gran obra de amor. Le doy gracias a Dios no sólo por haberte conocido, sino también por haber tenido la oportunidad de trabajar a tu lado, pudiendo así apreciar y aprender de tu cariño y dedicación a este ministerio. Recordaré siempre lo detallista que eras y cómo te acordabas de todos y de cada situación particular, incluso los nombres de personas e iglesias específicas. Es evidente que este evento no hubiera sido posible sin ti. Nuestros corazones están rotos sin tu presencia.

– Andrea Martínez
She was a sea of calm, an ocean breeze. She was a waking sunrise and a smiling moon in the dark sky. Aloha oé, Donna. A hui hou. Farewell to thee, until we meet again.

- Keith T. Amano

Donna was a true gift from God. In the calmest of ways, she helped everyone that she came into contact with. Donna knew what it meant to live in God’s grace and always embody the text that is being used for this Gathering: “For it is by grace you have been saved, not by your own doing, but as a gift from God, not as a result of works.” Donna, thank you for teaching us exactly what that means. You are an example to all! She is and will be missed by all with whom she worked, but especially by everyone associated with this Gathering. Peace be with you friend, and we will meet again in the resurrection of our Lord.

- Liz Fisher

One of the best cheerleaders in my work with the Gathering was Donna. She was readily available to listen, offer a smile and encouraging word, sigh with me, laugh and pull another report or spreadsheet. Donna’s advocacy for young people and the ministry of this Gathering was inspiring. I loved her encouraging smile and gentle sigh, her love of sunshine and a great vacation, her strong conviction in being an active participant in our government by voting, and her deep commitment to God and all of humanity. She worked tirelessly for this event and as an advocate for all. Living out the gospel was her way of being. Well done, Donna, good and faithful servant.

- Kim Adams

When I think of Donna, I am reminded of her positive, optimistic and can-do attitude. I rarely heard her say “No,” instead it was “Let me check on that” or “I’ll look into that for you.” She was such a generous person – generous in her personality, her interests, her work, her passions, her faith. She wanted nothing more than to listen and accommodate all Gathering-related folks (from hotels, people in the host city, participants, Gathering staff and leaders) as best as she could. She wanted everyone, and I mean everyone, to have the best faith-filled experience at the Gathering as possible, and she went out of her way to facilitate that in hospitality. She is dearly missed, and my hope is to honor her memory in welcoming and showing hospitality to the folks of Houston and those who have come to participate in the Gathering.

- Jennifer Schultz

The Gathering remembers beloved colleague, friend and child of God

Donna Marie Wiegel.
April 14, 1952-April 21, 2018

Donna served as a great witness to the unconditional love of God made known in Jesus Christ. She pointed to Christ in spoken and unspoken ways that will forever serve as a model for me. Her passion and compassion for humanity, especially those who were marginalized, was a testimony to her identity as “child of God.” She was an integral part of the ELCA Youth Gathering, especially as we worked together on Synod Day property logistics. On behalf of the Synod Day Team, we thank God for Donna, and for the many ways she reflected God’s love, grace and hope – that changes everything.

- Eric Carlson

Donna was one of my biggest cheerleaders in life because she believed in the power of opportunity found within community. She found the deepest joy in serving others with a Christ-like love that is rare to find these days. For Donna, renting an accessible taxi was as important to her call to ministry as remembering the names and life stories of those whom she worked with regularly. My life, my story, my ministry is better because Donna’s life, story and ministry were part of mine.

- Sarah Mayer-Flatt

I knew Donna for many years as a ministry colleague, but before that, I knew her as a Young family friend. She was the sort of professional who always made sure to reply to your emails and questions but also the sort of friend to save you a seat at a crowded restaurant or to text you out of the blue to let you know she was thinking of you. Her enthusiastic commitment to simple living and her determined efforts to seek equality and justice for all made her a woman after my own heart. Donna made me feel seen, heard and valued whenever I interacted with her, and I know that she did the same for everyone else she met too. Her heart had enough space to hold all of us as herself. She was the kind of everyday-Jesus I strive to be. I am so heartbroken that you’re gone friend, but I am so grateful that you’re getting the chance to rest in heaven. I love you, Donna.

- Vanessa Young

Donna was our dear colleague and friend. We shared cubicle walls, countless trips to the coffee machine, days and nights on the road, many frustrations and frequent laughs. She was a gifted negotiator and a thoughtful peacemaker. Whether it was reminding us of our civic duty to go vote or tending to the seemingly impossible task of housing thousands of congregational groups, Donna lived and ministered with tenacity and gentleness that should be opposite from each other yet dwelled perfectly together in this child of God.

We love you and miss you, Donna, and promise to continue to listen to the Holy Spirit as we tend this ministry of the Gathering, MYLE and the table that you so dearly loved and served faithfully for more than 20 years.

- Molly Beck Dean, Michael Deisting and Sierra Ronning

MYLE is a pre-event of the ELCA Youth Gathering and the largest gathering of people of color within the ELCA. The Multicultural Youth Leadership Event empowers young people of color and those whose primary language is other than English to claim their story as part of God's story in order to move toward healing and wholeness as transformational leaders in the church and in the world.

We welcome participants of the Gathering to Houston and want you to know that we would love to have you join us for the next MYLE in 2021.

The theme for MYLE 2018 is “ONE” based in the Scripture of Ephesians:

“For he is our peace; in his flesh he has made both groups into one and has broken down the dividing wall, that is, the hostility between us. He has abolished the law with its commandments and ordinances, that he might create in himself one new humanity in place of the two, thus making peace, and might reconcile both groups to God in one body through the cross, thus putting to death that hostility through it. So, he came and proclaimed peace to you who were far off and peace to those who were near; for through him both of us have access in one Spirit to the Father. So then you are no longer strangers and aliens, but you are citizens with the saints and also members of the household of God.”

(Ephesians 2:14-19)

In God’s eternal plan and wisdom there is a way to remove these barriers. This new humanity would no longer be many but one believer in Christ. In other words, this was God’s plan for the unity of many into one new people in Christ.

Each day of MYLE, program pieces will focus around a sub-theme:

- One body, many parts (1 Corinthians 12:14-26)
- One mission, many gifts (1 Corinthians 12:4-11)
- One household, many rooms (John 14:2)
- One in Christ (Ephesians 2:14-19)
“The tAble brings together youth who live with disabilities and their caregivers, to create an intentional and unique community within the ELCA that is focused around the gifts that we have been given, and find over and over again, at God’s table.”

- Sarah Mayer-Flatt, the tAble team leader

The tAble (formerly the Definitely-Abled Youth Leadership Event – DAYLE) is one of the events to kick off the ELCA Youth Gathering. It gathers and empowers young people who live with a wide range of physical, cognitive and emotional disabilities so they might grow as faithful, wise and courageous witnesses. The event also gives participants the opportunity to acclimate and orient themselves to Houston and the venues in which the Gathering is being held.

**The tAble will gather under the theme “You Belong.”**

A sense of “belonging” is not always a truth that the world and culture extend. We continuously wonder “Where do I fit in?” “Why am I different from others?” “What gifts could I possibly bring?” And yet, we are reminded in Psalm 139:14 “I am fearfully and wonderfully made.”

We are made – wonderfully – by the very God who names us and claims us as children. We belong to God!

At the tAble: We believe in the promise that we all and, therefore, YOU belong to God, at Christ’s table, within the church and within our communities.

**The tAble at Interactive Learning**

Even though this cycle’s event has ended, you can still join us in the Interactive Learning at the NRG Center. Rather than simply raising awareness that we have friends and family who live with disabilities, we will experience disabilities, those that are visible and those that are not, through a variety of activities. We will then dream and brainstorm ways to tear down the visible and invisible barriers that prevent all of us, in one way or another, from participating fully in the family of God, using the gifts we have been given.

Come and see how “You Belong” at our area in Interactive Learning.
Quake weekend events partner with youth leaders in local churches to encourage teens to become established in their faith, empowered for Christian living and enabled to live a life of ministry and leadership. The 2019 Quake theme is Diverge. To live a life for Christ, we need to diverge from the ordinary roads of this world to follow the extraordinary path He created for us.

Each synod will come together in the afternoon on a designated day and location for Synod Day. Participants will dwell on three daily themes of the Gathering.

- Thursday: “God’s Love Changes Everything”
- Friday: “God’s Grace Changes Everything”
- Saturday: “God’s Hope Changes Everything”

Synod Day emphasizes the promise that we belong together. We will see this theme expressed through the context of worship, which provides the framework for the afternoon experience. Through the understanding that we are gathered, claimed and sent as God’s people, participants will gain a deeper sense that God has, indeed, claimed them, that they matter and they have a place to belong.

**Arrival time**
Doors open at 11:30 a.m.

**Where to go**
Search for your synod name in the Gathering app or in the property assignments listed on page 13 to find the property and ballroom in which your synod is assigned to meet. Your confirmation letter also contains this information. Directional signs will be posted in each property.
Please consider the time needed to get to your property when making plans if you are using your own transportation.

**Helpful tips**

**Eat before arriving.** Doors open at 11:30 a.m., and we anticipate dismissal around 2:45 p.m. If you are departing from downtown or the Galleria area, please make your way to NRG Park immediately after Synod Day concludes in order to beat major rush-hour traffic.

Participants will be seated on the floor. Chairs will be provided only for those who need them for physical reasons.

Your Service Learning day is here. Welcome to Houston!

You are invited to be part of the story...

... a story of a diverse city with the ability to reinvent itself time and time again. A story of a city healing from Hurricane Harvey with renewed sense of strength. A story where cultural intersections are part of daily life in the most diverse city in the country. A story of how putting your faith into action can create a partnership that will last beyond a single day of service in Houston. A story of togetherness as you learn to continue this work at home.

The Service Learning team invites you to shift your view of service. By focusing on the stories, healing, intersections, faith and togetherness that you will experience today, our hope is that you will serve and be served.

We are excited to welcome you to this day of listening, working and discovering the reality of life for people in Houston and the call of faith to listen to our neighbors and work for peace and justice. Houston is ready to welcome you into the story of the city; we hope it becomes part of your personal story as well.
Before your Service Learning day

1. Make sure you know your assigned day, launch site, arrival time and bus number. All of this information is in your congregational profile, which can be accessed through ELCA.org/youthgathering.

2. If you have not already done so, be sure to watch the Service Learning orientation video available online. There are also four short visual poems (videos) created by Folklore Films that highlight different stories of Houstonians. Visit YouTube.com/ELCA and check the ELCA Youth Gathering playlist to find these videos. Watch them again tonight as a group before you go to bed.

On your Service Learning day

1. Eat breakfast and fill your water bottle before you depart for your Service Learning launch site; you will need extra energy today.

2. Make sure everyone in your group is wearing their orange Service Learning T-shirts, comfortable closed-toe and closed-heel shoes, shorts, sunscreen and bug spray. You are welcome to bring a backpack with an umbrella or poncho, sunscreen, bug spray, snacks and a change of clothes. Cellphones are also encouraged. You will not be going back to your hotel until after Mass Gathering that evening.

3. Boxed lunches from Jason’s Deli are provided at your Service Learning site (some veggie wraps will be available). Feel free to pack snacks and bring your own lunch if you have special food needs.

4. Make your way to your launch site with a positive attitude ready to go out and serve the needs of the city. Your servant companion (young adult volunteer) is the person you will meet at your launch site, and they will stay with you the whole day.

5. Be ready for celebration at the end of your Service Learning day with Celebration of Service! When you finish your project and arrive at the NRG Arena, there will be things like a glow dance, photo opportunities, and spaces to reflect and learn about the ways to be an advocate when you go back home.
Just like you would with the other two program days, take some time to plan how your group will engage partners during Interactive Learning.

Congregational groups will have a dedicated day for Interactive Learning on Thursday, Friday or Saturday. Groups will also be able to experience Interactive Learning any day, after Service Learning or Synod Day, during our open hours of 9 a.m.-5 p.m.

The NRG Center will serve as a holy playground, a space for participants to engage and be immersed in the life and breath of the church, the community of God. Through a variety of mediums, participants will engage in learning opportunities that support the mission of the Gathering and its theme, and that lift up the partner organization or group.

Rest areas
At these rest areas, you can relax, charge your cellphone and check out the Interactive Learning map. Here you will find “tour guides” who can help you navigate your way through Interactive Learning. They can help you discover a track that interests you or fits the needs of your group. The tour guides can help you locate specific partners or activities.

“I am so excited for the new feel of Interactive Learning as well as the new ways participants will be able to engage with partners through the tracks.”

– Beth Hartfiel, Interactive Learning team leader
**Additional notes**
- Do not forget to drink lots of water and wear good shoes. Many activities require closed-toe shoes, so leave your flip-flops and sandals at your hotel.
- Please note: all activities are subject to change.
- Include locations and times in your plan for your group to check in with each other. Rest areas are great places to gather.
- Bring cellphones or web-enabled devices. Some activities will be enhanced through texting and internet access.

**Tracks**
For some, the Interactive Learning can be overwhelming. Thus, we have added tracks that can help guide a participant or group through NRG Center.

- **REFLECT** for those who crave thought-provoking activities.
- **MOVE** for those who learn by moving.
- **BOND** for those who desire to experience interactive learning as a group.
- **DREAM** for those who seek to explore their calls.
- **ACCOMPANY** for those who wish to journey alongside and support others.
- **CONNECT** for those who aspire to engage diverse perspectives.
- **SERVE** for those who want hands-on service opportunities.

**Reflection Questions:**
What partner did you talk to today that changed everything for you?
Were there any ministries or organizations that you encountered today where you felt God calling you?

  • Accomplishes its worldwide mission primarily through volunteers.

Your day: Your role to care for the resources
Eat, work, play, pray, rest: How do daily choices express love for God and neighbors (near/far, human/other)? Walk through the path of your day to see the impact you have in the world. Collaborate in artwork and make tools to use in prayer. Practice experiencing God’s grace!

Stewardship: Lutherans Restoring Creation - Lutherans Restoring Creation informs, encourages and uplifts the discipleship practice of caring for the environment throughout the ELCA. This is accomplished by cultivating a network of dedicated stewards of earth and neighbor who proclaim God's promise of hope and healing for all.

Inspiring students in poverty
Inspire Mexican students in Ensenada to stay in school by painting designs and inspirational Spanish phrases on school benches. Education gives opportunities to students that will change their lives and the generations that follow.

Lantern Hill Mexico - Lantern Hill Mexico is an education and nutrition program for impoverished children. This ministry seeks to break the cycle of poverty by ensuring children stay in school instead of dropping out and working in fields or factories at young ages like many others in rural Mexico.
#MeToo: Hurting healing as the body of Christ
Where is the good news in the midst of the #MeToo movement? How do we support each other as the body of Christ as we hurt and heal together? Turn it into art. Using various creative expressions, transform your thoughts and ideas into an interactive art piece with us.

Justice for Women Program - The ELCA's Justice for Women Program uses Lutheran theology to encourage men and women to work together to address sexism and other gender-justice issues in social and religious ideas and structures. Empowered by God’s grace, we seek to love those gender-marginalized as our neighbors by tending to their holistic needs.

Bracelets of fortune: identity and intersectionality in Scripture and beyond
Scripture talks about how personal characteristics precious to us (e.g., gender, age, race, dis/ability) are often despised by others. What’s more, some of these characteristics overlap, making us even more beautiful and vulnerable. Explore the lives of Bible characters and find how these crisscrossing identities impact us and those around us.

#decolonizeLutheranism - We are a group of Lutherans across the spectrum of race and ethnicities, ages, gender expressions, sexualities and abilities who have been moved by the Holy Spirit to make our communities more welcoming of the diversity in them – be those communities individual congregations or neighborhoods, cities and nations.

“Freed in Christ: Race, Ethnicity and Culture”
Utilizing the ELCA's social statement, "Freed in Christ: Race, Ethnicity and Culture," we explore issues of race, ethnic identity, culture and justice. This space includes compelling photographs, storyboards and cultural objects that relate to both church and society.

Racial Justice Ministries - The Racial Justice Ministries of the ELCA are catalysts and bridge-builders committed to the work of equipping leaders, training, building alliances and supporting ecumenical networks so that together, throughout the church in public witness, programs and policies advance racial justice – locally and globally.

God adores you!
Come and be part of sharing the news that God adores you just the way you are! Join in the affirmation and celebration of the diversity of people. Learn how to extend welcome and inclusion to LGBTQIA+ people in your congregation!

ReconcilingWorks - An independent Lutheran nonprofit that works for the full welcome, inclusion and celebration of lesbian, gay, bisexual, transgender and queer (LGBTQIA+) people in the Lutheran church. It is our vision that the church is a place where LGBTQ people and their families can worship and thrive, bringing all their God-given gifts to mission and ministry for the world.

MYLE lounge
Come learn more about MYLE (Multicultural Youth Leadership Event) by catching some highlights from this year’s event as well as participate in the community service project MYLE participants were engaged in. There will be a photo opportunity to celebrate God’s plan for the unity of many into one new people in Christ. This is also a place for MYLE participants to gather throughout the Gathering to reconnect.

MYLE - MYLE is a pre-event of the ELCA Youth Gathering and the largest gathering of people of color within the ELCA. MYLE empowers young people of color and those whose primary language is other than English to claim their story as part of God’s story in order to move toward healing and wholeness as transformational leaders in the church and in the world.

Our stories, our voices
Often women's voices are silenced, particularly among women of color, because their experiences are seen as less important or valuable. Hear from this group in their own words, gain a more complete story of the ministry of rostered women and join the church in its work of breaking the silence by celebrating the ministries of rostered women of color. Join us to begin the important practice of telling your story in your own voice.

Rostered Women of Color Clergy Project - The RWoC (Rostered Women of Color) is a project of the ELCA for the 500th anniversary of the Reformation that promotes the global voices of RWoC. We have collected and published more than 40 stories of rostered women of color in their own words.

Podcasting your faith
Learn about podcasting and record your own audio (questions, stories, testimonies and more) to be featured in upcoming episodes of the podcast.

To hell with the hotdish! - These podcast pastors have been rocking the internet and challenging the church to be more than a cliché culture that gathers for potlucks. Disciples who follow Jesus should be more and truly change everything.

Radical welcome changes everything
Everyone should feel welcomed and valued. For people with disabilities, that is not always true. Often churches and other communities are unwelcoming to people with disabilities, causing hurt and resentment. Join Mosaic to break down barriers that keep people with disabilities from participating in faith, worship and the world.

Mosaic - Embracing God's call to serve in the world, Mosaic provides support to people with intellectual and other developmental disabilities. Programs in 10 states offer a variety of services, tailored to individual need, for more than 3,700 people, along with an outreach to Tanzania.

Things are poppin' in the heart of Texas - and Louisiana!
Do you think you know Texas? Do you think you know about Lutherans in Texas? We’ll help you find out how much you really do know with our pop quiz about the ELCA Northern Texas-Northern Louisiana Synod. Win fabulous poppin’ prizes and find out why you’ll wish you lived here too!

Northern Texas-Northern Louisiana Synod - The synod is 106 congregations serving “in mission together” and proclaiming God’s love. We are a diverse synod; each week worship is held in six languages.

You belong – no barriers
Challenge your physical and mental limits as you encounter barriers that impact the lives of those who live with disabilities. Everything changes as we begin to see the true healing needed doesn’t come in body, mind or spirit but instead in belonging together in Christ.

The Table - The Table (formerly the Definitely-abled Youth Leadership Event or DAYLE) is a pre-event to the Gathering that blesses and empowers young people who live with a wide range of physical, cognitive and emotional disabilities so they might grow as faithful, wise and courageous witnesses. The event also gives participants the opportunity to acclimate and orient themselves to Houston and the venues in which the Gathering is being held.

Blood drive
For those who are able to donate blood, you must be in good general
health, feeling well the day you donate, eat a well-balanced meal and
drink plenty of fluids before donating. Donors need to be at least 16 years
old and weigh at least 110 pounds (122 pounds for 16-18-year-olds). All
blood that is donated will help replenish the Gulf Coast Regional Blood
Center, which provides blood for the Houston Medical Center.

Building...homes, relationships and connections
The hurricane damage to Houston exposed the ongoing problem of
housing for low-income families. During the Gathering, we will frame
sections of walls for two houses. When we all leave Houston, the
walls will remain to provide housing for families in need.

LuMin: Lutheran Campus Ministry Network in partnership with
Lutheran Disaster Response - Lutheran Campus Ministry offers
pastoral care, word and sacrament ministry, and student programs
at over 225 campuses across the ELCA. We are a network of
workers and supporters, seeking to make the college years the
wonderful and life-changing event they ought to be.

Education in Africa
Help make backpacks and classroom teaching aids for children
in rural Ethiopia. While here, see the advantages and struggles of
going to school in rural Africa.

Acts of Wisdom - Acts of Wisdom seeks to provide quality
education to children in rural Africa, specifically in Ethiopia through
supplying schoolbooks, teaching supplies, quality buildings and
sponsorships. By focusing on education, we hope to change
students’ futures.

Ending human trafficking
Human trafficking is the third-largest criminal industry in the world
and victimizes more than 12 million people worldwide through
forced labor and sexual exploitation. Assemble hygiene bags for
six local organizations fighting human trafficking, be equipped as
a leader for your community and learn how you can advocate for
victims worldwide.

Women of the ELCA - Lutheran women from over 7,000
congregations in the United States and the Caribbean gather
for service, study, advocacy, fellowship and more. Women of the
ELCA embraces all kinds of ministries that support our mission of
mobilizing women to act boldly on their faith in Jesus Christ.

Hair donation
Youth and adults will have the opportunity to donate their hair to
Children With Hair Loss. This organization gives free, quality wigs
to children who have medically related hair loss and can’t afford a
wig. By offering free wigs, these children are empowered with self-
confidence, helping them to face the world with renewed self-esteem.

• Hair should be at least 8 inches long.
• Hair must be clean and dry, ponytailed and/or braided.
• Nonchemically treated hair is preferred, but any hair in good
condition will be accepted.
• Gray hair is accepted.
At the 2018 ELCA Youth Gathering, the Mass Gathering sessions will provide opportunity for participants to interact. There is something incredibly unique about 31,000 participants gathering to sing, dance, pray, learn and journey together with Jesus.

A reminder for all participants that access to seating on the floor will once again be regulated by the venue. Wristbands will be handed out each night at the stair access points to the floor on a first-come, first-served basis.

“The Mass Gathering events at NRG Stadium offer a time of excitement, celebration, learning, challenge and reflection. Our hope is that each participant hears the story of God’s love for them. A reminder that Jesus’ love for us truly changes everything.”

- Chris Marien, Mass Gathering team leader
Joy Emeneoyo

My name is Joy. I’m a senior in high school and my family is from Nigeria. After graduation, I hope to become a pediatrician and change lives and make the world around me a better place.

I attended the 2015 Gathering in Detroit and was so deeply moved and inspired by the experience that I couldn’t help but want to do it all over again. I see genuine value in this kind of gathering that I don’t think you can get anywhere else. Super excited to be part of this Gathering as one of your emcees.

Abby Botten

My name is Abby and I am a senior at Drake University in Des Moines, Iowa, but I still call Minnesota home.

In my free time I enjoy being a campus ministry leader, eating tacos, laughing at puns and playing and watching any sport you put in front of me. A weird fact about me is that I am not ticklish.

Ben Bernstein

Hello, my name is Ben, and I am 19 years old. I attend St. John’s Lutheran in Spartanburg, S.C. I am very excited about this year’s ELCA Youth Gathering.

This will be my second Gathering and I am ecstatic to be able to experience it as an emcee. I cannot wait to see what God has in store for all of us Lutheran youth in Houston.

Hotel teams
Community Life has volunteers who will check you in at your hotel and make sure you have everything you need for the Gathering. Volunteers will help you starting on Tuesday, June 26, at 3 p.m.

Once your congregational group has completed hotel check-in, look for the Community Life display for your Gathering check-in. There you will receive your wristband, which must be worn to access all Gathering venues, and your transportation wristband if you are registered for Gathering transportation to and from NRG Park.

You will also get your instructions on Service Learning launches. This is also the time to meet your Community Life hotel team so you know who the contact is in your property.

Info booth
One service of Community Life is the Gathering information booths – on the first floor of the NRG Center, the lobby of NRG Arena and at each entrance to the NRG Stadium. Staffed by the knowledgeable Information Sharing Team, these locations will be open to serve you throughout the day and even after the Mass Gathering each evening.

Final tips
You have been invited and called into the sacred space of this Gathering. This event is fun and exciting, but, most importantly, it is about faith formation. As a leader you can and should help frame this for your group.

The Gathering is an opportunity to enter into a relationship and have space to reflect on faith development. It is important to process this event and help make connections with each other, the wider church and to God's work in our lives.

This event is a reminder that we are connected to the entire community of saints, that when we gather each day, we gather with the entire church, reminded that we are all part of God's larger story and work in this world.

Be fluid, be flexible and be ready to punt. Be a leader and be mindful that you are modeling the tone for your group. You are a gift; your presence matters and the way you share your stories impacts the way participants will see their faith in the world.

Devotions: The First and Final 15
Printed in the back of this guidebook and found on the Gathering app are two 15-minute daily devotional tools we call the First 15 and the Final 15. Designed to open and close our day in prayer, Scripture and caring conversation around our daily themes, these two 15-minute periods of time have become an integral part of the daily routine at the Gathering.

Offerings

As part of the Gathering, we give offerings in three ways – in-kind, Sunday morning and special offering. Each of these offerings support unique missions and values of the ELCA and the Gathering.

**In-kind**

The Gathering has recognized the need to lift up literacy in Houston. Building a foundation of literacy starts before entering kindergarten. Students who read at home become strong writers, critical thinkers and more successful students than those who do not. The Houston Independent School District estimates that 74 percent of the students in the district come from families that struggle to provide books for their children. This means the students begin each school year at a disadvantage.

In joining the Gathering’s Blast Off for Books campaign, you help ensure bright futures for Houston’s students. The books you donate will be distributed at community book fairs, camps and other events around the city as part of the Gathering’s Service Learning experience. By putting books in the hands of Houston’s economically disadvantaged students, you can help change lives.

#BlastOffForBooks

Bring your books to the stadium with you for the Wednesday Mass Gathering.

elca.org/gathering
Sunday morning
The Sunday offering is split between three ministries – local, domestic and global.

Texas-Louisiana Gulf Coast Synod
As a thank you for being the host synod for the Gathering, we give a third of our Sunday offering to the Texas-Louisiana Gulf Coast Synod. This synod has hosted us many times – in 2009 and 2012 for our Gatherings in New Orleans. We are so lucky to work with the synod for the 2018 ELCA Youth Gathering as we come together in Houston.

Prison Congregations of America
Prison Congregations of America (PCA) is a ministry through which Christian congregations are established in prisons around the country. There are currently over 30 worshiping communities that follow the PCA Model of Prison Ministry, in which the members are people who are incarcerated, whose congregation is led by a clergyperson from the outside who is trained and accountable to the sponsoring denomination. The congregation, though denominational in sponsorship, is ecumenical and open to all who wish to participate. The pastor is supported by surrounding outside congregations, which also take turns worshiping with the inside group. The strong inside-outside relationship is reinvigorating congregations all over the United States.

Global ministries
We recognize that being the church together means being the church outside of the United States. With that in mind, we raise up Global New Starts as a recipient of a third of the Sunday morning offering with the hope that we can continue to do God’s work around the world.

Special
The ELCA Youth Gathering is partnering with ELCA World Hunger for our special offering. We are teaming up to participate in its Global Farm Challenge.

The Global Farm Challenge is a yearlong, youth-driven fundraising challenge to support the agriculture-related programs of ELCA World Hunger, our church’s ministry to end hunger and poverty. Many youth groups will raise funds in advance of the 2018 ELCA Youth Gathering, and many will bring their offerings to the event.

At Interactive Learning in the NRG Center, youth and young adult leaders will have a chance to participate in an unforgettable experience designed to immerse them in what it is like to be a smallholder farmer around the world.

“\nIn a world that seems unchanging with so many challenges, it can be hard to believe that change is possible. But we are a church founded on change.\n”

– Dr. Ryan P. Cumming,
ELCA World Hunger
Available parking
There is free parking at NRG Park. Drivers will need to show a parking pass to access the available lots. Parking passes to NRG parking lots will be given upon check-in at the hotel. Parking is on a first-come, first-served basis each day until the lot is full. The lot is available for overnight parking. Gates are open from 6 a.m.-10:30 p.m. There is limited security. The Gathering and NRG Park are not liable for any loss or damage to the vehicles. Obey parking regulations and rules.

Cellphone laws
Houston prohibits handheld cellphone use while driving. Municipalities that have enacted ordinances post notification at their jurisdictional boundaries to alert motorists.

Texting laws
Texting while driving is prohibited in Texas. Under Texas’ anti-texting law (sec. 42-11.2):

“It shall be unlawful for any permittee, registrant or licensee to use or cause to be used any cellular telephone or any other electronic communication device to place or receive a phone call or write, send, or read a text-based communication during the active provision of transportation services while the passenger is in the vehicle for hire unless the cellular telephone or electronic communication device is specifically designed and configured to allow voice-operated and hands-free operation to listen and talk or dictate, send, or listen to text-based communication and is used in that manner during the active provision of transportation services while the passenger is in the vehicle for hire.”

Buses and departure of groups after Sunday worship
Parking is available in the orange lot at NRG Park. Additional information about transportation is available on the Gathering app. You can also call the Gathering Infoline at 888-411-3522 (ELCA).

Accessibility in Houston
The Gathering has been working closely with the city of Houston, and we have been assured that the NRG Center, NRG Arena, NRG Stadium and the majority of hotels are accessible for individuals with physical challenges. Gathering staff have visited all the hotels and are convinced the hosts share our commitment to serving those with special accessibility needs. The Gathering Infoline should be your first resource for questions and assistance regarding accessibility: 888-411-3522 (ELCA).

Transportation
The transportation team has made a commitment to meeting the transportation needs of our participants who have additional difficulty getting around the city. Accessible vans will be available by reservation for those with mobility and other special needs by calling toll-free 866-521-7729. This service is available for traveling between the hotels and NRG Park.

Whenever possible, a reservation for a person who uses a wheelchair may include space for at least one, but no more than two, companions. Please take care to confirm the precise location of the pick-up, location of your destination, pick-up times and the number of people.

For those participants utilizing the light rail, the following is information regarding accessibility:

Rail trains
- All METRORail accessible stations feature audio and visual announcements explaining when the next train is arriving.
- Rail cars are level with the station platform for easy boarding.
- There are audio and visual announcements of stops inside the rail cars.
- Each rail car offers four areas for wheelchairs. No securements are required on the train. Riders using wheelchairs also may choose to sit in any space that is available to them.
- The rail car doors open automatically and have a sensitive edge that prevents closing if an object or person is detected in its path.
- Major bus transit centers Northline, Downtown, Midtown and in the Texas Medical Center connect the accessible METRORail with the accessible METRO bus service.

"The best journeys answer questions that in the beginning you didn’t even think to ask.”
– Jeff Johnson

HERE IS ONE TO ASK YOURSELF AND YOUR GROUP:

How will we be good visitors to Houston?
**Station platforms**
- All platforms are 100 percent ADA-compliant.
- There is sloped ramp access from both ends of level boarding platforms.
- Variable message signs are on all platforms.
- Exit left or right announcements are in English and Spanish.
- The edge of the platform is marked with contrast-colored, 24-inch tactile warning strips with truncated domes.
- Accessible shuttle buses are available when rail is not operational.

**NRG Stadium**
NRG Stadium meets and exceeds all requirements stipulated in the Americans with Disabilities Act. All public restrooms and entrances are clearly labeled and equipped with Braille signs. Restrooms, drinking fountains, phones and counters (including concessions) are accessible to guests with disabilities.

**Designated accessible entrance**
All gates are accessible to guests with disabilities. The East Club Entrance will be the designated accessible entrance and will open 15 minutes before all other gates (5:45 p.m. Wednesday through Saturday and at 8:15 a.m. on Sunday).

All participants with mobility or sensory needs, both those who indicated these needs on the original Gathering registration and those for whom significant special needs have arisen more recently, must come in person to the info booth in the NRG Center to request tickets for access through this gate. Each of these participants entering through the East Club Entrance is permitted to be accompanied by members of their congregation. The transportation team will provide drop-offs near that entrance.

**Disabled/ADA seating**
There is wheelchair-accessible and companion seating located on all levels. Due to the lack of accessible restrooms on the floor of NRG Stadium, it is recommended that participants with disabilities use the accessible reserved seating on the main concourse (100 sections) and club level (300 sections) of the sections on the lower and upper concourses.

**Wheelchairs and scooters rentals**
A limited number of wheelchairs are available within NRG and are available for rent at Guest Services in the NRG Center. However, these wheelchairs are available only for use within NRG Park and must be returned daily. If you anticipate a need, or one should occur, please use the wheelchair vendor information to secure a wheelchair to assist with your mobility.

Safety on the streets of Houston

- Know the best and safest route to your destination.
- Always travel in groups of at least three or four people, including an adult leader. Never travel alone!
- After dark, walk in well-traveled, busy and well-lit areas and in groups, if possible.
- Keep all bags and purses close to your body.
- Walk with confidence.
- Do not text, read, email or wear headphones while walking, especially at night.
- Just because you have the right-of-way does not guarantee a bus or vehicle will stop or that the driver is paying attention.
- Carry your cellphone and keep it within easy reach at all times.
- Do not hesitate to approach a police officer, security officer or Gathering staff for help.
- Always let your adult leaders know where you are going. Designate a meeting spot for your group in the event someone becomes separated.
- Each Gathering participant should carry photo identification at all times. A designated adult should also carry a copy of each group member’s medical release form.
- Hydration, light-colored clothing, a balanced diet and sleep are the best prevention for heat exhaustion in Houston. It is recommended that participants carry water bottles and drink the equivalent of eight to 10 glasses of water daily.
- All participants should wear proper footwear. Flip-flops or other open-toed footwear is not recommended for the Service Learning projects, walking around the city and inside NRG Center, NRG Arena and NRG Stadium.
- Each group should have a basic first-aid kit, which includes Band-Aids for unexpected blisters.
- Notify the Houston Police Department (911) and the Gathering Infoline 888-411-ELCA (3522) if you become the victim of a crime.
- Call the Gathering Infoline 888-411-ELCA (3522) to report any unsafe condition in addition to an actual crime or injury.

Curfew

On Wednesday, May 9, 2007, the Houston City Council enacted changes to the juvenile curfew ordinance. It is unlawful for any minor under the age of 17 years to remain, walk, run, drive or ride about, in or upon any public place in the city between the hours of 11 p.m. on any Sunday, Monday, Tuesday, Wednesday or Thursday and 6 a.m. of the following day, or between the hours of 12 a.m. (midnight) and 6 a.m. on any Saturday or Friday, or between the hours of 9 a.m.-2:30 p.m. on Monday, Tuesday, Wednesday, Thursday or Friday. It is also unlawful for the parent or guardian having legal custody of a minor under the age of 17 years of age to knowingly allow the minor to be in violation of these curfew hours.

Cellphones

- It is recommended that all participants who own cellphones bring them to the Gathering. Although cellphones can be a distraction, for safety reasons they can become an important tool in communicating with others should someone become separated from the group. Even though Houston is a safe city, cellphones offer a fast means of communication in the event of an emergency.
- Include in the group’s covenant a statement regarding cellphone usage during the trip.
- Maintain a printed list of cellphone numbers to distribute to your group. Program the group leader’s cell number and the Gathering Infoline number 888-411-3522 (ELCA) on all cellphones.
- Programming an emergency phone number into your mobile device no longer works due to the security locks on phones. Youth and adults can turn on the health data app on their phone. Under medical ID, fill out the corresponding information. The medical ID allows medical personnel to access medical information and the person to call in case of an emergency. Include an adult leader as one of the emergency contacts. Once this is filled, on the screen in the lower left corner appears an emergency button. This allows emergency services personnel, hospitals and our team to quickly access necessary health and contact information without the added challenge of a password.

“\nAt the end of the day, the goals are simple: safety and security.\n”

- Shawn Hannon, Safety and Security team leader
Set up your medical ID
To make your important health information accessible in case of an emergency, you can set up your medical ID on your mobile device.

Create a medical ID in Apple:
• Open Health and tap Medical ID > Edit.
• Enter your emergency contacts and health information like your birth date, height, and blood type.
• Turn on "Show When Locked" to make your medical ID available from the lock screen. In an emergency, this gives people who want to help some important information, like the emergency contacts you have entered.
• When you are finished, tap "Done."

Create a medical ID in Android:
• Android devices feature an emergency contact function, which differs depending on your phone. On the Galaxy S8, editable info in Contacts includes emergency contacts as well as medical conditions and medications, allergies and blood type. Since this feature differs with each type of phone, please check with your phone's company or carrier.

Entering NRG Stadium
• Entry to NRG Stadium will be through Budweiser Plaza at the south end of the stadium. There are two entrances in the plaza, Amegy Bank Entrance (on the east side) and Ford Entrance (on the west side). Participants will be directed up the escalators at each entrance.
• NRG Stadium will open for participants at 6 p.m. on Wednesday through Saturday evenings with the Mass Gathering sessions at 7:30 p.m.
• No food or beverages can be brought into NRG Stadium. Water bottles and food required for medical reasons will be allowed.
• NRG Stadium personnel will be checking all bags brought into the location.
• Food and beverage concessions will be open from 6 p.m.-7:30 p.m. Please note that concessions close promptly at 7:30 p.m. even if you are in line.
• Seating is on a first-come, first-served basis. There is no reserved seating.
• There is no saving of seats. It is highly recommended that groups enter NRG Stadium together, as they run the risk of not sitting in the same area.
• Access to the main-floor seating will be through staircases at the end of designated aisles. Once the floor seating has been filled, no additional participants will be permitted. Participants seated on the floor will be issued a designated wristband that will allow them to leave the floor to use the restrooms and concessions and return to their seats.
• On Sunday, NRG Stadium will open at 8:30 a.m. for the closing worship service.

Safety and behavior in NRG Stadium
• For your safety and security, all backpacks, bags, containers, purses, etc., may be inspected before you enter the NRG Stadium. Laser pointers, glass containers, weapons or anything else that poses a safety or health risk will be confiscated. Do not joke about weapons, violent acts or terrorism.
• Mosh pits and body surfing are prohibited. Anyone participating in these activities will risk removal from NRG Stadium.
• No open flames (lighters, candles, matches, etc.).
• No throwing items, such as beach balls, toilet paper, coins, etc.
• No laser pointers.
• Selfie sticks are not allowed in NRG Stadium.
• Outside soft drinks and food cannot be brought into NRG Stadium.
• Before entering the stadium, have a realistic plan of where your group plans to sit, in case someone gets separated. To avoid injuries, do not run when the doors open.
• Designate a spot for your group to meet after the program.
• The Gathering believes that groups have the right to express their views on a particular issue or cause. However, demonstrations should not interfere with the operation of the Gathering.

Lost and found items
Items can be claimed at the Gathering info booth at the NRG Center. If you lose something, contact the Gathering Infoline at 888-411-3522 (ELCA).

If you find an item, give it to any volunteer.
SAFETY AND SECURITY

Code of conduct

- The Gathering has an obligation to protect the safety and welfare of its staff, volunteers and participants.
- Possession of illegal drugs and weapons is grounds for removal from the Gathering.
- It is strongly recommended that adults refrain from using alcohol and tobacco products (including electronic and vapor cigarettes) during the Gathering. Alcohol products are strictly prohibited from use during Gathering program times. Any inappropriate or excessive use of alcohol may result in the removal from the Gathering.
- Any disrespectful or disruptive behavior will be dealt with quickly and certainly. Participants who use inappropriate language, hate speech or offensive language or destructive behavior may be removed from the Gathering.
- Youth are expected to attend and remain with their assigned leaders during Service Learning projects and other events and should never wander off on their own at any point during the Gathering. Youth and groups will keep their whereabouts known in ways consistent with their group’s policies.
- Respect and appropriate behavior will be given to fellow participants and adults at all times. The Gathering believes that groups have the right to express their views on a particular issue or cause. However, demonstrations should not interfere with the operation of the Gathering.
- Care should be taken to respect the individuals outside our event who make the Gathering possible including bus drivers, police officers and security personnel, and other venue and hotel staff people.
- The Gathering will remain free of all sex and gender discrimination, sexual harassment, sexual assault, sexual misconduct, interpersonal violence, bullying and stalking. Any of the above behavior may result in immediate removal from the Gathering.
Gathering chaplains
Recognizing that the experience of the Gathering can be both joyful, overwhelming and every other possible emotion in between for congregational groups and individuals, a supportive service is being provided for participants of this Gathering.

A small team of chaplains will be available to help navigate arising, unexpected and crisis pastoral care needs that congregational groups and individuals might experience. Adult leaders accompanying congregational groups are often the first people to address possible pastoral care concerns within their groups. Gathering chaplains are intended to be an extra layer of pastoral care support for participants. Chaplains will be available onsite in NRG Center in dedicated chaplains rooms, 102 and 103. They will also be available on an on-call basis through the Gathering Infoline at 888-411-3522 (ELCA).

What to do in an emergency
For all emergencies, call 911 and then call the Gathering Infoline 888-411-3522 (ELCA) to report the illness, injury or incident. If it occurs at a hotel, call the front desk to alert them of the 911 call.

For general health information
Call the Gathering Infoline at 888-411-3522 (ELCA) and ask for one of our Gathering volunteer nurses. They will be able to assist with your health care questions or refer you to the appropriate facility.

First-aid stations
First-aid stations will be open in NRG Park in the Center, Arena and Stadium with additional roaming teams within Interactive Learning and Community Life. For emergency medical assistance or if you are unable to get to a first-aid station, please notify a safety and security volunteer or a security guard, and a first-aid team will be sent to you.

**FIRST + FINAL 15**

Use the First 15 with your group as you gather first thing in the morning to start the day. This will help frame the day’s focus for your group. You will need a Bible app or the Gathering app or a Bible for reading Scripture passages for each day.

The Final 15 is to be used at the end of your day to recall your experiences, make note of things your group wants to remember and wind down for a restful night. You will need note cards or paper and pens for youth to make notes (or they can use the notes feature of the Gathering app on their phone to keep their notes).

These practices will help your group prepare for and then reflect on the day, which research shows helps with retention and recall. This will also help shape your story that you will share with your congregation when you return home. Enjoy the experience!
Wednesday, June 27 – God's Call Changes Everything

**FIRST 15**

**Morning greeting:**
Thanks be to God the creator for this new day. We welcome this new day as we anticipate all the amazing wonders God has in store for us!

Have a volunteer read Exodus 3:1-12, the calling of Moses.

**Ask:**
- What did God ask of Moses?
- What have you been asked to do that seems an impossible task or something you don’t think you could do?
- How was God present with you in that task?
- What is one hope you have for today?
- What is one way you will respond today to God calling each of us to step out of our comfort zone?

Let us pray using portions of Martin Luther's morning prayer from the Small Catechism:

We give you thanks God, through Jesus Christ, your dear Son, that you have protected us through the night from all harm and danger. We ask that you also protect us today from sin and all evil, so that our life and actions may give honor to you. This we pray in your name and the name of Jesus our Savior. Amen.

**Finish with this blessing:**
Stand up for being open to new experiences and possibilities.

Stand with all people we encounter today, especially the residents of Houston.

Stand for encouraging all people to live out their calling from God.

St. Paul reminded the community of the Ephesians: “For by grace you have been saved through faith, and this is not your doing; it is the gift of God.” This changes everything! Amen.

Go in peace, show love, serve the Lord. Thanks be to God! We will!

---

**FINAL 15**

**Encourage your youth to really dig deep in these final minutes of the day, challenge them to think critically about their experiences and how they are changed because of the day.**

**Evening greeting:**
Thanks be to God the creator for this awesome day! We experienced so many wonderful, life-changing people and events. Let this day and all these things forever change us.

**Say:**
Today’s theme was “God’s Call Changes Everything.” Remember we talked about Moses’ call this morning. Today we heard lots of great stories about call! This evening we heard about how God calls people in a variety of ways to many different things.

**Ask:**
- What was something you experienced today that really impacted or surprised you?
- Where did you see God today?
- What is something significant you got from the speakers tonight?
- How do you understand “God’s Call Changes Everything” in a different way because of today?

On your phone, or in your journal, or on a piece of paper or note card, write three things you want to remember from today to share with our congregation back home.

Leaders, have the youth hang on to these or give them to you to use upon your return home to build the story you will share with the congregation.

Give time to write these things.

Take time to share what group members want to remember from the day.

Ask for a volunteer to close the day in prayer, focusing on listening to God’s calling for each of us. If someone doesn’t volunteer, use the following prayer:

God of calling, we give you thanks for this amazing day! We experienced so many things we will hold close to our hearts. Help us to be changed by your calling for each of us and help us build others up in their calling. We thank you for watching over us this day and as we rest to be ready for a whole new day tomorrow. All this we pray in your name and the name of Jesus, your dear Son! Amen.

**Finish with this blessing:**
As the blessing is read, turn to the person(s) next to you and make the sign of the cross on their forehead: The love of God surround you, the peace of Jesus sustain you and give you rest this night. In the name of God, the creator, Jesus the Savior and the Holy Spirit. Amen.
THURSDAY, JUNE 28 - GOD’S LOVE CHANGES EVERYTHING

FIRST 15

Morning greeting: Thanks be to God the creator for this new day! We welcome this new day as we anticipate all the amazing wonders God has in store for us!

Have a volunteer read John 4:4-30, Jesus shows love to a Samaritan woman.

Explain: In the time of Jesus, Samaritans were considered outsiders with whom Jews did not associate. Jesus didn’t care about any of that stuff. Jesus saw everyone as equal, valued and worthy of love!

Ask:

• What do we hear from this story?
• When have you been in a situation that you’ve stood up against what society tells you to do?
• How was God present with you in that time?
• What is one hope you have for today?
• Today, what is one way you will follow Jesus’ example of showing love for all?

Let us pray using portions of Martin Luther’s Morning Prayer from the Small Catechism:

We give you thanks God, through Jesus Christ your dear Son, that you have protected us through the night from all harm and danger. We ask that you also protect us today from sin and all evil, so that our life and actions may give honor to you. This we pray in your name and the name of Jesus our Savior. Amen.

Finish with this blessing:

Stand up for being open to new experiences and possibilities.

Stand with all people we encounter today, especially the residents of Houston.

Stand for encouraging all people to live out the example of Jesus’ love.

St. Paul reminded the community of the Ephesians: “For by grace you have been saved through faith, and this is not your doing; it is the gift of God.” This changes everything! Amen.

Say: Today’s theme was “God’s Love Changes Everything.” Remember we talked about Jesus’ love for the Samaritan woman. Today we heard lots of great stories about how God’s love surrounds us in all places and spaces. This evening we heard about how God’s love changes us and the world.

Ask:

• What was something you experienced today that really impacted or surprised you?
• What is something significant you got from the speakers tonight?

Thanks be to God the creator for this new day! We welcome this new day as we anticipate all the amazing wonders God has in store for us.

Have a volunteer read Acts 8:26-39, Philip baptizes the Ethiopian.

In biblical times it was common for men with official duties in royal courts to be physically changed so they could not have children. The thought was they would not be tempted and could focus on their royal duties.

- What do we hear from this story?
- What does your baptism mean to you after hearing this story?
- How was God working through Philip?
- How does God work through you?
- What is one hope you have for today?
- Today, what is one way you will be an example of God’s grace for all?

Help us to be changed by your grace for each of us and help us build others up by sharing your grace. We thank you for watching over us this day and as we rest to be ready for a whole new day tomorrow. All this we pray in your name and the name of Jesus, your dear Son! Amen.

As the blessing is read, turn to the person(s) next to you and make the sign of the cross on their forehead:

The love of God surround you, the peace of Jesus sustain you and give you rest this night. In the name of God, the creator, Jesus the Savior and the Holy Spirit. Amen.
Morning greeting: Thanks be to God the creator for this new day! We welcome this new day as we anticipate all the amazing wonders God has in store for us.

Ask:
- What is significant in this story?
- When have you been unable to see hope?
- How was God present with you in that time?
- What is one hope you have for today?
- Today, what is one way you will live in the hope given to us in Jesus’ resurrection?

Let us pray using portions of Martin Luther’s Morning Prayer from the Small Catechism:

“We give you thanks God, through Jesus Christ your dear Son, that you have protected us through the night from all harm and danger. We ask that you also protect us today from sin and all evil, so that our life and actions may give honor to you. This we pray in your name and the name of Jesus our Savior. Amen.”

Finish with this blessing: Stand up for being open to new experiences and possibilities.

Stand with all people we encounter today, especially the residents of Houston.

Stand for encouraging all people to live in the hope that is given for all in Jesus’ resurrection!

St. Paul reminded the community of the Ephesians: “For by grace you have been saved through faith, and this is not your doing; it is the gift of God.” This changes everything! Amen.

Go in peace, show love, serve the Lord. Thanks be to God! We will!

Encourage your youth to really dig deeper in these final minutes of the day, challenge them to think critically about their experiences and how they are changed because of the day.

Evening greeting: Thanks be to God the creator for this awesome day! We experienced so many wonderful, life-changing people and events. Let this day and all these things forever change us.

Say: Today’s theme was “God’s Hope Changes Everything.” Remember we talked about the disciples not recognizing Jesus after the resurrection. Today we heard lots of great stories about how God’s hope is found in all kinds of places! This evening we heard about how God’s hope is witnessed in so many astounding ways.

Ask:
- What was something you experienced today that really impacted or surprised you?
- Where did you see God today?
- What is something significant you got from the speakers tonight?
- How do you understand “God’s Hope Changes Everything” in a different way because of today?
- How are you changed because of our experiences today?

On your phone, or in your journal, or on a piece of paper or note card, write three things you want to remember from today to share with our congregation back home.

Leaders, have the youth hang on to these or give them to you to use upon your return home to build the story you will share with the congregation.

Give time to write these things.

Take time to share what group members want to remember from the day.

Ask for a volunteer to close the day in prayer, focusing on listening to God’s hope for each of us. If someone doesn’t volunteer, use the following prayer:

“God of hope, we give you thanks for this amazing day! We experienced so many things we will hold close to our hearts. Help us to be changed by the hope you give freely for each of us and help us share this hope with all we encounter. We thank you for watching over us this day and as we rest to be ready for a whole new day tomorrow. All this we pray in your name and the name of Jesus, your dear Son! Amen.”

Finish with this blessing: As the blessing is read, turn to the person(s) next to you and make the sign of the cross on their forehead: The love of God surround you, the peace of Jesus sustain you and give you rest this night. In the name of God, the creator, Jesus the Savior and the Holy Spirit. Amen.
