

for this church, and for our future.

The ELCA Fund for Leaders scholarship program enables us to attract men and women of tremendous promise to study at an ELCA seminary. The ELCA Fund for Leaders serves as the ongoing promise of this church, that those who are called to serve have the opportunity to pursue a path that leads to informed faith and passionate discipleship.

for the path that lies ahead.

Now is our opportunity as members of the Evangelical Lutheran Church in America to encourage people of outstanding talent to answer God's call. In the next 10 years, the ELCA will need 4,000 new pastors just to fill vacancies.

Gifts to the ELCA Fund for Leaders scholarship program will enable us to transform this challenge – infusing our congregations and ministries with astute and creative leaders.

for academic excellence.

Our success to date hints at great possibilities, but there is more that we can do with additional financial gifts. We are committed to the future leaders of this church – to work toward supporting every one of them financially.

for every congregation.

The heart of the ELCA resides within the congregation. It is here that the love of Christ is able to meet the world. Therefore, our leaders must be equipped to step into congregational leadership roles with wisdom and compassion.

The ELCA Fund for Leaders affords our congregations the opportunity to call exceptional leaders, free to preach the good news of Jesus Christ to the world. The ELCA Fund for Leaders has multiple scholarships dedicated to supporting the various skills needed in our congregations including general scholarships for excellency, Mission Developer/ Redeveloper scholarships for students gifted with the qualities to start or renew congregations and synodical scholarships that identify leaders from within a particular region of the country.
