

## Florida ELCA Non-WindstormQuote Request Process

There are two basic ways in which a Florida-based ELCA congregation can request a quote:

1. Via the Web at *www.churchmutual.com*

Log onto the Church Mutual Insurance Company, S.I. (a stock insurer)<sup>1</sup> web site and click “Request a Quote.” Follow the directions to complete the online form. Upon receiving the online form, a Church Mutual® Account Manager will contact you to set an appointment to review your insurance needs.

2. If you prefer, you may simply call (800) 554-2642 (menu option 1). **Tell the Customer Service Representative that you are a Florida-based ELCA congregation** and they will assist in connecting you with the appropriate Account Manager.

3. If a Florida-based ELCA church calls the ELCA national headquarters, Rob Thoma (Director – Risk Management – Office of the Secretary) at 1-800-638-3522; ext. 2403, he will educate the congregation regarding options 1 and 2 above.
