How to Apply for an ELCA Fund for Leaders Scholarship online via ELCA GrantMaker

The ELCA Fund for Leaders scholarship application process will be completed online through an application system called ELCA GrantMaker. Your application will also require supporting documentation from seminaries, synods and recommenders. Detailed instructions for how to request this documentation and how it should be sent to Fund for Leaders can be found in the online application.

To ensure that your experience with ELCA GrantMaker is as smooth as possible, we have prepared the following instructions to guide you through each step of the application process. Please read these instructions thoroughly and use them as you navigate the system for the first time. You can always contact us directly if you have any questions.

**Step 1** offers helpful tips for a successful application. Following these guidelines will ensure that your application is completed and submitted correctly.

**Step 2** is a quick reference guide to help you register for an account in the ELCA GrantMaker system. You must request an account and be approved by the ELCA before you can access the applications. This registration approval may take a few days to process, so make sure to register early to allow yourself time to complete your application before the deadline. Applicants should only register in the ELCA GrantMaker system once (regardless of how many ELCA Grants/Scholarships you apply for) – if you forget your password, you will be able to reset it.

*NOTE: Step 2 ONLY applies to Full-Tuition Scholarship, Synod or Congregation and TEEM Scholarship, and Federal Chaplaincy Ministries Scholarship applicants, who will be initiating their own registration. Applicants who have been nominated to apply for a Mission Developer Scholarship will be notified and receive instructions for accessing their application directly from Fund for Leaders.*

**Step 3** is a quick reference guide to help you access and complete a scholarship application. Please read these instructions very carefully before beginning your application. We also encourage you to read the entire application form before you start filling it in. There can be many requirements for a complete application (including essays, videos and document uploads), and so reading the entire application will help you complete the requirements in time for the deadline. **Based on our applicants’ past experience, it will take a minimum of three weeks to complete the application with all supporting materials. Please take this into consideration in your application planning.**

If you have any difficulty accessing the application process, please email us immediately at FundforLeaders@elca.org.

Please read the rest of this document carefully. **We look forward to receiving your application.**
Tips for a Successful Scholarship Application

➢ Use the correct application form: There are multiple scholarships offered by the ELCA Fund for Leaders. Make sure to fill out the application for the scholarship that applies to you.

• The **ELCA Fund for Leaders Full-Tuition Scholarship** is for new students who are or will be enrolled in seminary in the upcoming fall semester. Current students who will have completed no more than one semester of coursework by the upcoming fall semester are also eligible to apply.

• The **ELCA Fund for Leaders Federal Chaplaincy Ministries Scholarship** is for students who are attending or plan to attend an ELCA seminary and are preparing for ministry as a Military, Veterans Administration (VA) or Federal Prison chaplain. This scholarship is awarded through ELCA Federal Chaplaincy Ministries.

• The **ELCA Fund for Leaders Mission Developer Scholarship** is for current students including Theological Education for Emerging Ministries (TEEM) candidates at an ELCA seminary. Must be identified and nominated by their seminary in coordination with their synod bishop / Director for Evangelical Mission (DEM) and with the ELCA Christian Community and Leadership unit (CCL) as a mission developer candidate. Do not complete this application unless you have received an invitation to do so.

• **ELCA Fund for Leaders Synod, Congregation or TEEM Scholarship** is offered to ELCA seminary students by synods and congregations that have established a scholarship fund through Fund for Leaders. A list of scholarship names is available from a menu provided in the application; choose the specific name of the award for which you are applying. Do not complete this application unless you have received an invitation to do so. The TEEM Scholarship is for all current TEEM ELCA seminary students and those who will begin the TEEM program this current fall semester, who are taking coursework. The TEEM scholarship lives within the Synod or Congregation Scholarship. In the drop down for Synod or Congregational scholarship for which you have been nominated please select – TEEM scholarship. Please contact your synod to inquire about being included as a TEEM nominee.

➢ Submit the application by the due date: Applications received after the due date may not be considered. Note that all application materials for **Full-Tuition** scholarship are due by **Feb. 23, 2024**, and **Mission Developer** scholarship are due by **Feb. 2, 2024**. It is your responsibility to ensure that all recommenders, synods, etc. submit their materials to FFL on time. **Federal Chaplaincy Ministries** scholarship applications are due **March 15, 2024**, and **Synod or Congregation and TEEM** scholarship applications are due **June 5, 2024**.

➢ Prepare in advance for necessary documents: You may be required to upload supplemental documents and to download documents for someone to submit on your behalf. You will likely need to obtain documents like transcripts, recommendations, synod authorization form and candidacy verification from your synod. Plan in advance so these documents are complete and submitted to us before the due date. It is our experience that many applicants underestimate the time it will take for transcript requests, synod verification forms, and letters of recommendation to be completed. Please allow a minimum of three weeks before the application deadline for this process to ensure that your application is complete by the deadline. If you have problems downloading the blank forms or uploading your completed documents into the online application, email FundforLeaders@elca.org.
➢ **For Full-Tuition scholarships:** Secure an offer of admission to one or more ELCA seminaries as early as possible. To be eligible to apply, you must provide a letter offering you admission or anticipate receiving a letter offering you admission by scholarship closing date from at least one ELCA seminary. If you have been offered admission by multiple ELCA seminaries, you will need to provide each seminary’s letter. Full-tuition scholarships may be used at whichever ELCA seminary you decide to attend. If you are already enrolled in classes for the Spring 2024 semester, your seminary will need to provide verification that you will have no more than one semester’s worth of coursework completed before the Fall 2024 semester. Contact FFL to discuss any questions you have at fundforleaders@elca.org.

➢ **Check your email as often as possible:** After applying for a scholarship, you can expect to receive email communication from Fund for Leaders and from ELCA GrantMaker. It is your responsibility to read these emails, save them for your records and respond as quickly as possible. It is also your responsibility to ensure that all components of your application are submitted by the application deadline and to notify Fund for Leaders of any change in the status of your candidacy or your seminary enrollment. If you believe you should have received communication from us but have not, please contact FundforLeaders@elca.org.
