

LUTHERAN DISASTER RESPONSE
GAZA HUMANITARIAN ASSISTANCE

AUGUST 2014

It has been a frightening time in the Middle East with more than 1,800 people killed and nearly 10,000 injured – with most of the victims reported to be civilians and children.

Our brothers and sisters in the Evangelical Lutheran Church in Jordan and the Holy Land have asked for our help. One way we are responding is through Augusta Victoria Hospital in Jerusalem, a place that provides medical services regardless of race, gender, religious or political affiliation. When you give to Lutheran Disaster Response, you are helping send medical teams from Augusta Victoria into Gaza to care for the increasing number of people injured due to this conflict.

Lutheran Disaster Response, working with The Lutheran World Federation and Augusta Victoria Hospital, is able to provide specialized care, medications and supplies to triage and treat patients in Gaza injured by the conflict.

Your gifts, designated for Gaza Humanitarian Assistance, will be used – 100 percent – in response to this crisis.

We pray for peace in the Holy Land; may God grant comfort in suffering to all who are in need of healing. Together, we will continue to monitor the situation and will walk with our brothers and sisters affected by the crisis.
