

ELCA WORLD HUNGER'S

GLOBAL FARM

Challenge

80%

**of the world's food
is produced on
small farms.**

*Food and Agriculture Organization
of the United Nations*

1/2

**of the world's
815 million
undernourished people
live on farms.**

International Food Policy Research Institute

Almost 80 percent of all the world's food is produced on small farms, where family members often work side by side. Growing food is just one of the many ways farmers care for God's creation and help share God's gifts with others so that all are fed. Yet half of the world's 815 million undernourished people live on farms themselves. Without access to adequate resources and training, farming families can often go hungry. And when the unexpected happens – drought, flooding, conflict and beyond – fewer farmers can make it through.

**Access to livestock, seeds, tools
and training can change everything.**

Parents can earn income to save, kids can go to school, and their families can stay safe and secure in their homes. With support from ELCA World Hunger, communities around the world are working together to end hunger – for good.

ELCA World Hunger's Global Farm Challenge is a yearlong, youth-driven fundraising challenge to support the agriculture-related programs of ELCA World Hunger, our church's ministry to end hunger and poverty. Many youth and youth groups will raise funds ahead of the 2018 ELCA Youth Gathering in June, and many will bring their offerings to the Gathering. At the Interactive Learning Space in the NRG Center, youth and adults will have the chance to participate in an unforgettable experience designed to immerse them in what it's like to be a smallholder farmer around the world.

The goal of ELCA World Hunger's Global Farm Challenge is to raise \$500,000 or more in 2018 to equip communities around the world and in the United States with livestock, seeds, tools, training and other agriculture-related activities to turn a hungry season into a hopeful season. And now, thanks to generous friends of the ELCA, all gifts toward the Global Farm Challenge will be matched - dollar for dollar - up to \$515,000, so together we can raise more than \$1 million to create healthier families, stronger economies and a future filled with hope.

HOW TO GIVE

In person

Bring your check to the ELCA Youth Gathering in Houston June 27-July 1.

Online

ELCA.org/globalfarmchallenge

By mail

ELCA, P.O. Box 1809, Merrifield, VA 22116-8009

Please make checks payable to "ELCA World Hunger" and write "Global Farm Challenge" in the memo line. To tell us more about your gift, you can give online or download the order form at ELCA.org/globalfarmchallenge.
