## Growth Force questions

QUICKFIND: CC718

What do we mean by "growth force questions?"

Interdependence

- What events and structures allow leaders from different ministries to interact?
- How do you facilitate leaders learning from each other?
- In what ways are you accountable to other leaders?
- In what ways are leaders accountable to other leaders?

Multiplication

- Who are you mentoring?
- Which leaders in your church have apprentices they are mentoring?
- Which leaders have yet to identify an apprentice?
- What processes are you using for personal and ministry skills development?

Energy transformation

- What are the things which touch the passion button in your leaders?
- How can you use those things to energize them in other areas?
- How do you overcome obstacles? Are you fighting against them or using them as opportunities?

Sustainability

- What are the multiple purposes for leadership community meetings?
- How are special events and other gatherings used to develop leaders?
- What other existing ministries could be used for developing leaders in the process of ministry?
- How do the results of your actions produce an on-going process?

Symbiosis

- How can you tie evangelism and leadership development together so more people are reached and more leaders are developed?

Fruitfulness

- Are more leaders being reproduced than are dropping out?
- How are the leaders becoming more effective in their ministry?
