

**LUTHERAN DISASTER RESPONSE
HAITI CRISIS**

AUGUST 2021

In August 2021, a devastating 7.2 magnitude earthquake struck southwest Haiti. Over 1,400 people were killed, and thousands more were injured. Blocked roads are delaying the delivery of vital supplies to hospitals. At least 26,000 homes were damaged or destroyed.

For over two decades, the ELCA has maintained a presence in southern Haiti through support for agricultural and sustainable development work. To continue our engagement with those communities, Lutheran Disaster Response is collaborating with partner organizations in the

communities to meet relief needs, including food, nonfood items and temporary shelter. Other areas of support will include psychosocial care, water and sanitation, and creating sustainable livelihoods through agriculture and livestock.

Your gifts will support earthquake survivors. Gifts to "Haiti Crisis" will be used in full (100%) to assist those affected by the earthquake until the response is complete. Together, we can help provide immediate and long-lasting support. Give today to support this response and others like it.
