In September 2018, Hurricane Florence struck the Carolinas and surrounding states with dangerous winds, storm surge and extensive flooding. The hurricane caused more than 50 deaths, displaced thousands of people from their homes and caused billions of dollars in damage. As a church, we are accompanying our neighbors through their recovery – for as long as it takes.

households in 21 counties through North and South Carolina with unmet needs such as home repairs, temporary and permanent shelter, furniture, appliances and more. We also worked with the North Carolina synod to host a respite retreat for pastors and other leaders affected by the storm.

Your continued gifts ensure that our church will be able to provide help and hope for those who have been affected by Florence and other hurricanes until the recovery is complete. Your gifts designated for hurricane response will be used entirely (100 percent) for direct response until it is complete. Give now to support survivors of disasters.

Lutheran Disaster Response is working with Lutheran Services Carolinas, the North Carolina Synod, the South Carolina Synod, community partners and local long-term recovery groups to help those affected by the hurricane. Currently, we have assisted 112
