

REDISCOVER MACEDONIA

A spirit of gratitude and
generosity

God's work. Our hands.

Lead On, O Spirit Within Us

Lead on, O Spirit within us! With zeal and passion clear,
God's grace is your foundation, a gift we should not fear.
Through days of joy and sorrow, you guide us to go on,
With grateful hearts unfolding, our prayers we bring in song.

O Advocate most holy, reveal God's sacred bond,
That we may praise your presence in this place and beyond.
By growing new disciples to serve at your bequest,
With outward acts of kindness, your will may be expressed.

O Counselor within us, a voice that guides our life,
Help us reach out to others who live in this world's strife.
You are our inspiration for visions yet to come,
Your hope is our salvation that we may live as one.
