

SUPPORTING “PV FOR PHEBE”

Social Policy Resolution
CA16.02.03i

Evangelical Lutheran Church in America
God's work. Our hands.

Resolved:

To receive with gratitude the memorial of the Northeastern Minnesota Synod related to the “PV for Phebe” project; and

To reaffirm the commitment of this church to:

- Continue to advocate for “justice through sustainability” as stated in the “Caring for Creation: Vision, Hope and Justice” social statement;
- Continue to seek ways to provide support for the mission of Phebe Hospital;
- Encourage the companion synods for the Lutheran Church in Liberia to be involved in this “PV for Phebe” effort; and
- Encourage the Global Mission unit, through its relationships of accompaniment, to continue to lift up the use of solar energy in conversation with companion churches around the globe as a means to be good stewards of the environment.

Adopted by the Churchwide Assembly in August 2016
