

PROPHET

Prophets are those who share God's words of warning, hope, love and joy to people. They have God-given calls to be God's voice to a people in a particular time and place. They are inspired to share messages they hear deep within their heart and mind or see in dreams or visions. Their confidence, credibility and authority were grounded in an ongoing, open and intimate relationship with God. Many biblical references are prefaced with phrases such as "Thus says the Lord."

In the New Testament, prophecy becomes more a part of the ongoing ministry of the church. They are known for their ability to "cut to the chase" - To name or proclaim God's intent in the midst of a challenge, discussion or time of planning and envisioning.

Essentially, they were called to:

- honor an intimate relationship and open communication with God
- listen for God's word on a topic or event
- share God's words with others
- report the realities of what they see through God's eyes.

The following stories are designed to be dramatic presentations of people who have characterized the role of a prophet. They include:

- A whimsical 3-4 minute tribute to a person who is known to be a participant in the proclamation of God's story.
- Two questions about the content of the story
- Two questions to help participants interpret their place in the story
- Brief reference to an experiential activity
