

TEACHER

Teachers are people who know God's Word and engage others in learning it. They provide safe places for people to wrestle with questions and moral deliberations. They help others interpret the Gospel for daily living.

They are equipped and inspired to

- Present the Gospel in real and relevant ways
- Help others understand God's Word and interpret it for daily living
- Instill a strength of faith identity and maturity through ongoing instruction and discussion

The following stories are designed to be dramatic presentations of people who have characterized the role of prophet. They include:

- A whimsical 3-4 minute tribute to a person who is known to be a participant in the proclamation of God's story.
- Two questions about the content of the story
- Two questions to help participants interpret their place in the story
- Brief reference to an experiential activity
