

# Apostle

Apostle is a Greek word meaning “one sent.” They bring the gospel to people and establish a structure, doctrine and function of and for community to sustain and proclaim the gospel in the midst of it. They are in charge of building Proclamation Stations! They laid the groundwork for the first church in Bible Times and they are still at it today! They may be youth or adults beginning a new group to do ministry together or they may be pastors beginning a new congregation.

They lay the groundwork for strong faith community as they

- Gather people who share a common belief
- Employ their desire and commitment to live for Jesus
- Identify individual gifts for leadership and service
- Create practical entry points for nurturing people in faith and community.
- Encourage people to share their faith in word and deed.

Essentially, they find ways to share the Good News through ordinary people in ordinary places

The following stories are designed to be dramatic presentations of people who have characterized the role of an apostle. They include

- A whimsical 3-4 minute tribute to a person who is known to be a participant in the proclamation of God's story.
- Two questions about the content of the story
- Two questions to help participants interpret their place in the story
- Brief reference to an experiential activity
