God's work. Our hands.

Four ways to use Stories of Faith in Action

Stories of Faith in Action is a free, annual publication highlighting how God is changing lives through the ministries funded by your congregation's Mission Support offering, which it shares with your synod and the ELCA churchwide organization. Together, the ELCA serves God's people across the United States and globally through our 9,100 congregations, 65 synods and one churchwide organization.

How can you inspire ELCA members with this publication? Here are some ideas.

1

**As part of your
ongoing stewardship
efforts:**

Share the link to the Stories of Faith in Action interactive flipbook or color PDF in your digital congregational communications (email newsletter and more). Let congregants know that their giving in 2019 made these stories possible.

2

**In weekly bulletins
and newsletters:**

Stories from this publication are available as one-page black and white printables to complement your existing communications. You can download one-page stories for printing at ELCA.org/SOFIA.

3

**Share one of the
videos via social media
or during worship:**

Some of the stories in Stories of Faith in Action have a corresponding video found at ELCA.org/SOFIA. Share these videos on your social media platforms or with your congregation as a video mission moment.

4

**As devotions for
council meetings or
leadership retreats:**

Need prompts for devotional time? Stories of Faith in Action includes a devotional outline, complete with Bible verses, discussion questions and prayer. The outline can be used at your next meeting or retreat.
