Synod, Lower Susquehanna Synod, Delaware-Maryland Synod, Metropolitan Washington, D.C., Synod, and West Virginia-Western Maryland Synod concerning the restructure of the ELCA’s governance; and

To receive with gratitude the memorials on “Review and Revision of LGBTQIA+ References in the ELCA Social Statement Human Sexuality: Gift and Trust” from the Greater Milwaukee Synod, Southeastern Synod, and Florida-Bahamas Synod;

To authorize a social statement reconsideration to revise Human Sexuality: Gift and Trust (2009) so that its wording reflects current church understanding, church policy, civil law, and public acceptance of marriage of same-gender and gender non-conforming couples in accordance with “Policies and Procedures of the ELCA for Addressing Social Concerns” (2018). While references would be reviewed throughout the whole statement, the following sections are designated for reconsideration as described here:

- “Marriage: shelter and context for trust” p.15. This would not reconsider the idea of marriage as shelter and context for trust but would consider the import that marriage legally is now a covenant between two individuals;
- “Lifelong, monogamous, same-gender relationships” p.18f. Revision here would not change this church’s current understanding that recognizes four identified positions of bound conscience within its life. p.19, but would review wording about “publicly accountable, lifelong monogamous same-sex relationships” in light of public acceptance of marriage of same-gender and gender-non-conforming couples;
- “Loving families: ground and source for social trust” p.21f. Review here would consider references to diversity of family configurations; and

To authorize the Office of the Presiding Bishop and Church Council to approve the parameters and expense budget of this process and identify the revenue source(s) to provide for this revision to be considered as early as the 2025 Churchwide Assembly.
