Update regarding the 2022 ELCA Youth Gathering (September 2021)

After much prayer and conversation, Gathering leadership have decided to require full COVID-19 vaccination or proof of a negative test result (likely 72 hours before arrival) to attend the 2022 Gathering, MYLE and the tAble. As of now, leadership have not decided on any additional safety measures. We commit to continued transparency in the decision-making process and will release information as it becomes available regarding additional safety measures or adjustments to key dates. Any updates will be communicated via Gathering social media, gNews and our website.
