

Congregational details

If you haven't already completed the Congregational Details section of your registration, be sure to do so as soon as possible. This information can be updated as your plans evolve, but a best guess helps our teams as they start to assign your congregation a hotel, determine transportation needs and create programming.

Registration key dates

As mentioned last month, we have decided to move up the regular registration deadline from Feb. 21 to Jan. 21, 2022. This change will allow our planning teams more time to prepare for you and your congregation next summer. Regular registration is \$390 per person. For more information on registration, please visit [the Gathering's website](#).

One month left to apply!

If you know of anyone who will be aged 19-30 at the time of the Gathering next summer and would like to serve, please encourage them to apply as a Servant Companion! Applications are currently open and will close on Jan. 22. A Servant Companion at past Gatherings, [Kyle Lefler shares](#), "We saw the Gospel being acted upon in tangible, accessible ways and learned about the calling we have as Christians to do justice, love mercy and walk humbly."

MYLE and the tAble

Important to the Gathering's ministry are our two pre-events: the Multicultural Youth Leadership Event (MYLE), a faith formation and leadership development event primarily for youth of color, and the tAble, which brings together, blesses and empowers youth with disabilities. If someone in your community would benefit from one of these pre-events, invite them to join us next summer.
